The third picture next week we expect to give some- is a grand suprise. We have all heard of the renowned Gainsborough The good will of Mr, Layton in his picture, the Duchess of Devonshire, the picture stolen and recovered aiter 25 years and recently purchased by J. Pierpont Morgan for \$75,000 cash. The publishers of the Family Herald are giving each subscriber this season a beautiful copy of this historical picture, 22x28 inches, in ten rich colors, same as the original, along with the pictures of the King and Queen. All three pictures and a year's subscription to the best Family paper on this continent for one dollar is certainly a big dollar's worth. The plates of the King and Queen will be a surprise. No such plates were ever given with

S. F. MORLOCK

Our Millinery Trade this fall is more promising than ever. We have created a splendid impression in our Millinery department, and those who know, tell us that the showing is one of the handsomest that could possibly be arranged for. Of course you don't expect anything different from this store, for you look here to find the choicest that can be procured in whatever we undertake to sell, and price and quality considered always the lowest.
