Rev. Dr. Fontaine. of San Francisco, whom we referred to in our last correspondence, delivered his famous lecture, "1000 miles on a camel's back," to a good sized audience in the Presbyterian church on Wednesday evening last week. Mr M. Richardson, M. P., was called to the chair, and in a pleasing manner introduced the speaker, who for two hours, at times in conversational style and at other times in rhetorical age. flights, took his audience with him in his 110 days travels over the sands were vi itors at Mr. W. O., On tine, until he arrived at Jerusalem, which was described as the filthiest city on earth. The lecture was both interesting and instructive. A vote of thanks was tendered the speaker at the close. Dr. Fontaine sang two solos, one of which was rendered in the Arabic language. He also exhitited a beautiful oriential costume, the pattern of the seamless coat worn by our Saviour. Dr. Fontaine will lecture in the Methodist church on Wednesday evening of this week, on "The sublime and the ridiculous in Palestine."

Eight of Principal Slaughter's pupils wrote at the Leaving Examination, six of whom were successful, namely, Elia Barnhouse, Bell Ranton, Flossie and Myrtle Thurston, Fred Lever and John Teeter. Lily Thistlewaite, of Mr. Reid's school, east of the village, was also successfull, Congratulations to all.

"Why some people go to church was Rev. Ivison Wilson's theme in he Methodist church on Sabbath evening last. Mr. Wilson selected for his text Ps. 27: 4, and in the course of an excellent sermon elabor ated several reasons why the Psalmist loved lo dwell in the house of the People want comfort in Lord. David found the sanctuary a place of safety, of communion, of admiration, of instruction and a place to get it is to wear either | to receive power. These, Mr. Wilson contrasted with reasons some people have now-a-days for going to church. Some go to church thinking that in the act there is a kind of saving ures and sold same price ordinance; some go because of habit; some for entertainment, and yet others for social or business considerations, the baseness of which were, people do not go to church" will be the scene of the accident there.
