

FLESHERTON

Intended for last week.

A Crystal Wedding—Such was the occasion of a very pleasant gathering at the beautiful residence of Mr. and Mrs. John A. Boyd, Toronto Street, on Friday evening last when surrounded by their two winsome daughters, Miss Mabel and Lily, and over twenty-five guests they celebrated in a very happy manner the fifteenth anniversary of their wedding day. During the early part of the evening Mr. and Mrs. Boyd received their guests, who extended warm congratulations to the bridal pair whose bloom has been but little diminished by their decade and a half of wedded life. At eight o'clock the company adjourned to the spacious dining room where beautifully spread tables were laid and a delectable supper was served, after which Rev. Ivison Wilson in a pleasing manner proposed a toast to the health of the bride and groom, which being disposed of, congratulatory speeches were given by Rev. L. W. Thom, Mr. George Mitchell and Mr. F. W. Hickling. Mr. Boyd replied in a manner appropriate and happy as was the occasion. A pleasing programme of music was afterwards rendered and various games enthusiastically engaged in till far past the midnight hour when the guests departed with best wishes for the highly esteemed couple who were given many beautiful presents in crystal as mementoes of the event.

Sabbath last was Communion day in the Presbyterian church. Four new members were received, one on profession of faith. Rev. Mr. Wilson, of this place, preached an excellent sermon at the preparatory service on Friday.

Mr. M. K. Richardson preached in the Methodist church on Sabbath morning last. In the evening there was a very large congregation present to hear the Rev. and Mrs. Steinbauer, both of whom gave interesting addresses on their work among the Indians at Fisher River, N. W. T. Mr. and Mrs. Steinbauer favored the congregation with two beautifully rendered duets and Mr. Steinbauer sang a hymn in his native language—Cree. The Presbyterian Christian Endeavor withdrew their service in order to hear Mr. and Mrs. Steinbauer.

The thaw has caused a remarkable drop in wood the past few days. Many piles have fallen to twenty-two inches.

A movement is on foot among the young men in town for the formation of a Mutual Improvement Society. This is commendable, and, we trust, will meet with encouragement and success.

Mr. and Mrs. R. N. Henderson, of Toronto, and Mrs. Grier, of Priceville, attended the Boyd crystal wedding on Friday evening last. The former spent till Monday among old friends here and the latter is visiting for a few days with Mrs. Boyd.

Mr. Murdoch, of Egremont, Inspector of Weights and Measures, spent Sunday in town.

Assessor Bellamy is making his annual call on the residents of this place this week.

At the meeting of Orangeville Presbytery last week we notice Revs. L. W. Thom, of this place, and J. A. Matheson, of Priceville, were appointed commissioners to General Assembly which meets at Vancouver in June next. The honor befalling

these gentlemen will doubtless afford them a holiday of much pleasure and profit.

Mr. and Mrs. Edwin Large, of Shelburne were visitors at Mr. A. Munshaw's Sunday and Monday. Mrs. Large spent the past week with her parents, Mr. and Mrs. P. Munshaw at Eugenia.

Rev. P. and Mrs. Fleming, of Maxwell, paid Mr. and Mrs. Thom a visit at the Manse on Saturday afternoon last.

Rev. Ivison Wilson preached for Mr. Thom at Pre-Communion Service at Eugenia on Friday forenoon last.

Mr. M. K. Richardson, M. P., leaves to-day—Tuesday—to enter upon preliminary duties at Ottawa.

Mr. and Mrs. W. Thompson and children, of Dobbington, visited part of last week and over Sunday with Mr. and Mrs. Barnhouse

Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at Darling's Drug Store. **tf.**

ALLAN PARK.

Mr. and Mrs. Jas. Little gave their friends a party the other evening. All enjoyed themselves to their heart's content.

Mr. John Brown Sr. is on the sick list at present with La Grippe. We would be pleased to hear of his speedy recovery.

Mr. Wm. Alex. Hazlett's sale last week was very largely attended and everything sold at a good figure. The Clerk's book amounted to \$1800. Mr. and Mrs. Hazlett, we understand, have moved to Hanover.

Mr. Alex. Davidson, of Carman, Man., was visiting with his uncle, Mr. Wm. Forsythe of this place lately.

We are pleased to report that Mr. Wm. Sumpton is able to be around again after having a bad attack of La Grippe.

Mr. and Mrs. Alex. Forsythe, of Riversdale, were visiting Allan Park friends lately.

Miss Jessie Park, of Detroit, Mich. is visiting at her sister's, Mrs. Wm. Pierson, of this place at present.

Mrs. Wm. Forsythe is under the doctor's care at present. We hope to hear of her speedy recovery.

Wood bees are the order of the day now. Everybody is laying up a good supply for the summer and to have a little on hand for next winter.

While Mr. Alex. Campbell, of Welbeck, was driving through here on his way to Hanover last week with a load of lumber he undertook to go down the hill here without a lock on his sleigh. When he got about half way down the ring in the neckyoke broke and the load ran against the horses. They ran anglewise across the road, and the tongue penetrated the wire fence of Mr. Wm. Brigham. As luck happened, however, no serious damage was done, the horses coming off pretty safe, while Mr. Campbell paid fifteen cents for a new ring and went on, well pleased that it was not worse.

Mr. John Muldoon, of Dornoch, has engaged to work for eight months with Mr. R. Trafford.

Thos. scoundrels from Hanover that took the bound dog from Mr. Wm. Forsythe did not keep it as long as they expected as it was taken from them again. They had better be careful. The next time they take a dog that doesn't belong to them they will get into trouble.

Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Bescher's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure-all but it is certain a cure for coughs, colds and all bronchial troubles. You can get this reliable remedy at Darlings Drug Store. **tf.**

At the figures which Galt masons tender for stone work these days. Central Church, erected about 20 years ago for \$35,000, could not be built at the present time for less than \$75,000.
