North Egremont

(Our Own Correspondent) Mr. Dolphie Lawrence took Mrs. G. Lewis to Elmira one day last week, to visit over the holiday with her daughter Margaret. Mrs. N. Falkingham, had a few of the neighbor women in for the day on Monday assisting her and her daughter picking a fine bunch of geese and ducks. There would be good sleighing now if the snow which has fallen had stayed on the roads, instead of drifting into the fence corners. Tom—"Those girls are alike. They must be twins." Jim—"No relation, they patronize the same beauty specialist."

NEWS IN BRIEF--Continued Canada

Montreal—Ten tons of Ontario onions, believed to be the first lot ever shipped from Canada to the French West Indies, will leave Halifax for Martinique on the Canadian National Freighter Chomody on the day before Christmas. Martinique is the island on which the Empress Josephine of France was born and brought up.

Lachute, Que.—It's difficult to believe but the municipality of St. Jerusalem is in such good financial condition there will be no tax levy for 1932. There is no municipal debt, a balance in the bank, and the only person out of work is the tax collector.

Montreal—A ship's siren sounded loudly in the comparative quietness of Montreal harbor. A lone tug replied. The last to leave Montreal this season, the Freighter Horda loaded with 250,000 bushels of Canada grain for Mediterranean ports was turning its nose down the St. Lawrence.

Winnipeg—A story of how investment firms headed by John A. Macpherson carried on for almost 30 years short in their trust accounts with their books unbalanced, accounts incomplete and the building up of purported assets through long chain of fictitious mortgages was revealed to a board of enquiry in a voluminous report compiled by auditors.

Montreal—Accidental lodging of particles of peanut in his lungs, caused the death of Germain St. Cyr, 6, according to the child's father. The boy was given the peanuts by his brothers and sisters about six weeks ago. He became ill immediately after eating them and was removed to hospital. A verdict of accidental death was returned at the coroner's inquest.

Quebec—When attention of Premier Taschereau was drawn to the reports 10,000 people were on the verge of starvation in the Gaspé Peninsula and 60,000 were threatened with acute shortage of provisions, he said the government had received "no special demand from that part of the country." Reports of starvation and food shortages were received by Hon. John Kelly, member of the Legislative Council, who recently made a tour of the Gaspé Peninsula. Premier Taschereau promised the reported situation would be investigated.

Vancouver—Harold Knight, 28-year-old bandit, captured by Bank Manager G. E. Devereaux, on Wednesday, December 7, after he had held up the Royal Bank of Canada, 16th Avenue and Oak Street branch, pleaded guilty in police court and was remanded until Saturday. "I have a wife and child who are destitute. I walked the whole town from end to end looking for work. Personally, I hadn't eaten for two days." Knight said. "I understood that if I went to the penitentiary my wife and child would be looked after," he added. City Prosecutor, Oscar Orr stated that investigation confirmed the man's statements regarding his family. Magistrate McKay took the case under consideration.

Winnipeg—The right of appeal by an appellant, who would be unable to pay the costs of the litigation, if unsuccessful, was upheld in a judgment of the Manitoba Court of Appeal. "It has not been the practise of our courts to treat poverty as sufficient grounds for an order requiring security," Mr. Justice J. A. Richards declared in delivering the judgment of the court. The ruling dismissed an application made in the case of Chabot vs. Modern Dairy, Limited for posting of security by Chabot for the costs of an appeal against a judgment of the Court of King's Bench.

Montreal—The lien law under which moveables are not subject to seizure by landlords while the ownership is still vested in the merchants selling them to the tenants and the whole question of instalment buying was the subject of discussion between Premier L. A. Taschereau and two delegations from this city. The first delegation, headed by Emery Sauve, president of the Proprietors' League, urged the Government to amend the civil code to enable landlords to seize moveables for non-payment of rent, irrespective of whether the articles were fully paid for or not. The second delegation headed by A. P. Willis, member of a musical instrument manufacturing firm, and composed of business men, requested the plea of the previous delegation be not accepted and asked for the instalment buying principle. Premier Taschereau urged both delegations to send representatives to Quebec during the forthcoming session of the Legislative Assembly so that the whole Cabinet might hear their arguments and the question be thoroughly examined.

New Westminster, B. C.—St. Mary's Anglican Church at Sapperton, near here, built by the Royal Engineers in 1872, was destroyed by fire, said to have been of incendiary origin, according to Chief A. F. Davidson. Pieces of kindling were found near where the fire started. It was the second attempt to destroy the church.

Montreal—Adhering to its established policy of a full measure of co-operation, retrenchment, and general strict economy in keeping with the current situation, the C.P.R. has since January 1st, 1931, reduced its passenger train services between all Canadian centres by the tremendous total of 39,619,778.

Tarbes, Haute-Pyrenees, France—The Chateau d'Artagnan, where the swash-buckling hero of "The Musketeers" was offered at auction but there was no takers, although the starting price was only 30,000 francs—about \$1,200.

New York—Lieut. Col. Edward B. Underwood of the Salvation Army, who contends that "panhandling" on New York streets is done by undeserving professionals, said that less than one per cent of 400,000 food and shelter tickets distributed by the Emergency Unemployment Relief Committee had been actually used.

New York—The results of an independent investigation by cancer experts into recent reports that the "tar" from tobacco smoke may cause cancer are published in the American Journal of Cancer, and show that this form of tar is probably not cancer producing. London, Eng.—It is understood, a dinner with the Canada club in London, December 16, is the only public engagement Prime Minister R. B. Bennett intends to fulfill on his British visit. The Canadian High Commissioner, Hon. Howard Ferguson, is to preside. Other than the Canada club dinner it is improbable the Canadian Premier, who will be in England about three weeks to discuss empire affairs with British leaders, will participate in any formal public functions.

