## THE SLATER SHOE.

### BASICS

What the foundation is to a building—the sole is to a shoe—basic, fundamental.

In sky-scraper, or foot-wear, the covered up base, that which is least seen is of greatest importance.

No single item in a shoe costs so much as the best sole leather, and no part can be "robbed" so easily, without revealing it to the eye.

Paint and polish cover equally the best, and the worst, sole in the finished shoe.

Wear alone tells the consumer (too late for remedy) what grade of leather has been put into it.

This is where the "Slater Shoe"—the slate frame "Slater Shoe"—steps in, to eradicate lottery.

As the Slater Shoe Makers brand their own price on the sole of every pair, they thus become directly responsible to the Wearer up to that price, for its durability and shape retention, in addition to its window appearance.

They dare not rob the vitals of the shoe to put the plunder into the mere selling points—into surface value, and finish chiefly.

Goodyear Welte'd and priced on the sole, \$3.50, \$5.00.

### "The Slater Shoe"

We have the exclusive agency of this Shoe. It sells at \$3.50 and \$5.00 per pair. Come in and see our stock. We want you to try a pair for luck. Once you wear a Slater you will always wear them.

### FLESHERTON.

On Friday afternoon last there was a good turnout of our citizens at the Public School when Principal Slaughter, who that day severed his connection with the same, was given a hearty send-off not only by the speakers hereafter mentioned but by the scholars who had, all on the quiet, prepared a pleasant surprise for him. Trustee Bellamy was called to the chair and conducted the proceedings in a pleasing manner. A lengthy program of readings, recitations and songs was given by the scholars and addresses in which many compliments were paid Mr. Slaughter were given by Mr. George Mitchell, trustee, M. K. Richardson, M. P., W. S. Christie, M. D., Editor Thurston, Principal Rowe, of Markdale, W. D. Mills, of Durham, and Mr. Fawcett, the new Principal who nine years ago was a pupil of Mr. Slaughter's. Mr. Mitchell and Mr. Richardson in appropriate terms presented certificates to the successful pupils in the Entrance and Junior Leaving classes respectively. The event of greatest interest to the scholars was that of presenting to their retiring tutor as a token of their good-will a beautiful writing desk with outfit complete accompanied by an appropriate address read by Miss Jennie Wilson. Mr. Slaughter was visibly affected while thanking his pupils and warmly expressing his appreciation not of their gift only but of all the kindnesses shown him by the community during his sojourn here. Mr. Slaughter left on Monday for Listowel and will be followed this week by Mrs. Slaughter and the children. Miss Grant, of Durham, has been

engaged for the intermediate form in our Public School to take the place of Miss Stafford who, unfortunately, was not successful at the recent examination for 2nd class certificate. Many regrets are expressed for Miss Stafford who had made a very favorable impression in the School. She is reported to have failed only on one subject and will appeal. Division Court was held here on Thursday last. His Honor Judge Morrison presiding. The sitting would have been short but for one case in which voluminous evidence occupied the attention of the Court two hours and a half. Suit was brought against a pathmaster for \$60 damages for cutting down shade trees on the roadside opposite plaintiff's farm. Judgment was reserved which upon being handed out we shall give for the benefit of pathmasters and others who may be ignorant of the law on this point. Mr. Joseph Smith has disposed of his neat property on Collingwood St. to Mr. Jos. Cornfield, of this place. Mr. Smith is, we understand, going to Chicago to reside. The trustees are having the exterior woodwork of the Public School building re-painted. Mrs. Stocks, who for some time has occupied the Baptist Parsonage, has joined Mrs. Boyd Thompson in her dwelling across the street. Mr. Harry Down and family who recently came from Cleveland, have settled in Mr. Fawcett's house on Spring street. The Public Trustees have about completed their sidewalk improvements for the season and have made

