An Unexpected Visitor

A skunk walked into the country school at Dungannon and took refuge in the box stove, which was not being used at the time. School was temporarily dismissed, the teacher not taking advantage of the chance to teach a lesson in natural history.-Fergus News-Record.

Pea Shooters A Nuisance

A number of boys in town are making a regular nuisance of themselves with peashooters, and even some of the girls are at it. Those in authority, including the constable and the teachers should confiscate these articles before somebody is hurt, and the sale of them should be prohibited.-Fergus Record.

around. In some communities this is done. If Paisleyites could unitedly take up such a plan of directing the attention of young people to a rational celebration it could be made an annual event both entertaining and educative and lead all to forget about evil doings .- Paisley Advocate.

A Rather Mixed-Up Case

A young Chesley chap by the name It is alleged that chickens, supposed of Hagey is likely to be up in court to purchase Orville Hauser's motorcycle and had it on trial. He then left Chesley and, after a tour, wound up at Kincardine, where he is said to have sold the motorcycle to Blake Anderson for \$35 down and the balance in monthly installments. However, instead of leaving the machine with Anderson, he drove it back to Chesley. Owing to his absence Hauser notified Constable Meyer of town, who made a search, and Hagey having returned to Chesley, they found the motorcycle near the grist mill in that town, somewhat the worse for wear.-Hanover Post.

Summer's Savings Stolen

Jack Bery, an English farm-hand, who was employed with R. J. Woods, near Corbetton for about a year and who latterly has been working near Three Hanover youths between the Barrie, was the victim of a mean act ages of 12 and 16 are being charged as he was about to embark from Monwith theft on complaint of Mr. Fred treal to his home in England.
