Children's Fertilizer.

That's a good name for Scott's Emulsion. Children are like young plants.

The nature of some children prevents them from thriving on ordinary food. Such children grow right if treated right.

Fertilizers make things grow. That's just what Scott's Emulsion does. It makes children grow in flesh, grow in strength, grow rich blood, grow in mind, grow happy.

On Sunday morning, Oct. 6th, Mr. Joseph McNally, of the 2nd con., might have been seen with the big family bible inscribing the birth of daughter No. 2. The group of boys out here, think that it's going to be quite a tramp out to Messrs. D. Edge's, George Ritchie's and other daddies of daughters out there.

Bronchitic Sufferers.

Act foolishly. If they improve over so little when the fine weather comes, they relax and drift back into the old condition which if possible, becomes more chronic. Hit Bronchitis hard in the summer and you'll get rid of it and drive it right out of the system.

FLESHERTON.

The only note of regret we have to make concerning Trooper Mulloy's lecture given here on Thursday evening last is that it was poorly attended. Usually this community moves when anything patriotic is offered, but on this occasion (perhaps for lack of time to advertise) there was no usual response which was to be regretted not only for Trooper Mulloy's sake who gave a big quarter dollar's worth of genuine entertainment, but for the Public Library management under whose auspices he came.

The Wingham Advance has been enlarged from a seven column to an eight column eight page paper. The increase in size being due to the demand for advertising space.
