

DURHAM CHRONICLE

W. Irwin, Editor and Proprietor.

DURHAM, FEBRUARY 7, 1901.

MEMORIAL SERVICES

Memorial services were held here on Saturday last to do honor and pay a just tribute to the late beloved Queen Victoria...

In the afternoon at 2:30, a union service of genuine solemnity throughout was held in the Methodist church...

Bryan Eulogizes the Queen.

William Jennings Bryan's leading article in the first column of the front page of the second number of The Commoner is an eulogy of Queen Victoria...

"England's Queen has closed her long and eventful career, and her death has brought sincere sorrow to her subjects."

"Her administration was popular because her personal virtues were worthy of admiration and for the reason that allowed her people (those who have parliaments) to have their own way in matters of legislation."

"It is a high yet a deserved tribute to her to say that no one exercising royal prerogatives could have done better, and that the world at large has cause to mourn her demise."

Anti Spitting Crusade.

The Street Railway Company is to be commended for its efforts to prevent the dangerous and ungentlemanly habit of spitting on the cars...

offence punishable by fine or otherwise Public opinion in New York has been already educated up to this point. On Jan. 19 last Henry C. Neirman, a clerk for the Adams express company was fined \$25 in the Court of Special Sessions for spitting in the Sixth-avenue elevated car...

THE STING WITHIN.

Is a matter of small importance compared with other applications of electricity. By this agency Polson's Nerviline is made to penetrate to the most remote nerve—every bone, muscle and ligament is made to feel its beneficent power...

GLENELG CENTRE.

On Sunday evening, Jan. 27th, the sad news of the death of Mrs. Neil McGillivray, at the age of forty-three years and two months, passed quickly from mouth to mouth...

A PIONEER GONE.—Again on Tuesday, 29th Inst., there passed away Mrs. John Fallice, sr., of 5th con., Glenelg, after a lingering illness, at the age of 74 years...

Mr. John Fallice is improving from a gripper. Messrs. Peter McInnes and Daniel Livingston, of North Glenelg, attended services at the Centre on Sunday last.

Rev. Mr. McGregor called on some of his people in this neighborhood last week.

Mr. Dan. McArthur, and his cousin, Miss Minnie, spent an evening with friends of this burg last week.

Mr. John Beaton, Jr., and his sister, Mrs. Sharp, of Berkeley, are visiting at the Centre at Present.

Dropsy is one Positive Sign of Kidney Disease.

Have you any of these unmistakable signs? Fullness under the eyes? Swollen limbs? Smothering feeling? Change of the character of the urine? Exhaustion after least exertion? If you have these dropsical tendencies and you shouldn't delay an hour in putting yourself under the great South American Kidney Cure—\$6

With a view to encouraging the development of a literary spirit in Canada, The Ladies Magazine, Toronto, is offering cash prizes for the best short stories of Canadian writers...

GLASCOTT.

(Sat., Feb. 2nd.) To-day, truly, has been an eventful one, we might say throughout the world, but especially in Great Britain and her colonies, who have been called upon to mourn the loss and take part in the burial of our late beloved Queen, Victoria.

We are enjoying fine winter weather, good sleighing, but alas! straw and hay are going to be very scarce with many before the grass grows next spring.

La Grippe is very prevalent with us at present, many being quite ill.

Mr. J. S. Lyons, of Harkaway, was a caller around here last week, and your humble scribe enjoyed his company for some three hours.

Our late tea meeting held at the Lake church was a grand success. Throughout Mr. R. T. Edwards, of Traverston, makes an excellent chairman for such occasions, while Messrs. J. A. Hunter and Barrister Davidson, of your town, make a fine team in the way of entertaining an audience.

The parlor social held by the united Brethren at the residence of Mr. R. E. English's last week, was also pronounced a decided success, and a pleasant evening was spent. Proceeds \$17.

On Sunday evening last the good people of Townsend's Lake, presented Rev. Mr. Graham with a purse of \$20.00, as a small token of esteem for his regular services held every three weeks. Also a handsome Bible was presented to Mrs. Thos. Jack for kindness shown Mr. Graham throughout the past year, by always having her table spread and a cordial welcome to partake.

R. J. Brodie recently returned home from the Algoma lumber woods, looking hale and hearty.

Mrs. Richard English recently visited friends at Owen Sound for a week.

Mr. Sam Gibson, formerly an old Glascoth boy, but for the last five years a resident of Emerson, Man., has been calling around renewing old acquaintances. He will shortly return West.

Building will be brisk next season. Amongst others Mr. Chas. Boyle is preparing to erect a fine residence for himself and family.

Mr. John Hay, of Dornoch, passed through our burg last week on his way home from the city, where he accompanied his brother to the hospital.

Have You a Skin Disease?—Tetter, Salt Rheum, Scald Head, Ringworm, Eczema, Itch, Barber's Itch, Ulcers, Boils, Chronic Erysipelas, Liver Spots, Prurigo, Psoriasis, or other eruptions of the skin—what Dr. Agnew's Ointment has done for others it can do for you—cure you. One application gives relief.—35 cents—\$7

We learn from an exchange that two Mt. Forest girls recently visited a photographer and had themselves photographed with their faces stuck coquettishly through a torn newspaper. When the pictures were finished and delivered they were horrified to find that the newspaper they had used was a Chicago sheet, and below their smiling faces was a big display advertisement of a Chicago firm which announced: "Our pants are lined in the seat."

The Pall of Rheumatic Pains.—When a sufferer finds permanent relief in such a meritorious medicine as South American Rheumatic Cure, how glad he is to tell it. C. W. Mayhew, of Thamesville, Ont., couldn't walk or feed himself for months—four years ago three bottles of this great remedy cured him—not a pain since—isn't that encouragement for rheumatic sufferers?—\$2

The Berliner

Gram-o-Phone

This is the machine that talks—sings—plays every instrument—reproduces Sousa's Band—string orchestras—Negro Minstrels, Church Choirs, etc. It reproduces the violin, piano, flute, cornet, trombone, banjo, mandolin, piccolo and every other instrument.

The Berliner Gram-o-phone is louder—clearer, simpler and better than any other talking machine at any price. It sings every kind of song, sacred, comic, sentimental, patriotic, "coon" songs, English, French and Scotch songs, selections from Grand and Comic Operas, plays cake walks, waltzes, two-steps, marches, in fact everything that can be played on any instrument or number of instruments can be reproduced on the Berliner Gram-o-phone with the wonderful indestructible record discs.

It tells funny stories or repeats a prayer. It can entertain hundreds at one time in the largest hall or church, or it can be subdued to suit the smallest room. The Records are not wax, they are Hard, Flat, Indestructible Discs, which will last 10 years.

The Berliner Gram-o-phone is made in Canada, it is guaranteed for five years. The Gram-o-phone is used and endorsed by the leading clergymen and others throughout Canada.

The Berliner Gram-o-phone received the only medal for Talking Machines at the Toronto Exhibition 1900. The Berliner Gram-o-phone has been widely imitated and the records counterfeited, therefore beware of machines with misleading names as they are worthless.

If the Berliner Gram-o-phone is not for sale in your town, write to us for illustrated catalogues and other information, free.
