WM. WILLIS, of the firm of Caldwell & Willis, met with a bad accident on Saturday night at their stable on Burrows avenue while arranging the bedding for a horse. In some manner the animal became frightened and kicked viciously, striking Willis on the right leg and breaking his thigh. After being knocked down, the horse, in its movements, tramped on the unfortunate man's head and face and otherwise injured him before he could be rescued. Dr. Culbertson was at once notified and had Willis removed to the hospital, where his injuries were looked after. The latest reports from the hospital are to the effect that Willis is progressing as well as could be expected.—Dauphin, Man., Press.

An interesting case of insurance adjustment is reported at our sanctum. R. J. Dillon, a resident of Egremont, insured the contents of two barns some time ago in the Germania Insurance Co. They were situated on adjoining lots 4 & 5, con. 6, Egremont, but the agent in taking the risk described the property, but specified one lot only, viz., No. 4, leaving out lot 5, on which the other barn was located. The risk was \$800. The barn on lot No. 5 was burned, and the Company, we are told, refused more than \$200 on loss sustained. A largely signed petition was sent the Company requesting payment of further amount of claim, but they viewed the matter otherwise and refused to do so. The case was subsequently taken to Guelph, and last week the claimant received judgment for \$800, the judge ruling that contents to that amount had been destroyed, and it made no difference where.

THE Macfarlane property on Bruce Street, occupied by Ye Editor for over six years, was purchased a couple of weeks ago by Mr. Allan, principal of the Schools. The property adjoins his own, and the united area of one full acre in one solid block gives Mr. Allan ample room for the erection of a fine residence between the two houses he now owns.

THE property recently purchased by Mr. Catton, the Middaugh property near the station, is rapidly being divided up. Last fall Mr. Catton built a new house for himself which he now occupies. A portion of the property was sold to Mr. Crawford, and a few days ago Mr. Jas. McNally of Lambton made a purchase of the corner lot, including the house and barn.

NEW FACTORY NOW CERTAIN.

On Monday night last in response to a call from Mayor a large audience assembled in Town Hall to discuss a proposition from Mr. Wm. Broomall relative to the building and operating of a Cream Separator Factory to which reference was made in our last issues. For an hour or so the discussion was lively and not a dissenting voice was heard against the scheme. Mr. Broomall's proposition is to invest \$15,000 in a plant, and stock, and ask the town to supplement this by a free site, tax exemption for ten years, and a loan of \$7,000, the loan to be repaid at a thousand dollars annually after the third year. The company guarantees employment to thirty skilled workmen right from the start with a prospect of doubling the number inside of twelve months.

A cream separator was on exhibition in hall and those who knew anything about separators pronounced it the most simple they had ever seen. The machine is very easily cleaned, and does not contain nearly so many parts as the other separators on the market. Everything is simple and compact, and everything in connection will be manufactured right in town by a class of highly skilled workmen.

Mr. Broomall left Tuesday morning for Toronto, and in the course of a few days will start operations in Mr. Smith's Foundry, where manufacturing will go on till the building is ready. The building will be about 100 feet long by 35 feet wide and two or three storeys high, fitted out with first class machinery.

A By-Law will be submitted shortly, and from the feeling of the citizens at the present time we anticipate little or no opposition.

Money Found.

PURSE FOUND—In Durham, containing a sum of money. Owner may have it by proving property and paying expenses.—F. Siegner, Hardware Dealer, Durham, Ont.

People We Know

THE GOING AND COMING OF VISITORS IN THE MONTH OF APRIL.

Mr. Wm. Matthews, of Oshawa, made a short visit with friends here, Mr and Mrs. Wm. Bell, of Toronto, are visiting friends in and around Durham.

Miss Hattie Hutton, milliner, of Rochester, N. Y., who is spending the spring months with her parents, visited Mt. Forest friends last week.

Mr. and Mrs. Bartlett, of Toronto, are visiting with the latter's parents, Mr. and Mrs. Ewens, of Aberdeen.

Mr. Robt. Hutton returned Tuesday morning to his home at Antler, Assa., accompanied by his father, Mr. Thos. E. Hutton.

Rev. Ledingham, student of Knox College, who spent a few days with his sister, Mrs. John Clark, left Wednesday morning for Goulais Bay, for the summer.

Miss Emma McCaul left this week for St. Catharines to take a course in training as a nurse.

Mr. George M. Winn, of the Toronto Type Foundry was in town on Wednesday.

Mrs. Charlie McAllister, of Stratford is visiting her aunt, Mrs. A. E. Hind, and other friends in town.

Mr. Murphy, M. P., of Ottawa, was in town Tuesday night, of last week, the guest of Dr. Jamieson.

