RUSSIAN ICEBREAKER FAILS Unable to Force Its Way Through the Kara Sea.

The great Russian icebreaker Yerwith Admiral Makaroff on board, has returned to Tromsoe, north Norway, after endeavoring in vain to force its way through the ice of the Kara Sea to the mouth of the Yenisei River, Siberia. Its purpose was to steam around north end of Novoya Zemlia and break its way through the ice of the Kara Sea to the Yenisei. It was en by the Yermak in spite of the here, and before the railroad conof that vessel.

The failure of the Yermak to carry men. When the railroad came here out Admiral Makaroff's plans for last Mr. Findlay engaged in the oil busisummer's work disposes of the ness, but later he suffered from a gun scheme, in which he has reposed much accident that disabled his hands per- Prince Edward Island. faith, of finally settling the question manentry.