Auckland, New Zealand—A film picturing the activities of Robinson Crusoe has been banned in Raratonga. It's too exciting for the natives. The first instalment of the serial showed Crusoe in a sword fight. Result: The natives made sharp-pointed wooden swords and hurt each other in skirmishes.

Sydney, Australia—An English sailor, Wm. Marsters, migrated to Palmerston Island in 1862, taking with him three native wives. Now there are 100 descendants on the island. We were pleased to have the opportunity of hearing the Rev. Dr. Farquharson preach once again in Durham on December 11, at the Presbyterian church. It is a number of years since he was pastor in Durham, but his many friends were glad to hear the old familiar voice again. He stated that it was a great pleasure for a minister to be called back to preach after so many years absence from the people where he had so many happy associations and that it gave him great joy to look back on such happy times. This is one of the things that helps to make life worth while he stated.

Rocky Saugeen

Mr. and Mrs. Jas. Ewen, Aberdeen, were visitors this week with Mr. and Mrs. Frank Hopkins. Mr. and Mrs. Wm. Lamont, Elmwood, were recent visitors at the home of Mr. D. Watson.

Mr. and Mrs. Malcolm McKechnie, and little daughter, enjoyed a fowl supper at the home of Mr. and Mrs. Geo. McMeekin, Durham, on Saturday evening.

Swinton Park

(Our Own Correspondent) The weather here at present has been very cold and the roads are very rough and motoring is not pleasant, a few good snow falls would help to cover up the deep ruts.

A new chopper has been installed in the Park. Mr. Fryde is the owner and started operations on Saturday. He was well patronized and is reported to be doing excellent work.

There was much excitement in the Park when word came over the telephone that there was a fire up west. Motor cars were soon pulling out and heading that way to find it was the barn of N. A. McQueen. Neighbors were soon on the job and all the live stock was saved, but a few hens. A fire at this time of year is a hard blow as this season's crop is destroyed. A lantern accident was the cause of the fire.

Our blacksmith and woodworker is busy repairing sleighs and is disposing of a good number. Anyone wanting a good sleigh would do well to see his handiwork.

Mr. Friday McLean, of Walter Falls, spent the week-end with his friend, Kitchener Flood.

On Tuesday evening last, a very pleasant time was spent at the home of John Corbett and Mrs. Corbett, when their friends and neighbors gathered to have a real social time. There was dancing to good music and singing by good talent and card playing, to an early hour.

Mr. More, teacher here is very busy at present practising for a Christmas Tree and concert to be given in the hall, on December 21.

Knox Corners

(Our Own Correspondent)

The subject for the sermon on Sunday was "Discouragement". Many a true heart has had plans and a vision of work for the Master but have never seen them fulfilled as far as they could see, but God sees not as man sees, and what seems to be disappointment may be God's appointment for His children and they will some time understand why their hopes were not realized. The Scripture says: "They that wait upon the Lord shall renew their strength," and all who have done so have found the promise to be sure. No one had greater cause to be discouraged than the Master, when He wept over Jerusalem, knowing what great things were willing to accept! for for himself for her and her people. How do we compare with them today? Our pastor had a good talk for the young people, telling of the simple prayer of a man of God, namely: "Dear Lord we are on the same old terms." How do we stand with God? The choir sang "Take the Name of Jesus with you."

Mr. Andrew Picken, is at present confined to his bed, and under the doctor's care. Hope he will soon be restored to his usual health again.

The Y. W. A. and Mission Band met at the home of Mrs. John Marshall, Jr., on Saturday afternoon with a very good attendance. Mrs. A. C. Marshall took charge of the meeting in the absence of Mrs. C. MacAllister, president of the Y.W.A. Mrs. Marshall, Jr., read the Scripture lesson, and several of the Mission Band and Y.W.A. members gave readings. Mrs. Marshall served lunch at the close of the meeting and homemade candy provided by the members was enjoyed.

Little Ileen Marshall has been suffering from an attack of tonsillitis, but we are glad to know she is much improved.

Our W.M.S. met at the home of Mrs. Bert Barber on Thursday, December 8, with an attendance of 17. Mrs. Wallace presided and Mrs. Elgin Willis read the Scripture lesson, and also read of British Guiana. Mrs. B. Barber and Mrs. A. C. Marshall also read of this work. Mrs. John Marshall gave a reading "Looking Forward." Mrs. C. McAllister gave the Treasurer's report. A letter was read in conjunction with the mite boxes. The minutes of the last meeting were read and the roll call was answered by Scripture verses on the birth of Christ. The officers for 1933 were elected as follows: Pres., Mrs. Wallace; vice pres., Mrs. Patterson; sec., T. E. Byers, treas., Mrs. C. McAllister; sec. of tidings, Mrs. John Marshall; welcome and welfare com., bkqq shall; welcome and welfare sec., Mrs. Bert Barber. Mrs. John Marshall gave a short reading entitled "foazfzR wg a short reading on the responsibilities of officers elected, closing with prayer that they might be faithful. Hymn 37 was sung, and Mrs. Smith closed the meeting with prayer.

A number of the girls, including Miss Ford, our teacher, spent Wednesday evening of last week at the home of Miss T. E. Byers. Though coming as a surprise they were very welcome. Come again girls.

Pat called the priest and said: "Father, can I ask you a question?" "Sure, Pat," replied the priest. "Well, Father," said Pat, "I know all about Shrove Tuesday and Good Friday, but what the devil is Nut Sunday?"
