**HITS AND MISSES.**

Geo. Shires was at Neustadt Sunday and heard the Band play "Sweet Marie." He intends to buy it.  
The man who "never opens his mouth but he puts his foot in it," must have a big receptacle for his pedal extremity.  
We presume that Lacrosse derives its name from the skill exercised by some of the players in laying their stick across their opponents. The game is sort of an Acrostic.  
Everything published in a newspaper is supposed to be private till the paper is out. Even the office hands are pledged to secrecy, and don't you forget it.  
Faith-healer Dowie now says that he is the Prophet Elijah, which leads an American paper to remark that there seems to be a slight difference. Elijah was fed by ravens, but that Dowie is fed by "gulls."  
"Cleanliness is next to Godliness," must be the text considered by religious fanatics who spend all day Sunday in the river and take the rest of the week to doctor up a snubbed hide.  
We can't hinder people thinking, and if they think THE CHRONICLE is the best local paper of course we'll have to let them think so; and further, we'll give it for the balance of the year for only 50c. Come early and avoid the rush.  
A little girl visited recently at the house of a minister. After grace she remarked that her pa didn't say such a long blessing before eating. Whereupon the Minister asked what her pa said, and the child innocently answered that her pa just took the cover off the dish and said "O Lord, what a dinner!"  
Even the pious man that runs the Meaford Mirror has become tired of contributors who are trying to discuss the question of Baptism. He says it's just about as well to let people do their own thinking on such matters. In most cases if people would try as hard to be good as they try to make people believe they are good, they'd be good enough for anything.  
A few nights ago as a gentleman citizen accompanied by two ladies drove into town, after dark, a vicious looking tramp accosted them out about Hutton's Hill. Thinking his trampship had evil designs, one of the young ladies who handled the Hazel, spurred on the horse, but looking behind they saw the furious monster close upon them and rushing wildly forward. An additional incentive was given the horse, not too fast at any time, but now tired after a long drive. In the flight one of the young ladies lost a wrap unnoticed, and Mr. tramp picked it up. The hotly pursued chase was continued until reaching the creamery where John A. who was just returning from a trustee meeting went quietly to his home enjoying the joke immensely. The return of the wrap next day let the cat out of the bag, and the apparently evil pursuer still laughs so as to be heard a mile off when he tells the little story.

**Lacrosse Match.**

**The Aberdeens of Markdale Met Their Waterloo to the Tune of 14 Goals to 4 in Favor of Durham.**  
The first game of the Intermediate League No. 5, was played on the grounds here Thursday, when the Aberdeens from Markdale crossed sticks with the boys here. Never in the history of this place was a more skillful game played. Never before were the people of Durham more elated over the success, and never we saw advisedly did the lacrosse boys from Markdale get a more generous surprise.  
The visiting team was in first class form, and having on previous occasions beaten our boys they were fully confident of an easy victory with their splendid team of picked players from Owen Sound, Meaford, Brampton and other places. Our boys were all resident men, but they are all fairly good ones, and though the visitors were heavier and stronger, the way it was likely to go could be judged as soon as the ball moved out from the centre, and passed into the net after three or four of the most skillful tosses ever witnessed at a lacrosse match, the ball remained round the visitors goal and in just three minutes the vociferous and deafening yells announced a victory for the home team, the ball being passed into the net unnoticed by the goal keeper. Naturally enough the visitors thought this was a chance shot and felt quite confident that nothing of the kind would ever occur again. But the second goal was won in less than half a minute to the consternation of the visitors who began now to feel they had run up against something they never expected.  
The "Aberdeens" now put up a good fight and did excellent work making good combinations, and apparently determined to hold their own against all odds. In about ten minutes they made their first goal but the fourth was made by the "Durhams" in about three minutes. Another tussel of five minutes gave the visitors a goal. The sixth, seventh, eighth and ninth goals were made by the Durham boys, the tenth and eleventh by the visitors and all the rest by the home team. Twenty goals in all were scored, 16 by Durham and 4 by Markdale, but as one was disputed and the last one was made just when the whistle blew the official score was declared 14 to 4 in favor of the Durham boys.  
The Aberdeens are certainly a good team, and with practice will be able to put up an exceedingly fine game before the season is over. Every one of the boys handles his stick well, and at different stages of the game made some fine combinations at long ranges. In a close scuffle, however, our boys were too many for them, and it was here that the best work was done by the home team. The game from first to last was considered a good clean, honest exhibition of playing, and though a little one-sided owing to the superior skill of the Durham boys we hope the next time they cross sticks the match may be a little more evenly contested. The teams lined up in the following order:—

