FOUGHT FOR HIS LIFE.

"My father and sister both died of Consumption," writes J. P. Weatherwax, of Wyandotte, Mich., "and I was saved from the same frightful fate only by Dr. King's New Discovery. An attack of Pneumonia left an obstinate cough and very severe lung trouble, which an excellent doctor could not help, but a few months' use of this wonderful medicine made me as well as ever and I gained much in weight." Infallible for Coughs, Colds, and all Throat and Lung trouble. Trial bottles free. Guaranteed bottles 50c and \$1.00 at all druggists. Im.

The Scotch are a truthful people, and the man who tells this story of a Scotch cat must be politely believed: "I once had a cat which always sat up to the dinner table with me. When he had finished the fish prepared for him I sometimes gave him a piece of mine. One day he was missing at his place, and did not appear until dinner was half over. He rushed in with two mice in his mouth and before he could be stopped, dropped a mouse on his own plate and one on mine. In short he divided his dinner with me as I had frequently divided mine with him."

The President a Slave to Catarrah.—D. T. Sample, president of Sample's Installment Company, Washington, Pa., writes: "For years I was afflicted with Chronic Catarrah. Remedies and treatment by specialists only gave me temporary relief until I was induced to use Dr. Agnew's Catarrah Powder. It gave almost instant relief. 50 cents.—49

FLESHERTON.

On Wednesday morning of last week the mantle of mourning fell on the picturesque village of Eugenia when one of its earliest settlers and most highly esteemed citizens, Mr. Jacob B. Sloan, was called to his eternal home. About two years ago Mr. Sloan met with a severe accident which shattered his strong constitution and from which he never fully recovered. In January last he was seized with la grippe and later with a paralytic stroke which, though skillfully treated and assiduously nursed by a devoted wife, ended his days. His remains were interred in the Public Cemetery here on Friday afternoon borne to the grave by his brethren of Eugenia L. O. L., of which he had long been a member. Owing to the downpour of rain the impressive burial service of the Order was dispensed with. Rev. T. R. White, of Eugenia, conducted a short service at the house and Rev. L. W. Thom, of this place, assisted at the grave. A memorial service will be held in the Methodist church, Eugenia, on Sabbath evening next. Mr. Sloan was born of Irish parentage in the State of New York in 1826 and was at the time of his death 74 years and 10 months of age. In 1846 he came to Canada and lived in Toronto and vicinity for ten years. In 1856 he came to Grey Co. and took up land east of Eugenia, on the 10 con. of

Artemesia township wherethe lived for eight years. He then settled in Eugenia and being a millwright by trade commenced work in that and general carpenter work lines. He built and operated a saw mill on the Beaver river which has since developed into the thriving manufacturing business carried on by himself and son, Mr. Sloan, by the way, made for Mr. M. Richardson, M. P., of this place, the first counter show case used by him in his store on the corner 36 years ago. A strong friendship grew up then between them which has existed ever since. In politics Mr. Sloan was a Liberal Conservative and in religion a Methodist. He frequently represented the Eugenia circuit at District and Conference meetings and for 42 years faithfully served in the capacity of Steward and Class-leader. His religion was not of the fluctuating type but of the steady consistent character which made him a blessing in the community—esteemed in life and mourned in death. In public office he served the township for a number of years as collector of taxes in ward No. 4. Deceased is survived by a widow, one daughter, Mrs. H. Melrum, of Great Falls, Mont., two sons, William, of Kimberley, and Walter, of Eugenia, three sons, John, James and Jacob and one daughter, Mrs. Geo. Saul, preceded him in death, as did also his brother James, a Minister in the Methodist church in Canada. Mrs. Sloan has the sympathy of many friends in her bereavement.

Rev. A. J. Darroch, of Fairwell, paid old friends here a short visit last week. Mr. Darroch was called to perform the pleasant duty of uniting in marriage Mr. John L. Stewart, of Powassan, Muskoka, and Miss Minnie V. Gilliland, youngest daughter of the late T. B. Gilliland, Esq., of Eugenia. The happy event took place on Wednesday afternoon at the home of the bride's mother witnessed by about 130 guests. Mr. George Stewart, the groom's brother, and Rev. T. R. White, of Eugenia, supported the groom and the bride was attended by Miss Abbie McMillan and Miss Clara Gilliland. The bride was prettily gowned in white organdie and wore apple blossoms. The bridesmaids were also becomingly attired in white. Mrs. T. J. Sheppard, of this place, played the wedding March. After the ceremony a sumptuous wedding dinner was served and the festivities throughout were greatly enjoyed by the large company of guests. The bride was the recipient of a large number of beautiful and costly wedding gifts.

