DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, NOVEMBER 14, 1901.

BACK FROM IRELAND.

Mr. James Matthews, of Egremont, who left here less than three months ago for a trip to Ireland, returned to his home on Monday night of last week much improved by his ocean trip and the invigorating breezes of the Emerald Isle.

The objective point of his visit was in the County Down, and, though forty years, have elapsed since Mr. Matthews left, he sees little change in the general appearance of the place more than in the degeneracy of population, and the enlargement of farms in that part of Ireland.

Speaking of the crops Mr. Matthews informs us that the yield was good in all kinds of grain crop, but the straw was short and pastures light, very little rain occurring until late in the season. He also mentioned the potato crop, but refused to tell us of the immense yield which he said would not be believed if published, and even for our own private information he would tell nothing more than that he had never seen anything like it.

The trip over was an ideal one, the weather being fine all the way, but the home-bound voyage was exceedingly rough and a great amount of sea-sickness prevailed, particularly during the early part of it. There were on board 564 steerage, 110 second cabin and 53 saloon passengers. On the first evening after leaving Liverpool on the home voyage all sat down to supper, but "Oh what a difference in the morning," and on the second evening Mr. Matthews and four others were all that could muster up courage to attempt their evening meal, and let us just say that for the whole voyage Mr. Matthews was ready and able to do justice to every meal and hadn't the first inclination to sea-sickness. The Atlantic billows couldn't turn Mr. M's stomach, nor cause a sufficiently strong peristaltic action to drive him away from the meals he paid for in advance.

Among the passengers coming over were an Indian Prince and his retinue, twenty-eight in all and four of the African Light Horse Cavalry returning from the war.

Mr. Matthews on leaving took the wise precaution to have THE CHRONICLE forwarded to the home of his friends in Ireland, and the paper that left here the same day he did got to its destination a day ahead of him which shows our readers the fast mail services enjoyed by the publisher of this great leading local paper.

In conclusion let us publicly thank Mr. Matthews for his kindness in presenting us and the members of our family each with a souvenir from old Ireland, given with good Irish hospitality, presumably because of our Hibernian origin, as well as our good looks and winning ways.

WANTED.

Responsible Manager (Integrity must be unquestionable) to take charge of distributing depot and office to be opened in Canada to further business interests of old established manufacturing concern. Salary \$150 per month and extra profits. Applicant must have \$1000 to \$2000 cash, and good standing. Address, Sup., P. O. Box 1151, Philadelphia Pa.

TOP CLIFF.

November's chilly winds made the fields and forest bare. The fine weather we had during the fall is taking a change, and soon we will be enjoying the comforts of winter as time is on the flight, and another year will soon be ended with all its joys and sorrows.

The most of the farmers are nearly done ploughing. A number of our young men here are away into the timber woods for the winter.

Mr. Farquhar McKinnon is home from the lower settlement where he spent the summer months.

Hallowe'en was observed in the usual way by some little tricks of no account committed by the boys.

Miss Leeson resumed her work as teacher again on Monday of this week in our school, she being absent since her sister's funeral, three weeks ago.

Mr. Finlay McPhail finished his season's threshing at Angus Hooper's this week.

Mr. and Mrs. Dougald McGill, of Hamilton, visited at Mrs. McGill's sister, Mrs. McDougall, of this place, for a few days last week.

Councillor McCannel attended the Council meeting at the Town Hall on Saturday, the 9th inst.

Complaints are made by some members of the Disciples' Church, Priceville, on some of the youths of that place throwing stones at the windows of the church, and committing other deeds of an unbecoming nature. In respect to themselves and the church, we hope to hear no complaints in future.

Miss McDonald (Hugh's) had a gathering of a social nature on Monday evening of last week, when all present enjoyed themselves as best they could.

Mrs. Black, of the north line, visited her daughter, Mrs. P. Sullivan, recently.

Mrs. Neil McDonald's sale on the 30th Oct, went fairly well under the hammer of auctioneer D. McCormick, of Priceville.

Collector Arrowsmith paid us his annual visit. This will be his 20th year as collector in ward No. 2, Glenelg.

Willie McLeod spent the most of the fall working at the Cement Works in Durham.

Miss McCannel, of No. 1, Normanby, was at home for a day or two last week.

Mr. Courts has his house veneered and looks well.

Rev. Mr. and Mrs. Campbell, Dromore, visited at Hugh McKinnon's one day lately.

Rev. Mr. Matheson held Prayer Meeting, recently, at the house of Mr. J. McKinnon, and it was largely attended. Those meetings are generally well attended.

Joseph and Arthur Sealy are after finishing a fine stone building; for what purpose it's for we cannot say. Joe says it's a poor house. If so, Joe's hospitality will be rewarded with "Blessed are the Merciful for they shall obtain mercy, &c."

