THE Durham Lacrosse Club intend giving a high-class concert here on Tuesday evening, Dec. 3rd. They have secured Mr. W. J. A. Carnahan, Baritone, of Toronto, to sing. Mr. Carnahan is considered, by all who have heard him, to be Canada's leading Baritone. In addition, Mr. Geo. Smedley will give several musical selections on the banjo, mandolin and guitar. Miss Whelpley, of Mount Forest, will be the accompanist of the evening.

MR. THOS. WHITMORE, of Fort Peck, who has been up there since the son of John Whitmore, of Mount, is here on a short visit to his friends in the vicinity. Mr. Whitmore is taking up with the character of the place which as a farming and grazing district, he says, will suit Grey County or Manitoba flow. His home is only two or three miles from Rainy Lake and the same distance north of the River. He intends taking a load of cattle that he may take to some extent in stock-raising. This is only the third visit Mr. Whitmore has made since leaving the Rainy River District nineteen years ago, nine years having elapsed since his last visit.

THE Passion Play was presented in moving pictures here on Saturday Monday nights last. It was under Trinity Church auspices. E. A. Callerton, who is meeting good success in many places, pictures give a good representation of various incidents in the Life of Christ, and illustrate impressively the suffering and crucifixion and death. The representations with them a highly moral and line from first to last, and is much more deserving of patronage than nine-tenths of the shows and almost, if not all, immoral shows gotten up to tickle the fancy of the element to whose depraved tastes the most of them seem to be catered. The views of Ireland, illustrated by the stereopticon, and moving scenes of incidents in the American War were as good as any of the kind we have seen. These travelling concerns, however, the Passion Play should come in for a

WE REGRET to learn of the unfeebled condition of Mr. Wm. McCulloch, of Vickers, who has been almost helpless for the past thirteen weeks, with little change towards improvement.

THERE died on the 27th day of Oct., in the township of Glenelg, in the County of Grey, one of the old settlers and pioneers of this County, in the person of Mrs. Margaret Hartford (nee McCaig). She left her surviving Christopher, who is now in Owen Sound engaged in the C. P. R. works there; Elizabeth Ann (now Mrs. Brennan) living in Benton Harbor, Michigan, U. S. A.; Mary Ann Hogan, of Owen Sound; Edward John Hartford, of town, (the contractor); Bernard Hartford, of the township of Glenelg, (the homestead place) where the subject of this sketch died. Her brother, Bernard McCaig, died about 8th day of August last, at the age of about 88 years. There are several brothers and sisters who have predeceased Mrs. Hartford, and some who are still living. The funeral took place on the 30th October to the New Cemetery at Pomona. The officiating Priest was the Reverend Father Hauck.

IT SEEMS from some of our Exchanges that Mr. Carnegie is offering funds for the enlargement of the Guelph Public Library, and that the city is in a quandary as to whether or not they should accept it. Now it is well known that the generous multi-millionaire has decided to give away all his money, and that his income is so great that he will have difficulty in disposing of it during the rest of his life. Why the pernickity denizens of the Royal City should have any compunctions of conscience in the matter is a question that would baffle our council. We'll bet ten to one if such a proposition is placed before the Council Board here its acceptance will be moved by Archie Hunter and seconded by John Livingston in less time than it takes to say Jack Robertson, and, furthermore, we'll put up another five to one that Mayor Calder won't offer a dissenting voice. There is such a thing as being too independent, and a certain amount of independence is a good thing to carry around, but if Mr. Carnegie turns his attentions our way and sends along a cheque for a few thousand we'll pay all our debts and if there's anything left we'll get a power for the press and save an immense amount of elbow grease, every week.

WEDDING BELLS.