Dr. J. P. Ottowell, agent for the Massey-Harris works had his first delivery of binders last week when 16 new machines were taken possession of by the respective purchasers.

Mr. J. Davidson, of Knox College, is to address the Presbyterian congregation on Foreign Missions on Sabbath afternoon next.

Mr. Wm. Herd, of Kemble, visited his brother, Mr. J. H. Herd, here, last week and will sail this week for Merrie England.

The weeping clouds made many unhappy on Victoria Day. Much sympathy was felt for our sister village, Markdale, which had prepared to celebrate. Among those who were abroad for the holidays were Mr. A. Munshaw and Mr. Geo. Richardson to Toronto, Mrs. W. Neil, Markdale, Mrs. J. Watt, Toronto, and among those who visited friends in town were Dr. E. K. Richardson, Toronto, at the paternal home, Mr. Uri White and Mr. Benson, Toronto, at Mr. W. Barnhouse's, Mrs. Petch, Sr., Georgetown, at her son's Mr. W. Petch's.

Mr. M. K. Richardson, M. P., returned home on Saturday from Ottawa the session work being over. Mr. Richardson attended the Conservative Convention in Toronto, on Tuesday.

Mr. Charles Munshaw arrived home on Saturday from Toronto Hospital looking well after his serious operation. Charlie is receiving a warm welcome home and many congratulations from his numerous friends on his wonderful recovery.

Miss Minnie Munshaw has completed her musical studies in Toronto and returned home on Saturday.

Mrs. (Rev.) Wismer, who has been visiting her mother at the Manse the past four months, left on Thursday last for her home at Creighton, Nebraska.

Mrs. Gaudin moved last week with her family to join her husband in their new home at Clifton, Ont.

Miss Christie will be a delegate to the Women's Missionary Convention in Owen Sound this week.

Mr. John Boyd attended the instituting of the new Masonic Lodge in Dundalk on Friday evening last.

Two gentlemen riding an automobile passed through town on Saturday last. It was the first horseless carriage to traverse our streets and went quite slick.

The 24th passed off very quietly around here. Some of our fishermen were put out a little owing to the heavy rain.

Mr. and Mrs. Henry McCaslin were in Owen Sound last week on business.

Mr. John Hazlett, of Orillia, was up attending the funeral of his brother, William, last week.

Mr. W. Legate, Jr., and Mr. W. A. Hazlett traded horses one night last week, and both got the best of it.

Mr. and Mrs. John Backus, of Popular Hill, were visiting at D. Adlam's lately.

We regret to report this week the death of another of the old pioneer settlers, Mr. Wm. Hazlett, who passed away on the 21st to the land from which no traveller returns. The deceased was 67 years and 5 months old, was a native of Fermanagh, Ireland. In 1846 he sailed for Canada, landing in Kingston, from thence he moved to this township and settled on lot 41, on the 2nd con. north of this place. He then married a Miss Mary Ann Armor, and after having five of a family she was called away through death. He then married again, and after a few years she also was called away. From that time he remained with his family till the time of his death. In religion he was a Methodist, and in politics he was a strong Conservative. He was also a member of the Orange Order. The deceased was a kind and obliging old gentleman, and highly respected by all who knew him. He leaves one son and 4 daughters to mourn his departure. William on the homestead, and Mrs. B. Sharp, of Durham; Mrs. A. Wilson, Mrs. A. Redford, and Mrs. Wm. Adlam, of this township. The funeral was conducted at the house and grave by the Rev. Mr. Sharpe, of Durham. His remains were followed by a large cortege of relatives and friends to his last resting place, in the cemetery near Hanover, on Thursday. We extend our sincere sympathy to the bereaved family in their hour of sorrow.

It is with regret we again have to pencil the death of another old pioneer settler, Mr. John Alexander, who was called away on Thursday, 23rd, to a better land above. He was born in Glasgow, Scotland, in 1835, and in 1845 he sailed for Canada along with his parents, and landed in Kingston. After remaining there for a few years he moved to Bentinck and settled on lot 49, on the 3rd con. north of the Durham road, where he and his parents cleared out a home for themselves. In 1863 he married Miss Georgina Miller, and settled on lot 48, on the 2nd con. near this place, where they remained till about four years ago Mrs. Alexander departed to a better land, and Mr. Alexander lived with his family till death appeared again and claimed him for its victim. In religion he was a Methodist, and in politics he was a Conservative. The deceased was a kind and obliging neighbor. He leaves 3 sons and 2 daughters to mourn his departure, Harry, of Welbeck; George and James at home; Mrs. Alexander Campbell, of Mich., and Sarah at home. The funeral was conducted at the house and grave by the Rev. Mr. Sharpe, of Durham. His remains were followed by a large cortege of relatives and friends to his last resting place, in the new cemetery, Durham, on Saturday. The family have our sympathy in their hour of sorrow.

