THE COUNTY OF GREY.

FORTY YEARS AGO.

(Continued From Last Week.) FLESHERTON.

A growing village near the centre of the township of Artemesia, at the intersection of the "Toronto and Sydenham" and Durham and Collingwood Gravel Roads. A few years ago, W. K. Flesher, Esq., for some years Reeve of the township and Warden of the county, laid out a portion of his property in village lots, and named the place "Flesherton," by which name it is generally known, though the post office is still known by the original name "Artemesia." Had the other owners of property co-operated with Mr. Flesher, the place would doubtless have been larger by this date.

Until the Gravel Road was opened up, there was little at "Flesher's Corners" but the two taverns, and a sawmill not now in existence. After the graveling of the two intersecting roads, the place began rapidly to improve. The sawmill, the fulling mill, the stores, &c., are all the result of the last two or three years. The village has a post office, 3 stores, 2 taverns, several carpenters, a pump-maker, a blacksmith shop, a sawmill, a carding and fulling mill, 2 churches, 2 resident clergymen, and a resident physician. It is 5 m. from Pricedville, 31 m. from Orangeville, 30 m. to Owen Sound, and 30 m. to Collingwood Harbor. The post office was first established about 12 years ago, at the first settlement of the "Toronto Line." J. P. Fowler is the present postmaster. Mails daily to and from Collingwood and Durham; on Wednesdays and Saturdays to and from Chatsworth; on Mondays and Thursdays to Orangeville, and on Tuesdays and Fridays from Orangeville. A section of the township library is kept in the village, W. K. Flesher, librarian.

There is at present no grist mill in the village, though one is contemplated, and partially erected. There is a very large traffic through the village, setting eastward toward Collingwood. The mill stream is small, a tributary of the Beaver River, sometimes called "Boyne Water." The N. C. Methodist and Wesleyan Churches are both frame buildings; the latter was erected in 1864.

Ainsley, Julius, farmer. Bonnar, Dr. D., Associate Coroner, &c. Boyne Water Hotel, John Jones, proprietor. Cairns, Archibald, farmer. Campbell, Peter, Carding and Fulling Mill. Campbell, Richard, township clerk. Clayton, Wm., boot and shoemaker. Davidson, William, farmer. Dinwoodie, John, farmer. Flesher, Wm. K., J. P., proprietor sawmill, general merchant, warden of the county. Flesherton Hotel, A. Munshaw, proprietor. Hooper, William, carpenter. Hurd, John H., general blacksmith. Houx, Ward, pump and sieve maker. Jacques, Rev. George, Wesleyan Methodist. Jones, John, proprietor "Boyne Water Hotel." Jackson, Rev. Thomas, New Connexion Methodist. Keefer, George, carpenter. King, J. H., farmer. Marshall, James, teacher. Munshaw, Aaron, proprietor Flesherton Hotel. Munshaw, Aaron, Sr., farmer. McSorley, John, farmer. Rolph, Batholemew. Stewart, George, farmer. Trimble, Robert, general merchant and farmer.

Fowler, James P., postmaster; general merchant. GARAFRA ROAD. In the year 1837, no townships were surveyed north or west of Garafra township. It was the Ultima Thule of civilization in that direction. Before that date, Lewis Burwell, Esq., afterward of Brantford, had been sent up to lay out some townships at the head waters of the Grand River; and in the year mentioned Charles Rankin, Esq., now of Owen Sound, was directed to carry a line through to the waters of Owen Sound. He started from Garafra, near Fergus, through what is now the townships of Peel and Arthur, to the present site of Mount Forest. Here dropping the formal survey, he explored the route northward. In 1840, the line was opened out in a fashion—a few necessary removals of logs and small trees made. In 1841, a new survey of the line was made by Mr. McDonald, of Goderich. The new line is the one now used. The variations between the two were not very important. The first horse team that ever came through was in the summer of 1842, driven by a person named Boulton. The road began to get better after the "grant lots" were pretty well taken up along it, and settlers had occasion to travel it. From about the year 1848 it became

an important highway to the northern townships, though a bad enough road at certain seasons. Within the last four years it has been gravelled from below Arthur all the way to Owen Sound. It has always been called in the County of Grey the "Garafra Road," from the circumstances of its first survey. But in the County of Wellington it is spoken of as the "Owen Sound Road." (Continued Next Week.)

Deafness is Curable! Sufferers from impaired hearing will be glad to know that their affliction is probably not due to any organic defect in the ear, but results probably from a thickening of the lining of the middle ear caused by catarrhal inflammation. Hundreds of perfect recoveries as the result of the inhalation of Catarrhozone are reported, and on the highest authority we recommend this treatment to our readers. Catarrhozone quickly restores lost hearing, and its efficiency is placed beyond dispute by the case of Mr. Foxall, of St. Thomas, who recovered perfect hearing by using Catarrhozone, after years of deafness. Price \$1. At druggists or by mail, from Polson & Co., Kingston, Ont.

SACKETT'S CORNERS.

Mr. Editor, it is some time since we have sent any items from the Corners, but trust we are not too late. Better late than never. Mr. Robinson Haw has returned to his home in Port Hope, after a lengthy visit with his son, George. Miss Carry Paris has gone on a visit to Stratford and other places, but intends to return and resume her situation as house keeper for Mr. H. Atelison. Mr. Sandy McDonald has returned home from Montana, where he has been for a few months, and gives a good account of that country. Mr. D. Robinson has treated himself to a new well, and intends getting a new floor in his house. Get a house-keeper now, Dan, and you will be all O K. Mr. Geo. Haw has improved his house by moving it on an elevated site, which will be much better than where it was formerly. Mr. George Lane was unfortunate in cutting his arm, but we hope it will soon be well again. Mr. Geo. Sackett has purchased a Berkshire hog from Mr. Henry Love, of New England.

We are sorry to learn that Mr. John McQueen, of Boothville, is very ill at present, but under the skillful care of Dr. Smith, of Dromore, we hope to hear of his speedy recovery. Mr. Jake Smith is engaged in working for Dan McInnes, of the South Line. Mr. George Atchison is home at present. He has been engaged in working for Mr. Geo. Haw, of Balsam Valley, this year. We are sorry to learn of the death of Mrs. W. Alderson, of Swinton Park. Mr. Alderson being away at the time makes it all the more sad.

HENRY'S CORNERS.

The young people of this part and surrounding neighborhood spent a most enjoyable evening at the home of Mr. Wm. Brown on Friday of last week. The farmers here have formed a beef rim, with Mr. Wm. Thompson as butcher. Mr. Peter Reid had the misfortune to lose a fine steer by its falling into a feed rack. Mr. Wm. Hunter and his sister, Aggie, visited friends in Hampden the beginning of the week. The road job that was let on the hill opposite lot 6, con. 19 & 20, to a Proton man, was not finished according to contract, so there was \$20 kept back by the Council, and the \$20 was put on the same hill in another job taken by one of the neighbors, and it is finished this time all right. Mrs. Peter Brown, of Holstein, is visiting her daughter Mrs. Wm. Hunter.
