The Evidence All In---Addresses by Counsel and Judge-Verdict of the Jury.

John Sifton, brother of the late Joseph Sifton, and uncle of the prisoner, was called as a Crown witness, was to account for the blood on the but gave good evidence for the de- ladder up which Joseph Sifton climbfence. In the first place he said that ed to the trap door. Harry Smith, Gerald Sifton did not, as far as he a sheep skin dealer, explained that was aware, know of the contents of he had brought sheep skins, some of Joseph Sifton's will. He said furth- them bloody, down that ladder er, he had never asked for an in-

In cross-examination Mr. Johnston got the facts about the famous butter paper &ill, made on the night before the tragedy, before the jury, and all about Edgar Morden and his doings with it. John Sifton had entered suit against Morden and gained a verdict, having proved that the butter paper will was a forgery.

By John Waters, Registrar of Middlesex, it was attempted to prove that Gerald Sifton was financially involved, and in such circumstances that the death of his father would afford great relief and a great inheri- Sifton say on the morning of the tra-

Mr. Johnston objected. He pointed out that there was no evidence that Sifton knew the contents of his father's will.

The Court upheld the objection. David Leckie identified the knife found in the straw in the Sifton barn mow as the one he had lent Joseph Sifton a few days before his