MARKDALE.	DURHAM.
Tuck.....Goal.....	Laidlaw
Stephenson.....Point.....	Mahan
Cameron.....Cover Point.....	Glass
Campbell.....1st Defence.....	Collinson
Hill.....2nd Defence.....	Meredith
Armstrong.....3rd Defence.....	McIntyre
Alton.....Centre.....	Collinson
Dundas.....3rd Home.....	Whitney
Milner.....2nd Home.....	Munro
Sproule.....1st Home.....	Winkler
Gibbons.....Outside.....	Briggs
McMillan.....Inside.....	McIntyre

**NOTES.**  
It wasn't much of a Waterloo for Markdale. They were only ten goals behind.  
They counted on a championship by winning the game here and two on their own grounds.  
Briggs is a daisy, and with any kind of show the ball goes straight home.  
It takes a good shot to send a ball in when Laidlaw is in position.  
Dave Winkler made some fine playing, and Dug Munro is a fine player in a scrimmage.  
Glass is a cricketer on the Lacrosse field.  
Doc Mahan doesn't take long to diagnose a case when the ball is round. He's a rough snag to run against, too.  
Tom Collinson is a killer when he gets right down to playing lacrosse.  
The ubiquitous Allie McIntyre was a hard man for the visitors to keep in sight of, and Campbell McIntyre put up a fine fight.  
Joe Collinson nearly fainted when he scored the first goal.  
Ad Meredith doesn't mind being

tramped on but he wont allow a fellow to stand long in the one place. He's a pretty husky chap.  
Whitney is a crack man, and can give his opponents a warm reception at close range.  
Referee Ramsay from Owen Sound gave good satisfaction.  
Lawyer Davidson and Billy Dundas were umpires.  
Bob Dewar looked after the finances, and Jimmy Park had his eagle eye on everything else.  
The gate receipts weren't as high as they would have been had a number of citizens who stayed away put in an appearance. They feel ashamed of themselves now.

**AT HYMEN'S ALTAR.**

On Wednesday afternoon at 7 o'clock at Aldersyde, the residence of Mr. Richard Edwards, banker, Cannington, the marriage of his daughter, Miss Mabel Lisbeth Edwards, and Mr. Archibald Crone McFarlane, of the Standard Bank, Picton, was celebrated. The ceremony, which was performed by the Rev. Malcolm MacKinnon B. A., brother-in-law of the bride, assisted by the Rev. Donald Martin, pastor of Knox church, Cannington, took place in the drawing-room in the presence of the immediate relatives of the family and a few intimate friends, the bride and bridegroom standing under the beautiful decorations of greenery, composed of bridal roses and ferns. The Mendelssohn Wedding March was played by Helen Kerr, of Pretoria. The bride who was given away by her father, looked very sweet and graceful in a handsome gown of ivory satin duchesse en train, with sleeves and gimp of tucked chiffon, the corsage being trimmed with rare silk applique. Her veil of tulle was held by a coronet of orange blossoms. She carried a bouquet of white roses and her sole ornament was a pendant of diamonds and pearls, the gift of the bridegroom. The maid of honor was Miss Ethel Edwards, sister of the bride, the bridesmaid being Miss Margaret Campbell, of Beaver Dam, Wis. They wore pretty gowns of pale blue taffeta silk, and carried bouquets of pink and white roses. The bridegroom's gift to the bridesmaids were pearl pins. Two little attendants, niece and nephew of the bride, preceded the bridal party. Little Miss Dorothy Edwards Amey was dressed in French frock of white organdie, and carried a basket of flowers, and Master George Ashton Weeks was dressed in a Fauntleroy suit of black velvet, and carried the wedding ring on a silver tray. Mr. Robert McFarlane, jun., and Fredric Richard Edwards were the groomsmen. After the ceremony the wedding breakfast was served in the spacious dining-room, which was beautifully decorated with the national colors and quantities of flowers and white satin ribbon. Mr. and Mrs. McFarlane left on the evening train for the eastern States, the bride wearing a tailor made gown of castor cloth, the smart Eaton coat lined with silk, opened over a blouse of tulle silk, and a hat to correspond trimmed with flowers and chiffon. Among the invited guests were Mr. Robert McFarlane, Miss McFarlane, Mr. M. McFarlane, jun., Mr. W. A. McFarlane, Mr. and Mrs. J. R. Hunter and Miss Jessie Hunter, of Durham, Mr. and Mrs. D. McFarlane, of Caledon, Mr. G. C. McFarlane, of Glenora, Rev. Malcolm and Mrs. McKinnon, of Hillsburgh, Mr. and Mrs. O. H. Amey, of Cannington, Mr. and Mrs. C. E. Weeks, of Woodville, Mr. and Mrs. Charles Plank, of Uxbridge, Miss Sarah Courtland, of Oshawa, Misses Lucas, Giths, Weeks, McNally and Henderson, of Toronto, Mr. Howland, of Richmond Hill, Mr. Osborne, of Ailsa Craig, Miss Effie Smith, Mable McEachern, Mary Hous-ton and Carrie Cowan of Cannington, Rev. and Mrs. Donald Martin of Cannington, Mrs. M. H. Chambers of Fenelon Falls, Miss Georgie Prior of Cannington, Miss Margaret Campbell of Beaver Dam, Wis., and Miss Lizzie Gillespie of Chicago.