One of the prettiest weddings that has ever taken place in Thessalon was held on Wednesday evening, Oct. 23rd, when Miss Bessie R. Paterson became the wife of Mr. J. D. Shipley, Manager of Hurst & Burk's Bank, Bruce Mines. The Church of the Redeemer, where the ceremony was performed, was beautifully decorated for the occasion. The bride looked very charming in a beautiful gown of ivory duchesse satin and carried a magnificent bouquet of bride roses. She was followed by her bridesmaid, Miss Pearl Ketch, who was dressed in white organdie over pale blue. She wore a black velvet picture hat and carried a bouquet of meteor roses. Immediately after the ceremony amidst the pealing of wedding bells, all repaired to the home of Mr. and Mrs. Moore where a dainty supper was served. The bride and groom took their place in the spacious hall, which was decorated with palms, ferns and cut flowers, to receive the congratulations of their friends. Among the wedding gifts were a substantial cheque from Mr. Moore, step-father of the bride, a diningroom suite of solid oak from her mother and many other presents costly and beautiful too numerous to mention.—Sault Star.

The bride mentioned in the above item was well and favorably known here having spent a number of pleasant holidays with her aunt, Mrs. Alex. McLaughlan.—Ed.]

People We Know

THE GOING AND COMING OF VISITORS IN THE MONTH OF NOVEMBER.

County Commissioner McArthur, of Priceville, was a caller at this office on Saturday.

Mr. Johnston Cullen, of Flesherton, was in town Saturday and gave us a brief call.

Mrs. C. Chittick, of Kingsville, Co. Essex, is visiting a month or so with her brother, Mr. Henry Storrey.

Mr. George E. Bronson, advance agent for "That Dainty Widow" spent a half-hour with us during his visit to town last week.

Mrs. Samuel Whitmore leaves this week for Toronto where she intends to spend the winter with her daughter, Mrs. A. T. Davey.

Mr. John Sparling, General Merchant, of Kingsley, Michigan, spent a couple of weeks visiting his cousin Mr. George Sparling, of this town, and returned to his home on Monday morning last.

Mr. W. H. Leader, of Orton, Garafraxa township, Co. Dufferin, with his wife and family moved to town a couple of weeks ago and has purchased from Mr. Philip Eva the residence on Elgin street now occupied by Mr. Frank Meertz.

Messrs. Holt, Hunter and Knapp returned last week from their hunting excursion in the Parry Sound district. And they didn't return empty handed either, having captured the full number the law allows, namely, two each. Mr. Holt is responsible for our intertempore indulgence in a hunk of the venison for which we are extremely grateful, and now hope he may have good luck every time he goes hunting.

Mr. J. M. Hunter, who was visiting his daughter, Mrs. J. E. Smith, of Brandon, returned home safe and sound Thursday night last, bringing his little grand-daughter Beatrice with him. The little girl, we understand, will make a prolonged visit with her grand-parents who, we have no doubt, will enjoy her company immensely. Mr. Hunter was not very well during his absence but look all right now.

CEMENT NOTES.

Big progress during past week.

The Ball Mills from the Krupp Gun works, Germany, arrived Saturday.

The erecting engineer completed the roof trusses on the machine shop, and the balance of the work on that building will be completed in a short time.

The Directors met last week in Toronto and let contracts for a large amount of machinery, the Hamilton Bridge Co. having secured that for the steel work on the buildings.

Fourteen carloads of machinery and building material were placed on the ground since last issue, and a large amount of additional machinery will be here soon.

A very fine article appeared in last Friday's Toronto Star, of great interest to our readers, but lack of space forbids its publication in this issue.

