How to Grow

50 Bushels - Wheat to the Acre

Is what County of Grey Farmers would like to know. We cannot tell you, but we CAN TELL YOU that H. H. MILLER, the Hanover Conveener is lending money on good farm mortgages at lower rates of interest than you can borrow elsewhere, and on very liberal terms, and at small cost. That is the reason why people all over the country pass by other lenders and travel miles to borrow from him.

He Has Several Very Fine Farms For sale at very low figures and on very easy terms. Farm lands are bound to increase in price and now is the time to buy.

HE ALSO undertakes the collection of Notes and Accounts, and it is a pretty bad claim that he cannot make some money out of no charge for his trouble if not collected.

ORCHARD

Seeding is completed in this locality. Fall wheat is an excellent crop at date of writing, hay will be abundant and all other crops are looking well.

Mr. A. Bogle, who has been very ill for the past week, is improving under the treatment of Dr. Brown.

Two little girls of Mr. Hartford, who were visiting their grandfather, Mr. J. Calvert, were taken ill with diphtheria last week, but under Dr. Brown's treatment they recovered and have been running around for some days past.

Mrs. James Halliday, of Normanby, who has been laid up with a broken knee-cap, contracted inflammation of the lungs and was seriously ill for some days. She is now out of danger. Dr. Meikle, of Mt. Forest, is in attendance.

Mr. C. Blyth's sale came off all right, many things being favorable to the purchaser.

S. McGowan, of Normanby, was in Mt. Forest last week. He says he lost \$40.

The frost on Saturday night damaged early potatoes and some other vegetables.

The Statute Labor is on for another season. The ratepayers will not have much labor to do as most of it was performed in the winter shovelling snow. If the Councils of Egremont and Normanby would do their duty and compel the farmers who occupy one-third, and in some cases one-half of the road with their fences, to remove them, it would be a great advantage to the public, and there would be less drifting of snow. The members of the Council do not care to annoy their patrons lest they lose a vote, but if each councilman in his own ward would attend to this matter he would get double the votes next time.

DON'T FORGET ABOUT YOUR CORNS

If they give you pleasure and you have them as an adornment don't apply Putnam's Painless Corn and Wart Extractor, for in twenty-four hours they would be entirely removed and their beauty destroyed. Now this is known to nearly everybody, including your druggists; ask him if it is not so.

BOOTHVILLE.

Mr. John McQueen attended the Farmers' Institute meeting in Durham, and reports a very interesting and instructive programme.

Mr. Willie Wilson spent a few days last week visiting his sister, Mrs. Hugh Wilson, of Singhampton.

Mr. John Campbell put up a new fence along the front of his place, and finished by leveling the roadside so that a sleigh can get along the fence when the road is bare.

The people of this beat commence Statute Labor on Thursday, with Mr. Noble Wilson as pathmaster.

Mr. Findlay Clark visited Mr. F. Kinsman on Sunday.

Mr. Sam Lawrence was around buying timber on Friday.

We are glad to hear that Miss Mary Eccles is recovering rapidly.

YOU OUGHT TO KNOW THIS:

Bronchitic Asthma can be cured by inhaling Catarrhozone. So says Captain McDonald, of Kingston, Ont., who was positively cured, after years of suffering, by Catarrhozone.

Mrs. Dinsmore, Shubenscade, N. S., says: "Catarrhozone cured me perfectly of Bronchitis and Catarrh of the nose and throat."

Mr. Wm. Pollock, Blyth, Ont., says: "Catarrhozone positively cured me of Bronchitis."

Catarrhozone relieves quickly, cures surely, is safe, pleasant, and guaranteed to cure. Two sizes 25 cents and \$1.00. Druggists or N. C. Poison & Co., Hartford, Conn.

HENRY'S CORNERS.

Crowded out last week Well, Mr. Editor, the busy season is over for a while and I will try to look up a few items again.

Mr. and Mrs. T. Keith were visiting friends on this line one day last week.

The Masons are rushing up the walls of Mr. Robt. Matthew's house. They are almost through.

Mr. Wm. Lawrence made quite an addition to his house. We expect there is something going to happen. Never mind, Will, it's all right if you feel like it.

Mrs. Peter Brown, of Holstein, who has been visiting at Mr. Wm. Hunter's for the past two weeks, returned home on Saturday.

When a fellow comes forty or fifty miles to see his best girl every two months and stay two or three weeks people expect that he means business. So we expect to have a wedding to report before long.

Miss Bella Ferguson returned home Saturday after spending some months in Hamilton.

Mrs. Hastie and her daughter Mary, of Trarston, spent Sunday with Mr. John Allan.

Mr. and Mrs. Wm. Geddes were visiting at Mr. Andrew Henry's on Saturday last.

Mrs. Thomas Brown and daughter, Sarah of Holstein, but formerly of this part, are visiting their many friends around the Corners.

VALUABLE ADVICE TO RHEUMATICS

Eat meat sparingly, and take very little sugar. Avoid damp feet, drink water abundantly, and always rely on Polson's Nerviline as an absolute reliever of rheumatic pains. Being five times stronger than any other remedies, its power over pain is simply beyond belief. Buy a large 25 cent bottle to-day, test it, and see if this is not so. Polson's Nerviline always cures rheumatism.
