afterwards but stay small and sickly.

It is worse to see a blight

will doubtless improve with practice.

The King's birthday on account of the season and the near approach of Thanksgiving Day was not observed as a public holiday here. Some loyal citizens floated their flags but the Town Hall and Public School flag staffs stood nude all day which we are sure was rather of neglect than disloyalty on the part of those in charge. "Long live the King," from our hearts say we all.

Real estate is on the move here. Last work.

But some of them don't get of Artemesia and lived on the back line north of veneered dwelling house containing four
