Vickers.

DIED—At Vickers, on May 15th, another pioneer in the person of Mr. Jno. Richardson at the age of 58 years. He was an unmarried man, and made his home with the Reay family. His death was caused by his being trampled by his horse which took fright at a R. R. crossing some two weeks ago. In religion he was a Methodist, and in politics a Conservative. He was a kind-hearted, industrious old gentleman. He was buried at Hanover on the 17th, Rev. Mr. Miller being the officiating clergyman.

Early Tuesday morning, May 12th, another pioneer in the person of Mr. Jas. Milligan passed away to that bourne from whence none returns, at the ripe old age of 89 years. He was confined to bed four weeks from injuries received by a fall. Deceased was a native of Closebarn parish, Dumfriesshire, Scotland, coming with his family to this country in 1852. He spent two years in Paris, and then moved north to the bush lot in South Bentinck, upon which he died. By persevering industry he made a comfortable home. His wife died about eighteen years ago, also his son Thomas, and Mrs. C. Smith. The surviving members of the family are, Mrs. Geo. Turnbull, Mrs. Geo. Henderson, Mrs. Thos. McDonald, and John, on the homestead. Deceased was a life-long Presbyterian, ordained an elder of Hampden congregation when organized over forty years ago, and took an active interest in every department of church work, never unnecessarily absent from church or the union prayer-meeting. Six of his grandsons acted as pall-bearers. Revs. Budge and Farquharson were the officiating clergymen.

Allan Park.

Miss M. Sumpton was visiting friends in Port Elgin for a couple of weeks lately.

We are very sorry to say that Mrs. Henry Brigham is very ill at present but hope to hear of her speedy recovery.

Miss Mary Edmonds has been under the weather for the last few weeks, but we are pleased to say that she is improving nicely.

The members of the Allan Park L. O. L. have decided to hold a parade to the English church on Sunday, May 31st and the brethren from other lodges are invited to attend.

Mr. John Beckenbauer, of this place, and Miss Ida Lorenz, of Lamash, were united in marriage a few weeks ago. We join in extending the young couple congratulations.

Mr. and Mrs. Charlie Bailey, of Lamash, were visiting near this place lately.

Flesherton.

At the call of the President of the Flesherton Dominion Day Celebration Committee, the annual meeting of citizens was held at the Munshaw House on Friday evening last, when the minutes of the former meeting were read and adopted, as was also the Auditors' report, which showed cash on hand \$301.99. For the management of the celebration to be held here on Dominion Day this year officers were elected as follows: Pres., Mark Wilson; Vice-Pres., J. A. Boyd; Sec., F. H. W. Hickling; Treas., W. A. Armstrong. Committee, J. Runstadler, D. McTavish, A. Munshaw, W. J. Boyd, E. Thompson, C. Patterson, T. J. Sheppard. After the appointment of sub-committees and the transaction of some general business, the meeting adjourned till Friday evening this week, when matters relative to the celebration will be further discussed. The committee is a strong one and intend sparing no pains to make the celebration of 1903 a very successful one.

The early bird is said to get the worm, and so in like manner do some of the anglers we know succeed in capturing the finny tribe. Shortly after break of day on Thursday last Dr. Murray and Will English found themselves on the banks of the Saugeen and in two hours started for home with a basket well filled with fine speckled beauties. Your humble scribe greatly enjoyed a mess from their splendid catch.

Mr. T. J. Sheppard, of this place, has disposed of his branch business at Eugenia to Mr. McDonald, of King.

Word has been received here of the death at Manor, N. W. T., of Mrs. J. R. Anderson, who, we understand, has been for some time afflicted with cancer. The deceased lady, who for several years lived in the Orange Valley, later in Markdale, and in this place before going West, was well known in this community, and was very highly esteemed by all who knew her. Mr. Anderson and family have very many friends in this locality to sympathize with them in their season of sorrow.

Mr. Cameron, student McMaster University, Toronto, who is devoting the summer to evangelistic work, preached in the Baptist church here on Sunday, and is this week assisting the pastor, Rev. Mr. Hurlburt, in special services at Salem.

Mr. Hutchinson, teacher, Port Law, conducted the Christian Endeavor service in the Presbyterian church on Sunday evening last and gave an interesting address on the topic John 6: 9-13.

At the regular meeting of the Methodist Ladies' Aid Society held at the parsonage on Wednesday evening of last week, officers were elected for the ensuing twelve months as follows: President, Mrs. W. A. Armstrong; Vice-Pres., Mrs. J. A. Boyd; Sec., Mrs. F. H. W. Hickling; Treas., Mrs. Geo. Mitchell. Parsonage Committee, Mrs. Wm. Wilcox, Mrs. Mark Wilson and Mrs. George Mitchell.

Sabbath last was League anniversary day in the Methodist church, the pastor conducting both services. In the morning Mr. Wilson spoke specially to the Junior League on "Habit," and by apt illustrations made his subject very interesting for the little folk. In the evening the Senior League and young people of the congregation were specially addressed, when from the life of Daniel lessons uplifting and stimulating were drawn and forcibly presented. This Monday evening the League will celebrate its fourteenth anniversary at a Conundrum Birthday party in the school room of the church. Rev. C. N. Chantler, of Markdale, is to give an address and a short musical program will be rendered, after which refreshments will be served and a free and easy time indulged in. Fourteen cents, corresponding with the age of the Society, is the admission fee.

