Kidney Troubles of Women.

Dr. Pitcher's Backache Kidney Tablets the Most Successful Treatment of Kidney Ailments That Cause Women Untold Suffering.

There are so many women suffering from backache, headache, dragging pain in the loins, and weary, worn-out feelings, who attribute all their troubles to some form of "female complaint." Nine cases out of ten the kidneys are at fault,

MRS. MAY GODDARD

and the poisons which these organs should filter out of the blood are circulating through the system and making havoc with the health.

No woman can enjoy good health and be free from pain whose kidneys are not acting properly.

No woman whose kidneys are out of order can afford to delay one day in procuring Dr. Pitcher's Backache Kidney Tablets.

No other medicine ever received such overwhelming endorsement from the women of Canada.

AS A LAST RESORT.

Mrs. May Goddard, 332 Adelaide Street West, Toronto, whose portrait appears on the opposite column, speaks in the following terms: "After enjoying the most perfect health for many years it was a sore trial for me to realize that my health was failing. I had, in the first place, acute pains in the small of my back, and was losing flesh rapidly. Then other complications arose, which so weakened me that it was only with the greatest amount of determination that I could attend to my work. I tried a number of remedies and consulted several physicians without obtaining more than temporary relief, and as a last resort I thought I would try Dr. Pitcher's Backache Kidney Tablets. Their beneficial action was almost instantaneous, and the results highly gratifying. The pain in my back disappeared in a short time, and my general health improved greatly. I am now feeling fine, and am glad to have this opportunity of expressing my appreciation of so valuable a remedy."

BACKACHE AND HEADACHE.

Mrs. A. Craigie, Lighthouse Street, Goderich, Ont., relates her experience: "For some time I suffered with a good deal of backache and kidney trouble, and with a severe headache which continued to grow worse. I heard of the many cures Dr. Pitcher's Backache Kidney Tablets were making and determined to try them. I procured a bottle from our druggist, Mr. P. M. Dunham, and they acted splendidly, stopping the backache and headache and curing the kidney complaint. I strongly recommend these Tablets to any one suffering as I did."

Mrs. John Wiseman, Woodham Street, St. Mary's, Ont., says: "During a recent sharp attack of lumbago, due to exposure to cold, I used Dr. Pitcher's Backache Kidney Tablets with complete relief. I did not use the entire bottle, which speaks well for their ability to cure backache kidney troubles."

CONSUMPTION CAN BE CURED

EDITOR'S NOTE.—The Slocum System of Treatment for the cure of Consumption, Pulmonary Troubles, Catarrh, General Debility, and nearly all the ills of life, is medicine reduced to an exact science by the world's foremost specialist. By its timely use thousands of apparently hopeless cases have been permanently cured. The Emulsion of Cod Liver Oil is needed by some, the Tonic by others, the Expectorant by others, the Oxojell by others still, and all four, or any three, or two, or any one, may be used singly or in combination, according to the needs of the case. Full instructions with each set of four free remedies illustrated here. Our readers are urged to take advantage of Dr. Slocum's generous offer.

THE FREE TRIAL

The honor of thus effectively arresting the progress of this fatal malady rests with the wonderful system of treatment which has been reduced to an exact science for the cure of Consumption and for the cure of Catarrh and other prevalent conditions which pave the way for Consumption—that successful method evolved by America's greatest scientific physician, Dr. T. A. Slocum, whose great liberality, through his Free Trial Treatment, sent broadcast throughout this broad land, has contributed most to the rout of the most potent agency in the destruction of human life in this hemisphere. His Free System of Treatment has arrested the hand of death in the cases of thousands of consumptives and has prevented the disease in countless instances. The Slocum Treatment consists of four distinct remedies for the cure of Consumption, Weak Lungs, Bronchitis, Catarrh, and all pulmonary and wasting diseases, and is based upon principles essential to the correction of function, the rebuilding of the tissues, the overthrow of parasitic animal organisms and the estab-

PRICEVILLE.

Very little of any importance regarding any thing of interest to our readers has happened here of late. Now there is a little more and we hasten to chronicle the same.

Mr. Chas. Tryon, of Northfield, Minn., U. S., is at present on a visit at the parental home here. He looks as if his sojourn amongst the Yanks has agreed with him. His many friends here gave him a hearty welcome on his return.

