

SANTA CLAUS DAY

- IN -

DURHAM

Saturday, Dec. 17

Bring all the girls and boys in to see Santa Claus on Saturday.

A bag of Candy, etc., will be given free to every child on Durham streets that day.

Santa Claus Parade at Two O'clock

All the children will gather at the Town Hall for the parade to start at two o'clock. Santa Claus will arrive by truck and will lead the parade, followed by the Durham Band and the children. The parade will be policed by the Boy Scouts.

ROUTE OF PARADE

From the Town Hall to Garafraza Street, then south to Smith Bros. Garage. Turn there and return north passing the Christmas Tree. The children will be marshalled in two lines and will receive candy while passing the Tree. Parade will continue north to Mill Street, east one block to Albert, south to Lambton Street and then west to the Tree again. During this time Santa Claus will distribute his gifts to the younger children who are unable to join in the parade.

Everyone is urged to be present. The committee does not wish to overlook anyone and ample provision has been made for all.