The following clipping from the Monetary Times, will give some idea how we are viewed by the travelling public:—

Durham will soon have an important manufacturing establishment. So writes our Mr. Thomas Gordon Oliver. I refer to the National Portland Cement Co., which, when completed, will be one of the largest in the Dominion. Nine large buildings are now under construction for this concern. One of them, the kiln building, is 143 by 135 feet; another is 55 feet in height. The marl in Wilder's lake, four miles away, is in unlimited quantities, and is said to contain over 90 per cent. of carbonate of lime. There is also sufficient clay in the immediate vicinity. Other lakes at short distances show immense deposits of marl, and several of the deposits are at or near the surface. The capacity of the mill is to be 1,200 barrels daily, and the company is giving employment to 175 men on construction alone. A branch line four miles in length is nearly completed for running material, and all the newest and best machinery is being introduced in the construction. W. H. Cowham, of Jackson, Mich., is president of the company; P. W. Stanhope, Toronto, secretary and general manager; Gilbert McKechnie, Durham, treasurer; A. F. McLaren, M. P., Stratford, Dr. Jamieson, M. P., Durham, and Barlow Cumberland, Toronto, are the directors of the company. This large establishment will soon be in full working order. Its capital is a million dollars.

CHURCH NOTES.

PRESBYTERIAN.

The first literary meeting of the season in connection with the Y. P. S. C. E. was held in the basement of the Church on Monday evening of this week. The President, Mr. Allan, in the chair. The program consisted of a reading by Miss DeLyon, an essay by Miss McCreary and a debate on the subject "Resolved that the settling of international disputes by arbitration is desirable and profitable." The affirmative was maintained by Messrs. Davidson and Dewar and the negative by Messrs. Morrison and Burnet. The debate throughout was spirited and instructive; point after point as scored called forth repeated worthy appreciation from the audience. Messrs. McFarlane, Allan and Farquharson the committee to decide, failed to come to any definite decision as to the merits of the debate, but gave as their somewhat cautious opinion that the affirmative had not made out a case strong enough to warrant a policy of immediate disarmament. Music was supplied by the choir and the large audience seemed highly satisfied with the evening's entertainment.

METHODIST.

The Church Board on Monday afternoon had a very successful meeting and amongst other business resolutions of thanks and appreciation were unanimously passed:

To the Ladies and Society for the gift of \$150.00 towards improving the church and also for the gift of a beautiful table and linen for the Communion Service.

To Mrs. Mighton and Mr. J. Carson for the donation of a church clock.

To the members of the E. L. of C. E. for the present of glass globes for the electric lamps.

One hundred dollars was voted towards the reduction of the church debts, the cheques to be issued forthwith.

Mr. George Yiirs was appointed Musical Director and George Wright assistant organist of the choir.

Sunday is to be Young People's Day. The morning service will be under the auspices of the Junior League of Christian Endeavor when an illustrated sermon will be given by the pastor.

In the evening the members of the Senior League will meet and occupy the centre seats in the body of the Church, joined by the members of the Zion Young People's Society, who have been specially invited. Addresses will be given by Mrs. T. Cook, of Traverston, and Mr. A. C. Catton, of Durham. Special music has been provided for both services. Hymn books "Songs of the Living Way" will be provided for the use of the congregation.

The special services conducted in Zion Church by the Pastor for the past four weeks closed on Friday evening last.

The number of Communicants at the Sacrament Service administered at Zion was said to have been the largest in the history of the Church.

At a joint meeting of the officials of the Durham and Zion Churches the Pastor, Rev. Wray R. Smith, was invited to continue his pastorate for the third year and the following address was unanimously presented:

Methodist Church, Durham, November 19th, 1901.

DEAR BROTHER SMITH:—
Inasmuch as your pastorate amongst us has caused an ever-growing and ever-increasing friendship, and the kindly ministrations of you and Mrs. Smith have been a source of great blessing to the congregation over which you have charge, we, the Official Board, deem it proper at this time to give expression to our appreciation of your services which were ever and always rendered with a view towards the up-building and up-lifting of the souls of all with whom you were associated.

We, therefore, take the opportunity to request you to remain with us a third year, knowing that in so doing, we are only voicing the feeling of the whole congregation who, we believe, have one and all been benefited by your genial Christian influence. And if, in the Providence of God, you consent to our request we trust our associations may be even more pleasant, and more highly fraught with the Divine blessings proceeding from the kindly ministrations of you and your beloved partner.

Signed on behalf of the Board,

THOMAS HASKINS.