A Monster Marine Mammal.

No class of quadrupeds command so large a share of the people's interest and curiosity as the unique quadruped of the sea, except, indeed, it be the sea quadrupeds which are at the same time amphibious brutes. The fact of a four-footed animal living in the sea is curious enough of itself; but when this four-footed beast is footed with cloven hoof, a tail like an ox and horns like a land bovine, and can dwell as easily and as comfortably on the land as in the sea, there, indeed, is a wonder seldom—we almost said never—seen, and we will say it was never seen before in a show.

It is a wonder which few, comparatively speaking, of the amusement goers ever will or even can see, for so difficult of success and so costly an undertaking is the capture of it, so rare are the mighty monsters, now all but extinct, and so dangerous and hazardous is the hunt for them, that in all the history of the gone-before circuses of the world there has never been seen one on exhibition. This animal is the

MONSTER BOVALAPUS, to be seen only with The Great Pan, American Shows, which will positively exhibit at Durham, on Friday-June 7th, 1901.

PRICEVILLE.

Born—At Priceville on May 15th, 1901, to Mr. and Mrs. C. Bennett, a son.

Geo. Watson, Esq., County Court, visited friends in Priceville on Thursday last.

Councillor John A. Boyd, of Flesherton was in Priceville on Saturday last on lumber business.

Jas. McCrae, Esq., is starting up his lumber business here, and keep-

ing his men hustling these days. His brother, Hugh, joined him on Monday to assist in the work.

Mr. R. McGowan visited Priceville on May 24th, accompanied by Mr. Charter Smith, of Durham. They seemed to be interested in the ruins of the old grist mill. Hope they make a deal.

We hear that Mr. Alex. D. McLeod, who lately moved into Priceville, is seriously considering the purchase of the McGowan property here. We hope he will, as there is a good opening for a live man in the mill business.

We are pleased to hear that The Chronicle has secured quite a number of new subscribers from this vicinity this past week. The general opinion expressed by the public is that there is no more live, up-to-date local paper comes to this vicinity. How does that opinion suit you, Mr. Editor?

We hear that Mr. R. J. Conkey kindly gave some hay to a band of gypsies last week. They promised to return or pay for it next day, but left without performing that very necessary part of the transaction. Neighboring villages look out for them. They went towards Markdale.

There has been a lively time in the slab business this past week. All the available boys, old and young, have been at it. The pile at the sawmill is now distributed in all directions, much to the satisfaction of the sawmill men. We noticed a peculiarity in this slab moving, the chief engineers were all McArthurs. Curious, isn't it, how they come to the front? Push tells every time.

When we wrote a note in Priceville correspondence of a short time ago on the number of retired Farmers taking up their abode in our midst, we said nothing derogatory of them. We only called attention to the fact that such was the case, and stated that this would ultimately be an ideal spot for as many of that class of people as cared to settle here, knowing that when a number of people of the same class get together they generally get along better than a number of people with conflicting interests. As for acting as a busy body we leave that branch of business to the Priceville correspondent of the "Review" who has before this time posed as champion of the people of Priceville, for which he gets no thanks. As he is not a resident there we fail to see why he should poke his nose into matters that do not concern him. We presume that his experience in the census business has enlarged his bump of aggressiveness to an abnormal extent, and having got thoroughly used to poking his nose into other peoples' business he will find it hard to get down to honest rooting amongst his natural friends. We wonder how much sweat he lost in his census taking. We can see that he has not gained anything in brain power. It is a pity that such ability should go to waste. Would it not be possible to get him some position under the government, where his knowledge of interfering with what is none of his business could be utilized? We must not take up too much space with this windy individual, he has quite enough conceit already. Perhaps he can find us a lucrative situation, for which we would be pleased, but with him there must be a condition to get our pay every day at noon, and not wait for the calling of a meeting to ascertain whether we have earned it or not. As we have secured a situation it will be useless to continue the correspondence. However, when we return to Priceville we'll be loaded for him and attend to any funny work he may do to injure us during our absence.

Little but Searching.—Dr. Von Stan's Pineapple Tablets are not big, numerous doses that contain injurious drugs or narcotics—they are the pure vegetable pepsin—the medicinal extract from this luscious fruit, and the tablets are prepared in as palatable form as the fruit itself. They cure indigestion. 60 in a box, 35 cents.—35
