WE congratulate our Durham boys and cheerfully give notice to their every laudable success. We have just learned that Mr. Findlay Graham, Mrs. Calder's brother, passed his final examination and is now a full-fledged Chemist and Druggist.

NEWSPAPERS for the past four or five weeks have been announcing the marriage of Miss E. Pauline Johnston, the Indian Poetess. Now they're taking it all back and telling their readers that it was another Pauline Johnston, a member of the "Chic" Co. of Buffalo that happened to capture a man, while our Canadian Pauline still pines in single misery.

THE Durham lacrosse team are negotiating with George Booth, of Hanover, which may result in that clever little lacrosse player donning the blue and white—the uniform of the Durhams—this season. Booth is one of the neatest, fastest and cockiest lacrosse exponents up this way, and if Durham succeeds in landing him, they will do a good stroke of business. With the team that Durham will walk into the junior series with—Theobald and a few more of that category—there is a probability that something will drop.—Post.

THE Durham Manufacturing Company is making rapid progress in putting in the foundations of their new Cream Separator Factory. The trenches are all dug out and filled with Cement Concrete, and on top of this a foundation of the same material is to be erected to level up the structure to the height of the lower joists. The upper portion is to be made of Cement Blocks, a great many of which are now ready on the ground. During building operations the work of manufacturing separators is going on in Smith's foundry, where the Company has installed some good machinery.

WE regret exceedingly to announce the death of Lloyd Bean, only child of Mr. and Mrs. W. H. Bean of this town. About a week ago he was taken down with appendicitis which was properly diagnosed by the attending physician, Dr. Hutton. An operation was deferred until Monday morning when it was decided on and performed after consultation by Drs. Jamieson, Macdonald and Hutton. It was a last resort, and when it was discovered that the appendix had actually rotted off and was floating in about a pint of pus, the physicians could give but very little hope for the child's recovery. The symptoms, however, were not always discouraging and the fond parents were buoyed up with the hope that life might be spared. On Tuesday night a change came for the worse and at two o'clock Wednesday morning the spirit took its flight. Lloyd was an exceedingly bright boy, a clever little student and though only in his fourteenth year he was preparing for the second class examination. His death is a sad blow on the fond parents who are now grief-stricken over the loss of their only child. With the whole community we join in expressing our sympathy. Mr. and Mrs. Bean feel truly grateful to Drs. Hutton and Macdonald for the keen interest they took in the case, and they cannot say too much for the nurse, Miss Armstrong.

For ideal shoemaking get your boots at Peel's.

Boy wanted to learn printing, apply at this Office.

THAT old saying, "not yet," won't go if you want nifty summer suits. Now is the time to get them and at Theobald, the Clothier's.

NOTICE—The Fruit Growers' Association Premium will not be distributed to members until fall on account of misunderstanding with the nursery men.—C. FIRTH, Sec. D. H. S.

THE Owen Sound Association of Baptist Churches meet in Durham on Tuesday, June 9th at 2 p. m. and continues for two full days. About one hundred delegates will attend.

THE King Edward Cigar Store is the name of the new business opened out this week in W. C. Vollett's Hair Dressing Parlors on Lambton street. The proprietor is Mr. R. D. Dinsmore, late of Warton.

THE Town Council, at an adjourned meeting on Monday night, decided on the purchase of a street sprinkler, which they ordered through Mr. F. Siegner, Hard and Tinware Merchant. If there was ever anything needed in Durham in the business portion, especially, it is a good street sprinkler during the dry windy days of summer.

THE Monthly Moonlight Junior League services of the Methodist church were held on Monday evening. The prayer and praise part of the service was very enjoyable. The topic, "The lad with the loaves and the fishes," was taken by Master F. Benton, and a short address was given by Rev. Wray R. Smith, the honorary president. The Junior organists, Miss Rita Irwin and Bertha Sparling, presided at the organ.

WE are pleased to learn of the success of Mr. T. G. Carson, who recently passed his final examination in Pharmacy at Winnipeg. From the fact that on two occasions during the term Mr. Carson was dangerously ill and had to give up study, his final success shows him to be well up in the work. He is the youngest son of Mr. and Mrs. James Carson, of this town, and it affords us much pleasure to extend our congratulations.

A PETITION was presented to the Town Council Monday night requesting the privilege of allowing property holders along the south side of Lambton street, from J. H. Brown's west of the Grand Trunk Railway to the Lambton street bridge, said sidewalk to be extended to join sidewalk at Middaugh House, after erection of new bridge. Another petition asked that Kincardine street, south of Lambton, be opened up and made passable for traffic. Both prayers were granted.

