Mr. Wm. Bogle has his house and barn wired for the hydro and expects to have electricity as soon as it passes inspection. We congratulate Mr. and Mrs. Bogle on the many improvements they have made on their premises in the past few years, one outstanding improvement being their new two-story red brick home, which they built two years ago, with all modern conveniences, and now hydro. It is said by those visiting the village from a distance that it is one of the most up-to-date farm houses seen in their travels on the highway between here and Montreal or here to Detroit. We wish them many years of health to enjoy it. Mr. Bogle is the second to instal the hydro in the vicinity of Varney. Mr. Norman Schenk being the first. Merchant: "I've been in this town 30 years, and every man, woman and child knows where I am and what I sell. I don't need to advertise."

Publisher: "Is that so?" Tell me how long the church has been here?"
Merchant: "Fifty years, I believe. Why?"

Publisher: "Well, don't they still ring the bell every Sunday morning?"