Mr. Bert Patton, who has just finished a busy season at his trade, bricklaying, in and around Brampton, visited Priceville for a short time, and left last week to take a six months' course in one of the best Business Colleges in Toronto.

Mr. Alex. D. McLeod, our sawmill man, is busy taking in logs at present, and as he can now turn out lumber second to none, he is bound to be ahead in chopping also. He has just equipped a first class up-to-date Plate chop mill, which he is now getting put in order for running, and will shortly be able to turn out as many bags of chop in an hour as his customers can bring along, and in first class style.

We hear that a large number of the young men from the South Line, Artemesia, are leaving in a few days for Montana, U. S. This does not look very much like good times in this section of the country. When the best of the rising generation are going to the U. S. to better their condition, there is something radically wrong somewhere. The farmers complain they cannot get enough men to do their work, and still our young farmers are leaving the country in large numbers every spring. Query, what is the reason? Is Canada not good enough for Canadians?

Smoke In Durham.

In the old town of Durham is now to be seen a group of strange buildings and much smoke and steam. There cement it is a made a job not over clean. Such work never before was done on the Saugeen.

When this project was first brought to Durham folks' view, They were wild with delight—it was something quite new. It would build up a city, the like was never seen. As this city they'd raise on the river Saugeen.

The business is now running lively and well. And the grumblers are starting their story to tell. They say everything's black with smoke, cinders and grime. And declare that they're having a h—ll of a time.

They must close up their doors and windows quite tight. Which, at noon, makes their dwellings as dark as midnight. The water in wells and cisterns is black. To Egyptian darkness they think they've gone back.

There's a saying quite old, but perfectly true. You can't have your cake and eat it up too. So those city builders must bear it in mind. That cement mills to raise quite a smoke are inclined.

When women who cleanliness make quite a tad. Find their washday's a misery they screech and get mad. And fervently wish such things had ne'er been. As cement mills put up by the noble Saugeen.

But Excelsior's the watchword in Durham to day. Since they've got marl they're boring for clay. And expect that unless the promoter's an ass. They will soon get to rock and then natural gas.

When this goal is reached it is greatly desired. That the borers may not to the heavens be fired. As the gas on the surface mixed with that from the rock. May result when combined in a terrible shock.

When cement mills and gas wells get working apace. A great emigration no doubt will take place. For together they'll raise such a terrible fume. That the grumblers will move for the wise to make room.

If fresh air without smoke is what you desire. You must get to a place where you've no need for fire. For fire without smoke to raise power and steam. Will never build a city along the Saugeen.

The Story of Morning Tiredness.

Is told by impure blood, poor digestion, sluggish liver and tired nerves. It is a warning of very serious trouble ahead, and should prompt sensible people to take a bracing tonic like Ferrozone, and energetic invigorant and re-builder. Ferrozone will give you a sharp appetite, promote good digestion and sound sleep; it will feed and energize the enfeebled organs, strengthen the nerve and vital forces and regulate the heart. Ferrozone changes that tired feeling into vigor, strength and ambition, and does it quickly. Remember the name, and insist on having only FERROZONE; it's the best tonic made. Price 50c. per box, or 6 boxes for \$2.50, at Druggists, or N. C. Polson & Co., Kingston, Ont.

A motion was introduced in Ingersoll Council recommending the commissioners to grant no new licenses to hotelkeepers who had been guilty of any violation during the year. Only the mover and seconder supported it.

Dr. Turnbull, of Goderich, recently took a dose of chloroform and salts, but in mixing the preparation poured in too much of the former. It took the combined efforts of all the medical men of Goderich and his wife to save his life.

RUTS

The walking sick, what a crowd of them there are: Persons who are thin and weak but not sick enough to go to bed.

"Chronic cases" that's what the doctors call them, which in common English means—long sickness.

To stop the continued loss of flesh they need Scott's Emulsion. For the feeling of weakness they need Scott's Emulsion.

It makes new flesh and gives new life to the weak system.

Scott's Emulsion gets thin and weak persons out of the rut. It makes new, rich blood, strengthens the nerves and gives appetite for ordinary food.

Scott's Emulsion can be taken as long as sickness lasts and do good all the time.

There's new strength and flesh in every dose.

We will be glad to send you a few doses free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