Ned Harrison rented Mrs. Neil McDonald's place for a couple of years. Ned is in the butcher business also, and is doing well.

Joe Campbell had a house warming one evening lately, after moving into his new and commodious dwelling.

Mr. Vanse received a letter from his son in Manitoba stating that frost was 5 inches deep into the ground on Monday, the 4th inst., and icicles hung to the horses of considerable length.

Archie McCuaig is busy putting cement floors in his stables at present.

Thos. Fisher bought Veterinary McIntyre's five acre park lot, Priceville, a few weeks ago.

Mr. and Mrs. Allan McKinnon, of Durham, visited their son, Dan, one day lately, and other friends on their way back.

Mr. John Nichol's new house is nearly finished, and reflects much credit to the builders and owner.

Paring at J. McDonald's one evening lately, when about two dozen young men and ladies worked well till eleven o'clock stringing a lot of apples.

We hear of Archibald McCuaig's name as being a probable candidate for the treasurership of Glenelg at the event of Mr. Edge's retiring. We can vouch for Archie as an excellent man for the position in all respects.

Miss Maggie Hooper, who was laid up for nearly three months with typhoid fever, we are happy to say, is getting well again.

A HEALTH POLICY

Mr. Sabin insures himself against the ravages of Indigestion and Dyspepsia. Dr. Von Stan's Pineapple Tablets is a safe "Policy" to carry. They prevent and cure, act quickly and a convenient "vest pocket" prescription.

The Baby Sick?

Then probably it's a cold. Babies catch cold so easily and recover so slowly. Not slowly, however, when you use Vapo-Cresolene. Then a single night is all that is necessary for a cure. You just put some Cresolene in the vaporizer, light the lamp beneath, and place near the crib. While baby sleeps he breathes in the healing vapor. Cold loosens, inflamed membranes heal, and all trouble ceases. It's a perfect specific for whooping-cough and croup.

Vapo-Cresolene is sold by druggists everywhere. A Vapo-Cresolene outfit, including the Vaporizer and Lamp, which should last a life-time, and a bottle of Cresolene, complete, \$1.50; extra supplies of Cresolene 25 cents and 50 cents. Illustrated booklet containing physicians' testimonials free upon request. Vapo-Cresolene Co., 180 Fulton St., New York, U.S.A.

Recommended and Sold by MacFarlane & Co., Druggists, Durham.

TRAVERTON

The weather and roads have been and are wonderfully good for this season of the year.

Zion's services are proving a blessing to many.

Miss Nellie McNally, of Grand Rapids, Mich., arrived home on Friday, and will remain all winter. She is hearty and looks well.

Miss Abbie Robson leaves on Thursday for Toronto, there to remain a few weeks.

Mrs. D. McFarlane, of Caledon, and Miss Jessie are expected up to the old Edwards' homestead on Thursday.

It was a nice surprise Mr. Dick Davis gave the home folk on Saturday when he arrived from Manitoba. Dick is in excellent health and spirits, and did well financially by the trip.

Mr. Will Dunsmore and his sister, Clara, who have spent the past month visiting among relatives out here and in Bentinck, return to their home in Hamilton this week.

There was a raffle shooting match in the barn on Saturday afternoon under Dan Murdock's control.

Misses Milly and Clara Cook, of Cayton, were visiting grandpa and grandma Cook on Sunday.

Mr. Sam Jack and his bride of a year, came up from Brantford on Thursday to visit the old home here. Sam has developed into a fine handsome specimen of manhood, and has been most fortunate in his choice of partner. He is a moulder in that busy city, and owing to press of work was only able to stay till Monday morning. The old home is full of rejoicing these days.

We'll write up a Golden Wedding next week.

EGREMONT COUNCIL.

Council met Nov. 1st, Minutes sustained.

Walls—Robb—That Dr. Jamieson's acct attendance on Mrs. S. J. Hill be laid over till next session.—Carried.

FROST & WOOD.

Every farmer has some choice, but there is no machinery so universally in favor as that manufactured by the Frost & Wood Co., of Smith's Falls, Ont. We have the local agency for the goods manufactured by this firm, and as they are so extensively known throughout the Dominion, it is not necessary to say anything by way of introduction. Before buying, however, we may be permitted to suggest, the wisdom of examining our goods, which sell at sight in many instances. See them.

Our No. 3 Open Back Binder is a Leader in the Market.

We also carry a full line of Mowers, Rakes, Champion Seed Drills, Disc Harrows, Cultivators, in short everything a farmer needs on the farm or in the house. The Standard Sewing Machine carries with it a five-year guarantee. Everybody knows the McLaughlin Buggies and Cutters, the Gray Buggies of Chatham, and the Armstrong Buggies of Guelph. We have them all, give us a call. Don't forget we have the National Cream Separator and Famous Threshers made by White & Son.