Mr. Samuel Lawrence, son of Mr. Geo. Lawrence, left last week for Duluth where he intends to remain for some time.

Miss M. A. Jackson, of the Glen, sister of Messrs. Thos. and Samuel Jackson, left for Nicola Valley, B. C. a couple of weeks ago.

Mr. George I. Grant, of Duluth, who has been visiting his brother, Wm., and other friends near Varny gave us a pleasant half hours call on Saturday last.

Mrs. C. Pettigrew, of Saginaw, daughter of the late Mr. Arrow-smith, gave us a brief call on Monday morning. We were pleased to learn that the Chronicle is a welcome weekly visitor, reaching its destination regularly every Saturday morning.

Mr. Alex. N. McLeod, of Priceville, was in town Tuesday. We regret to learn that he lost a large piece of his mill dam during the spring freshet. Five hundred dollars, he tells us, will not cover the loss.

Mr. and Mrs. Geo. Sharpe, on their return from Durnam, Ont., spent a few days in Chicago, Ill., with Mr. Sharpe's aunt, Mrs. Martha Thompson, formerly of Terranova. Mrs. Sharpe is a daughter of Wm. Andrews, formerly of Honeywood, now of Bates, Manitoba.

The Joy Concert.

The Joy-Sheppard-McIrvine Concert given here in the Methodist Church on Thursday night of last week was rendered in excellent style to a full house of appreciative listeners. Before eight o'clock the seats were fairly well filled. Rev. Mr. Smith, whose name appeared on the programme as chairman, introduced the entertainers in a few happy remarks, and having withdrawn from the platform, a lengthy programme was rendered, without further introduction. Every number was appreciated, and in nearly every case an encore was called for.

The Joy sisters included Mrs. Sheppard, form a magnificent quartette of highly trained vocalists, fully capable of taking all the parts. The Fire Alarm was a spirited number, rendered as a quartette. Mr. Sheppard is also an excellent singer, and his solo as well as the part he furnished in the choruses were pleasing to all.

The elocutionary part of the entertainment was furnished by Rev. C. I. McIrvine, who was somewhat under the weather and incapable of doing himself justice. Many of his selections were light but his masterly rendering of The Chariot Race as well as the encounter between the Man and the Lion, show well his ability as an interpreter of classic literature. These two numbers were his best in our opinion, but not the most amusing.

Just before the singing of the National Anthem, the Chairman appeared again on the platform, and after eulogizing the entertainers and making kindly reference to their former visit here, a vote of thanks was heartily moved and cheerfully endorsed. The proceeds were about forty-five dollars.

Coughs, colds, hoarseness, and other throat ailments are quickly relieved by Creosole tablets, ten cents per box. All druggists.

Hiawatha.

On Friday night a fairly good audience was in attendance at the Indian Picture Play entitled Hiawatha. This consisted chiefly of illustrations of the play in Indian life. The idea of perpetuating this somewhat after the fashion of the Passion Play at Ober-Ammergau had its origin a few years ago on the north shore of Lake Huron not far from Sault Ste. Marie. The lecturer, Mr. Cary W. Hartman, gave an interesting story of some things in connection with Indian life, but his style of telling it was tame and tiresome. Madame Waltz being somewhat indisposed, rendered very little to the musical part of the programme. From her a good deal was expected. The pictures were pretty, the address was somewhat dry, the singing was scanty, the lights were out for a time, but for all this the entertainment was much better than many of the fake shows we have had here during the past season. The manager himself felt that justice hadn't been done, and his profuse apology makes up in part for what the performance lacked. The matinee in the afternoon was well attended, and for both occasions the proceeds totaled up about \$50.00.

Left for the West.

Messrs. Roy and Alister Gordon, two sons of Mr. Alex. Gordon, Jeweller, left here on Tuesday morning for Brandon, Manitoba. They are both fine young fellows, and our best wishes accompany them wherever they go. Mr. Wm. Willis left by the same train for Dauphin, where his son, Wm., is suffering from a broken thigh, as reported elsewhere. We do not know how long Mr. Willis intends to remain, but by way of introducing him to the people of Dauphin, it will not be out of place here to repeat a remark of one of our citizens as he was boarding the train. It was simply to the effect that no better, no more painstaking, or no more faithful man could be found anywhere to take care of horses. In the company also were Mr. and Mrs. R. W. Braithwaite, Mrs. Watson, a sister of Mrs. Braithwaite, and Mr. McDowell, Mrs. Braithwaite's father. Mr. Jas. Ledingham was also of the party. We wish them all success.

DR. GEO. S. BURT.
