THE BIG STORE J. A. HUNTER

Money Back
If
You Want It!!

Year after year you find us here ready to do business with you in Wool, Butter and Eggs, and for Cash. The experience of one purchase should be sufficient to prove to you that we carry in stock almost everything you require, and after you buy an article, if it does not suit, you get your money back. We give you a neat check or bill with every purchase, showing what you bought, what you sold, how much money we received from you, and how much we paid you. These little items are interesting to know after you go home. There's no guessing about what you paid for an article, it's all down in black and white. Run over this list, take a pencil and paper and jot down what you want out of it, then bring your list to The Big Store. The careful buyer always brings a written list, of what's wanted. It saves time for both of us.

PRICEVILLE.

The great topic here this past week has been the sale of the McGowan property, which was accomplished on Saturday, Mr. Alex. D. McLeod being the purchaser. We have known Mr. McLeod for many years, and always found him an honest, hardworking and obliging neighbor. We hope he will have abundant success in the business he has gone into, and we are perfectly satisfied that if strict attention to business, square dealing and no interference with other peoples' business will do it, his success is a foregone conclusion. A hearty welcome is extended to him by his many friends in Priceville.

Mr. John McArthur of the Town Line, North, met with a serious accident on the morning of Saturday last. He lately purchased a Farm-worth boar from the Sproule farm, near Markdale, and on the morning mentioned he found the animal attacking a heifer. On going to the rescue, the boar turned on Mr. McArthur and ripped open the back of his leg, the wound being over three inches long and half an inch deep. It required five stitches to close the wound, and under the care of Dr. Boyle it is hoped that no serious results will ensue. Sentence of death was passed on the boar, and we expect it has been carried out. The heifer mentioned was also badly injured, and is being attended to by M. McIntyre, V. S., of Priceville.

Mrs. John Campbell and her daughter, Miss Katie, of the North Line, are expected to sail for Scotland on Saturday next, going by Allan Line Str. "Australia," from Montreal. We wish them a safe voyage and return, and hope to hear of them having a pleasant time in the "Land of the Heather."

Messrs. McCrae have got through their lumber business here. We are pleased to report that matters turned out much better than they expected. Mr. H. Watson and his assistant are this week putting on the finishing coat of plaster at the Commercial Hotel. This work will add another improvement to the hotel. New eavestroughing was also put on last week.

Another batch of new subscribers to the Chronicle this week shows that this paper is rapidly making gigantic strides in the opinion of the people of this vicinity.

FLESHERTON.

The residence of Mr. and Mrs. Robert Cook, of Ceylon, was the scene of a pretty wedding on Tuesday evening of last week, when their second daughter, Miss Mary Cook, was united in marriage to Mr. John W. Cashnie, of Kansas, U.S. The ceremony was performed by Rev. Jos. Ward, B. D., of this place, and was witnessed by about thirty guests who were immediate relatives and intimate friends of the contracting parties. The bride was attended by her sister, Miss Clara, and the bride's cousin, Mr. Thos. Glencross, supported the groom. The bride looked very pretty in a dainty gown of cream Bedford cord, trimmed with cream silk. She carried a bouquet of white carnations. After the ceremony and congratulations came the wedding reception. The bride's table and dainty menu being of the most inviting character. An evening of much pleasure ended with many good wishes for the popular young bride. The happy couple left on Thursday morning for their home in Kansas. The bride was the recipient of many very handsome presents among them being a beautiful gold watch and chain, the gift of the groom; \$100 in cash from the groom's father and a handsome new organ (in cash) from her own parents.

Active preparations are now going on for a monster celebration here on Dominion Day. That of last year was a pleasing and marked success, but the strong citizen's committee (R. N. Henderson chairman and Geo. Mitchell Secretary) who have the matter in hand expect to make this year's celebration go on better. The Trade's procession which was such an interesting feature last year will be repeated in the forenoon when a Calathumpian parade will also take place, a good prize being offered for the best turnout from Eugenia, Ceylon and Priceville. Bro. W. M. Wor. W. J. Bellamy, S. W. Bro. A. M. Gibson; J. W. Bro. F. W. Hickling; Treas. Wor. Bro. A. S. VanDusen; Sec. Bro. N. Henderson; Chaplain, Wor. Bro. Geo. Mitchell; Auditors, Bro. J. Blackburn and D. McTavish. A resolution of condolence was adopted extending to Bro. Rev. John Wells, of Holland, Manitoba, a former member of the Lodge, sincere sympathy in his present bereavement through the death of his only daughter. A committee was appointed to arrange for the annual picnic to be held this month at Eugenia.

The "12 Revenges" is the name chosen by our young sportsman for the football team organized here some days ago. Percy Bellamy was chosen Captain and H. D. Poddar Secretary. The boys are doing some vigorous field work and are open for matches with neighboring clubs.

A well attended meeting of the directors of the East Grey Agricultural Society was held in the Town Hall, on Wednesday of last week. The prime object, which is already a good one, was carefully gone over and some new lines are to be added. Other matters relative to the fair were discussed and \$2 and 27 were the dates chosen for the Fall Show.
