The Dialect Fisherman.

[Dan Davies, of the Acme White He Does Fire, Life . . Mr. William Runnings brought Lead Works, claims to hold the re home his new steam threshing outfit | cord for catching the largest small last week from Durham, where it mouth black bass ever caught. The was shipped by White & Co., of accident is said to have happened on July 28, 1898, on the famous Lake

> A fisherman on Lak San Claire, Bout six mile off from shore, Fished hard for one, two, three, four hour By an' by he fished some more. Some time he fish with old dry bait,

Some time he fish with wet— He give the dry bait to the fish, The wet bait—nit! you bet. Long time some fish did never come,
Then one, two, three passed by;
They smell of that old dead, dry bait
And wink the other eye.

By an' by one great big bass come long,
'Bout five, six; seven pound weight,
So old he neither smell or see,
And ate the old, dry bate. The fisherman stood very still
And reeled out yards of lineHe worked that poor old blind black bass So very, very fine.

By an' by the fish began to pull,
By an' by he pull some more,
And then was fun in Lak San Claire,

Bout six mile out from shore. The fish he plunge like one mad horse, And then he pulled like ten-

He towed that boat nine miles an hour-Big boat and 'four big men. He pulled like bass 'bout six feet long,

May be he be 'bout seven,
May be, if not pulled out right quick,
He'll grow to be 'bout 'leven. By an' by they pull that bass half out, By an' by they pull him more. And Lak San Claire fell four, five feet,

'Bout six mile off from shore. The Lime Kiln Crossing got so low The boats they could not pass;

And Dan he say the river fell When he pulled out that bass.

Detroit News.

A naturalist says that every time a farmer shoots a hawk he throws \$50 into the fire, for though the hawk takes an occassional chicken, it destroys at least a thousand rats, mice and moles every year.