Among the congratulatory telegrams received after the ceremony were ones from the different branches of the bank where Mr. Macfarlane had worked.  
The young couple will spend the summer on Glen Island, a summer resort near Picton. Among the many handsome presents received by the bride was the deed of a 100 acre farm from her father.

**Millinery.**  
Durham's Greatest Millinery House.  
Vastness! Variety! Value!  
Deservedly Popular. The great and increasing growth of our business is abundant proof of our popularity in the trade throughout the length and breadth of Durham. We are popular in every sense of the word. Through our courteous treatment and the liberality shown our patrons, and by our strictly business methods, we have earned the respect, confidence and goodwill of the trade in general. We are popular from the fact that our stock is by far the largest in Millinery and General Dry Goods. The correctness of our goods is undoubted, the value in every line in all departments is the strong argument that strengthens our popularity. It is ever in evidence, more so at this season of the year, when we are kept busy. Our millinery display is  
**Greater & Grander Than Ever.**  
We will exert ourselves to make your visit both pleasant and profitable.

**THE** Glenora Picnic, an interesting annual event, is advertised for Saturday next. The usual program of sports and a number of prizes have been arranged for. Everyone is invited. Admission only 10 cents.

**IF** we come down like a thunder bolt on all the four year delinquents in town who can blame us now? Ample warning has been given and some of our readers say they must have hides like a rhinoceros to remain unmoved by our pressing invitations. This is a straight hit and means you if you are four years behind. Pay up.

**THE** Cement Co. has about a dozen teams hauling stone. Mr. Falkingham has everything in readiness to board the workmen as soon as operations begin on the dam at Hayward's. A big addition was made to the stock last week at the head office. A Directors' meeting will be held here in a few days when further plans will be made known.

**LISTEN!** Old and young, rich and poor, bachelors and old maids, widowers and widows and grass widows, farmers and mothers, millionaires and milliners, single and married and those intending to get married, all ranks and stations in life, listen, listen we say! The Chronicle for the balance of the year will only cost you half a dollar.

**THE** Conservative Convention announced by posters to be held here on Monday will, it is hoped, be a representative gathering from all parts of the constituency. Mr. Foy, M. P. P., of Toronto, will be present and as he is a good logical and impressive speaker, a profitable meeting is assured to those who attend. Mr. Richardson M. P., Mr. Lucas M. P. P. and other prominent representatives of the party will also be present, and deliver short addresses. The meeting will open at one o'clock.

**CONSIDERABLE** anxiety was felt at the home of Conductor Lavelle since Saturday evening last when his little boy Louis was taken down with membranous croup. For two or three days his recovery was considered doubtful, and Mr. Lavelle lay off to be at the bed-side of his sick boy, the train being taken in his absence by Joe Brennan. We are pleased however, to report that at the time of writing the little fellow is out of danger. We understand that the trouble was caused by the boy getting wet and not changing his clothes.

**TWO** or three times during the past couple of days complaints have been made that a Grand Trunk Time Table does not appear in the columns of our paper. In answer to this we would say that while we would be delighted to give such information to our readers we see no reason why a big concern like the Grand Trunk should get free advertising more than some of our small business men. Inasmuch, however, as the insertion of a time-table would be a liberal news we might be induced to liberal terms for the sake of it.

**Listowel Race Meet.**

When the horses reach Listowel on the 26th and 27th of June they will have had work enough, and be in shape to go out after the money. The purses, \$400 each, are large enough to be an inducement, and with a full entry of all the best horses in each of the four stake races already closed, from 6 to 17 entries in each race, the best racing meet of Western Ontario is a certainty. Large strings of running horses will also be present and in all there is sure to be over 100 fast horses at the meeting.

A prime attraction will be the presence of the world-famous band of the 48th Highlanders, in full national costume who will play during the day in the park and give grand concerts each evening at the rink.  
Fare and one-third rates will be given on all railways to Listowel from the 26th to the 28th June. The committee are making arrangements to accommodate comfortably the crowds that are sure to come.

**Cricketers Re-organize.**

On Monday evening last a number of our cricketers met in Mr. Telford's office, and re-organized for the season with the following officers:—

President, John Robertson.  
Vice-President, Dr. Hutton.  
Sec.-Treasurer, Jas. G. Park.  
Captain, J. P. Telford.

When our boys get into playing shape, they expect to have exhibition games with their old opponents, Owen Sound, and other teams.