THE Methodist Ladies' Aid "At Home" held at Mr. Jas. Carson's on Tuesday evening was one of the most successful of the series. The interest of the occasion was increased by the programme provided by Miss King, of Mount Forest assisted by a number of her pupils. Solos were rendered by Miss B. Sparling, "Just Next Door," Miss I. Wilson, "Sing Again That Sweet Refrain," Miss J. Brown, "To the Front," Geo. Rowe, "The old Missouri," and Wm. Saunders, "The Honeysuckle and the Bee." The soloists pleased their hearers and did exceptional credit to themselves and their teacher. The male duet, "The Pilot Brave," by Frank Vickers and Harry Benton for time, tone and expression was especially good, and the members and friends of the Ladies' Aid appreciate the entertainment so kindly given. A light lunch was served, whilst various games and gramophone selections filled up the hours of a very pleasant social evening.

THE City of Toronto is making an interesting departure in Horse Shows and is holding a novel form of equine exhibition in the open air on the afternoon of July 3rd in connection with the Old Home gathering which the Board of Trade of that city has arranged. Instead of extending a Show over one week in Madison Square it will all be done in one hour of a sunny afternoon. The beautiful Queen's Park and University oval in Toronto furnish roadway around adjoining circles of over two miles, and on these will be ranged upwards of 500 horses and carriages. An army of judges will make the awards simultaneously, and the judging will not occupy above an hour. Then the whole exhibition will move around the oval and pass in review before His Excellency the Governor General of Canada, Lord Minto. It is expected that over 200,000 people will witness this unique Horse Show. It is designed to show to the thousands of home-coming Canadians how important a centre of the horse breeding industry Toronto has become.

HITS AND MISSES.

How nice it would be if people could only "forget" all their rascality! Few are anxious to have people "forget" their good deeds.

Some who are not politicians "forget" to pay their subs.

Even an honest witness may "forget" what he isn't asked about.

Lest we "forget" we take the opportunity of asking delinquents to pay up.

Flattering a woman before marriage is a matter of taste and discretion. Flattering her afterwards is a matter of absolute necessity and safety. Don't "forget" this.

McGregor—McKinnon.

On Wednesday, May 13th '03 a very pretty wedding was solemnized at the residence of Mr. John McKinnon, of Sullivan, when Miss Belle McKinnon was united in marriage to the man of her choice, Mr. Alex. McGregor, of Bentinck.

The parlor was beautifully decorated for the occasion and precisely at eight o'clock the bride entered, leaning on the arm of her father, and attended by Miss Bertha Cannon of Vesta, as bridesmaid, while McGregor's courage was kept up by Mr. D. McKinnon, Mrs. (Dr.) Picard of Desboro played the wedding march. Rev. J. J. Patterson, pastor of Geneva Presbyterian church, Chesley, to which they both belong, performed the ceremony in the presence of about fifty invited guests, being friends, neighbors and intimate acquaintances of the contracting parties.

The presents to the bride were numerous and suitably selected, the groom's present being a beautiful gold watch.

Among those present from a distance were: Rev. and Mrs. Currie, of Keady; Dr. and Mrs. Black, of Paisley; Mr. and Miss Muir, of Port Elgin; Dr. and Mrs. Picard, of Desboro; Mr. and Mrs. J. A. Black, Durham; Dr. W. Kyle, of Detroit; Mr. and Mrs. E. D. Evans, Mr. and Mrs. Will Stinson and Dr. Crow of Chesley.

A very pleasant evening was spent in vocal and instrumental music, games, pedro, etc.

The newly-wedded couple started on their life's journey amid showers of rice, old boots and the best wishes of all present.

THE pastor of the Methodist Church here has been invited to remain another year at an increase of salary.

WE notice by our Flesherton news budget that the sports committee of that town has a cash balance on hand of \$301.99. Surely their celebration this year will be a big success.

THE sports for Monday next are pretty well advertised, but lest anyone should forget we repeat the likelihood of this being the greatest demonstration ever witnessed in this part of the country. Be here in time to see the great Calithumpian parade and all the other attractions.

WE have to announce this week the death of Mrs. John A. Clark which took place on Monday, May 18th, exactly five months to the day after the death of her husband, and six months to the day after the death of her grandson, Albert Lloyd, son of Mr. Jas. Lloyd of this town. It seems rather singular that all three should have died on the 18th of the month. The deceased lady was sixty-six years of age, a native of Norwich, England. For the past fifteen years she has been in very poor health. Mrs. Jas. Lloyd is a daughter of the deceased. Interment takes place this Wednesday afternoon.

THE annual meeting of the officials of the Durham Methodist circuit was held in the school room on Tuesday afternoon. The pastor and officials are encouraged at the close of one of the most successful years in the history of the church. Numerically and financially the record is one of progress. And the deepened and quickened spiritual life was evidenced by the unusually large attendance at the Communion service on Sunday. A committee was appointed to care for and see to the beautifying of the church lawn. Standing in a conspicuous place it ought to be made attractive and worthy of our growing town.