a very creditable showing for the expenditure. Mrs. Irwin, Sr., east of the village, has been suffering for some days from a severe fall on the floor of their own house. Mrs. Irwin slipped on an apple peeling, and having her grandchild in her arms, fell backwards with great force. Rev. Iverson Wilson had the misfortune to break one of the axles of his buggy while driving home from his Mesford Road appointment on Sunday. Though driving at a good pace no other damage was done, and a borrowed buggy carried him safely home. Rev. John Stafford who is visiting here and Mr. T. A. Rodgers, Secretary of the Y. M. C. A., Hamilton, preached in the Baptist and Presbyterian Churches respectively on Sabbath last. Mr. Stafford addressed many old friends who were pleased to hear him again and Mr. Rodgers' impressive sermon was greatly enjoyed by the Presbyterian congregation.—Rev. Mr. Wilson drew lessons from the Pan American to a large and interested congregation in the Methodist Church in the evening. Labor day was not observed as a holiday here and business moved along in the usual way. Mr. Thorp Wright, of Toronto Junction, visited old friends here on Thursday last. Mr. and Mrs. John Johnston and Mrs. Henderson, Sr., of Dandak, visited Dr. and Mrs. Murray a couple of days last week. Mr. and Mrs. T. A. Rodgers, of Hamilton, were the guests of Rev.

L. W. Thom, part of last week and this. Mr. Thom, Mr. and Mrs. Rodgers, Mrs. Watt and Mrs. Blackburn drove to Arthur and visited friends Friday and Saturday last. Keefer, of Washington, Ont., is visiting here this week and locking after the erection of a monument which is being placed at the grave of his father by Gulleets & Sons, of Toronto. Mr. W. L. Engelhardt, Inspector for the Boys' Home, Stratford, was in town over Saturday and Sunday a guest at the Maize. Mr. J. Malcolm, of the Stratford High School Staff, was the guest of Mr. and Mrs. Carr Thursday and Friday last. Mr. Lorenzo Norris, of Woodstock, visited his mother, Mrs. W. White. Mr. and Mrs. Limin, of Durham, visited Saturday and Sunday at Mr. and Mrs. M. Wilson's and were accompanied home by their daughter Flossie and Miss Susan McClocklin who visited the past three weeks with their aunt, Mrs. Wilson. Miss Annie Howard is taking a well-earned holiday with friends in Toronto. Miss Ranton left last week to visit her uncle, Dr. Leitch, in Toronto. Mr. Wm. Firth had a handsome blue granite monument erected over his daughter Kate's grave last Monday, and Mr. Wm. McNally a snow-white tablet over the remains of his, lately, interred loved one. The graves of the two Kates bring tears to many an eye. The stones were from the Walkerton Marble Works. Messrs. Jim, Joe and Frank Haley are doing good threshing on the 6th, at present, while McNally Bros. and engineer John Cliff are cleaning out the barns on the 8th. Mr. and Mrs. Edwin McClocklin, of Durham spent Sunday at the old home on the 4th and were over to Zion's afternoon service. The two score Zionites, who were out to the "At Home" at the Methodist Parsonage on Friday evening report having had a most enjoyable time. Miss Mary Reed returned to Walkerton on Monday after visiting among relatives here—for the past three weeks. On Friday we had the pleasure of renewing old acquaintance with Mr. Duncan Marshall, the brilliant and affable organizer of the Reform Party for Central Ontario. Dunc was a bright boy in the College days twelve years ago and has developed wonderfully since in physique, politically, intellectually and, also, in the world of finance. He and Mr. George Binnie were making calls on the "Good Grits" as Marshall put it. Just an hour before writing this budget, word came that Mr. Paul Nelson, Sr., died at 3 o'clock on Sun-

## How To Gain Flesh

Persons have been known to gain a pound a day by taking an ounce of SCOTT'S EMULSION. It is strange, but it often happens. Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made. A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

day evening, so we have little chance to give particulars. Mr. Nelson has lived for a third of a century on lot 10, con. 5. During that time he has made for himself and family a most comfortable home and to-day the old spot is a model of neatness and comfort. To Mr. and Mrs. Nelson were born five sons and two daughters, namely, James, who lives near on the Lauder farm, Paul, Tom and Rob at home, Will, down near Galt and Mrs. Rutherford, of Dumfries, and Mrs. Tom Jackson, of Bunesau. Deceased in his youthful days was a noted athlete and had few equals as wrestler, but some years ago while logging in a swamp he had his system wrecked by poison-ivy. Since, then, he never regained the old vigor. He has been going into a decline for some time and about a week ago took to bed. Mr. Nelson has over taken an active interest in school, municipal and political life. He was a good neighbor and leaves many warm friends behind. In politics he was a staunch Liberal and his religious faith, strongly welded Presbyterianism, the bereaved wife and family have the sympathy of a wide circle of neighbors and friends.
