HITS AND MISSES.

learned of her Majesty's death

Former years we were satisfied with fish stories. This year we want the fish. Remember the place, THE CHRONICLE Office.

Every man has a right to be religious according to his convictions, another to think as he thinks.

There's an inconsistency in talking of building up your own town, and much for you. 50 cents.-33 at the same time making all your purchases from Toronto sweat shops. We were hardly home from Cement

City mills till we heard the two

editors had a high old drunk during their absence. Who in thunder let the cat out of the bag? The lady who swallowed the pin threatened to mop the floor with us if we said anything about it, conse-

quently we'll not mention it. Truly, Joseph Harrison. Ye editors have a hard time of it. The Ayton Advance says: "The two Durham Editors recently buried the hatchet long enough to take a trip together to Cement City, Michigan." That's right Bro. Flynn, but

the handle isn't covered. While John McDougall was painting on the McIntyre block last week he didn't meet with any accident, but cautioned Frank Lenahan, who assisted him in putting up the ledder. to be careful not to let it slip. was assured by Frank if it did sap he had a place prepared for him. Now Frank is an undertaker, and it's a wonder there wasn't an acci-

While fishing above Sykes Street bridge, Master Austen Gavett caught a three pound speckled trout which Wallace. was on exhibition in W. J. Carnohan's window. The fish was sold for 331c. per. lb. to Thomas Male, of Paul's hotel. This is the largest fish of the kind that has been caught around Meaford for several years .-Meaford Monitor. Pshaw! Meaford isn't in it with some of the trout Sam Allen Scott catches.

In conversation with some of our Blyth cement enthusiastics here a few days ago, some of the uses of the manufactured article were discussed. One individual spoke of its use in surgery. another of buildings, etc., but one of Pettigrew. the bystanders capped the climax by Jr. (b)—Willie Bogle, Annie Pettigrew, suggesting that by the use of sugar Guy Morrison. coating it might be utilized for Pills. This fellow must be a first cousin to the chap who thought it was no use except for making "granulated" sidewalks

Some boys hearing a guileless old Scripture he was going to read in rence, Roy Gordon. church, glued together the connecter read to his astonished congregation that when Noah was a 120 years he took to himself a wife, who was Hunt, Noble Sharp. (then turning the page) 130 cubits ong, 40 cubits wide, built of gopher wood and covered with pitch in and out. Puzzled at this he read it again Grant. and then said: "My friends this is the first time I ever read this in the Bible, but I accept it as the evidence of the assertion that we are fearfully and wonderfully made.

Strong words by a New York Specialist.—"After years of testing and comparison I have no hesitation in saying that Dr. Agnew's Cure for the Heart is the quickest, safest, and surest known to medical science. I use it in my own practice.
It relieves the most acute forms of heart ailment inside of thirty minutes and never fails."-35

On Monday of last week an old hew, W. T. Vansickle. The deceased resident of Proton, in the person of was through the Mackenzie Rebel-William Mills, died very suddenly lion of 1837, and acted as orderly for of heart failure. The deceased was eighty-two years old and had been a resident of Proton for thirty-six years. He was born in Ireland and came to Canada, settling in Milton, where he remained for a number of years. He then came to Proton and settled on the farm where he died. He leaves a family of five, three boys and two girls, all residents of the township. Mr. Mills was a highly respected citizen .- Arthur Enterprize.

It was currently reported early In a few years the pioneers of this week that Mr. Andrew Carnegie, | Proton will have passed away. Anthe multi-millionaire, had given other of the old residents, Mr. John

the latter was made known he is said ! The latest thing is a woman's In in due form a letter from Carnegie pies," "how to prepare an enticing written and signed by his private dish of hash," or on some other subsecretary, a gentleman by the name ject of a similar nature, which has been carefully and laboriously prepared for the occasion. Then they all discuss it pro and con, principally her own way the best. In the meantime the husbands have to forage the house and run chances on getting something to eat at supper time, because their spouses are away telling the other women all about keeping house.

# Don't Cough

Stop it with SCOTT'S EMULSION of Cod Liver

A little coughing is nothing -the tickling, that makes you cough once, is some dust; not the least harm. You scratch an itch, and forget it. This cough is scratching an itch.

But the cough, that hangs on and comes back, is a sign of an itch that hangs on and comes back. There is something that makes that itch.

Inflamation: a germ; it's alive; like a seed in moist warm ground; it will grow if you let it, eyen in children.

Take SCOTT'S EMUL-SION of Cod Liver Oil. and the germ will die.

If you have not tried it, send for a free sample, its agreeable taste will surprise you SCOTT & BOWNE, Chemists, Toronto. 50c. and \$1.00; all druggists.
