EUGENIA FALLS.

The feature for which Eugenia is

most noted and oftenest visited, is

considerable stream of clear cold

water, plunges over a precipice of 70

feet, in one unbroken sweep, The

view, especially from below, is sub-

lime. The rocks are precipitous on

either side, and on the northern side

considerable height above the Falls.

The descent into the wild ravine be-

low is attended with some difficulty.

Harvest is over and you will now be arranging your businees affairs.

SOME OF YOU will want to buy more land. I have a lot of good farm properties for sale. Some of you will want to sell. I can likely sell for you, and if I make no sale I make no charge. Some of you will want to trade. I own some good town property and a farm or two and am always ready for a fair exchange. Some of you will want to borrow money. I have just received a letter from parties having a large amount to lend at very low rates. Some of you have a lot of old notes and accounts that ought to be collected. If you will bring them in I will try to get the money for you and will make no charge if I collect no money.

If you want Deeds, Mortgages, Leases, Wills or other writings drawn
