JNO. A. DARLING

CHEMIST AND DRUGGIST.

W. IRWIN, Editor and Proprietor.

PRESIDENT M'KINLEY.

"President McKinley died September 14th, 1901, at 2:15 a m."

A few short days ago, a thrill of the Presidental chair. horror and indignation swept through the whole of the civilized world when the electric wires flashed to every quarter of the globe, the dread news of the dastardly shooting of the Chief Magistrate, of the great Reden: McKinley, of the United States of America, breathed his last consider the hypothesis as nonsen-brothers and sisters. at the Milburn House, in Buffalo, at | sical. a quarter pased two. on the morning of the 14th instant; treacherously A despatch from Rome dated Sept. great nation of its Executive Head, ed his condolences to Buffalo. and plunges it into an abyss of sorrow and grief, that will take a long time to eradicate. Despite all the attention and care of the most illustuous physicians, and trained nurses, that

of the late President, and to the obstruction to the sidewalks? We Nation as a whole, in their sad think it would. afflection.

We beg respectfully to tender to Mrs. McKinley and the relatives of the deceased President, our sincerest and heartfelt sympathy and condolence in their sad bereavement. Trusting that the Almighty Power, the United Kingdom; larger than C. P. H who in his ommscient wisdom, has seen fit to remove the illustuous head of their family and of the Nation, will support and comfort them in their sorrow and distress.

THINK IT OVER.

It may be a little early to talk of municipal politics, but as the subject is more attention than it mally gots through the press. nce the matter and invite the

opinion between now and the time of states that there are one million the election. In our opinion the square miles of practically unexplor-election, even of municipal officers, ed territory in the Dominion. is too important a thing to be trifled | Canada has over eighteen thousand in every sense of the term to dis-DRUG TORE charge the duties of municipal government for the best interests of the electors. We have always made it a rule to submit peaceably to the will of the majority as expressed by fully confident that majorities are often wrong. Like other municipalities, the town of Durham is growing in importance, and with projected School Books and all improvements, and others that are likely to follow, it behoves the ratekinds of School Sup- payers to consider seriously the A new stock question of a council for the year 1902. We want to see the very best of all kinds just ar- men procurable at the head of our