Dr. Carter is having the stone fence in front of his property completed to the line. Mr. Jno. Wright is doing the mason work.

Mr. Harry West, of Toronto Junction, and Mr. F. Hollis, of Brampton, are up for a couple of days' fishing, and are the guests of the former's brother-in-law, Mr. T. J. Sheppard.

Rev. W. A. Sinclair and bride, of Thornton, spent part of last week with the former's parents here.

Inspector Campbell, of Durham, visited some of the schools east of this village last week. Mr. Campbell spent Thursday night in town and gave us a very pleasant hour or two.

Mr. A. S. VanDusen and Reeve McTavish got this week to Ottawa in the interests P. B. & G. R. railway.

Mr. and Mrs. Wm. Smith, accompanied by their son, Wesley, who visited them from the N. W. last week, have gone to spend a couple of weeks with their daughter, Mrs. Wm. Bentham, Dunkirk, N. Y.

Mr. and Mrs. Barnhouse spent Friday last pleasantly with friends at Port Law. Mrs. Barnhouse has recovered from her severe illness so as to enjoy the drive and day's outing.

Mrs. J. Runstadler received the sad news on Monday of the death of her sister, Miss Statia Egan, at Hamilton. Mr. Runstadler left to attend the funeral.

Edge Hill.

Mrs. Christopher Williams is enjoying a well-earned holiday with friends in Toronto.

Miss Annie Greenwood has gone to Durham to learn the dressmaking. Somebody is wearing a long face.

Mr. Chas. Boyle and son Will, of Glascott, were callers around here last week.

Mr. Fred Staples, who is at present in the employ of Limin and McClocklin, spent Sunday at home.

We are sorry to report that there is very little improvement in the condition of Mr. Jos. Firth, Sr.

Mr. Robt. Moffat, Toronto, is visiting his father and other friends in this vicinity.

Mr. Thos. Firth has invested in a bicycle. It will be a great convenience to him in coming home from his school at Williamsford.

Quite a number from here attended the funeral of Mrs. John Burgess. The deceased lady was well and favorably known here and much sympathy is expressed for the sorrowing husband in his sad bereavement.

Mr. and Mrs. Thos. Banks have moved to Owen Sound. They were good neighbors, and will be missed in the neighborhood, especially in the Sunday school of which Mr. Banks was superintendent for the last seven years. We wish them every success in their new home.

Mrs. White from Toronto has been visiting her parents Mr. and Mrs. John McArthur in the Glen.

Mrs. Willet and son are visiting her parents, Mr. and Mrs. Alex. Bell, at the Rob Roy.

On May 10th there was born to Mr. and Mrs. Billy Ryan a son. We are sorry to learn that Mrs. Ryan is not as well as might be expected.

It's old news now, but since we last wrote, a son also arrived at the home of Mr. Geo. Mathews.

Last week there was a raising at John McArthur's in the Glen. Through some cause the work was not completed in one day. Jack Meagher was the framer and as usual has made an excellent job.

The McArthur brothers, Dan and Jack, have Hugh McKechnie, of the Rocky at work framing the timber for their new barn.

Mrs. Leslie returned last week to Mount Forest, after visiting at her brother's, Dan McInnis'

Sudden and sad indeed was the news which was telegraphed from Pittsburg to the family of Mr. Chas. McArthur here. The word was to the effect that Mr. McArthur's son-in-law, Mr. Wm. J. Anderson, was dead, and his body was being brought here by his grief-stricken wife, Mrs. Anderson and her charge arrived by the late train, May the 13th. The funeral took place the Friday following to Durham cemetery, the Rev. Mr. Matheson of Priceville conducting the funeral service. Mr. Anderson had been ill but two weeks, of appendicitis. He was a native of Ireland, was twenty-five years of age, and his occupation that of a street-car conductor. But fourteen months ago he was married to Mary, daughter of Mr. and Mrs. McArthur. While here for a short visit last summer he endeared himself to all by his simple unassuming way. A father and mother and brothers and sisters in Ireland will mourn his early death. But saddest of all, he leaves a young wife and two-months-old son to miss him as none other will. Mrs. Anderson after settling up her affairs in Pittsburg, will return and live with her parents. She is bearing her trouble bravely, and much appreciates the sympathy every one shows her.

Mr. and Mrs. McArthur realize to the full the saying that "troubles never come singly." Besides that referred to above, their son Archie is bed-fast through an attack of pleurisy; their daughter, Annie, is ill in a hospital in Detroit, and their daughter Lizzie is under the doctor's care in Owen Sound. We hope to hear soon that all are in their usual state of health.

Just a word about that thing from Saugeen Valley that signs itself "Poet." We never boasted of our superior education as he insinuates, and never intend to; we never published our ignorance, either, and never intend to; we're glad we are a good Englishman and intend to remain so. He says he is a good Scotchman, but we know many good Scotchmen who would be ashamed to own him as such. And finally we would say that the so-called "Poet" hasn't wit enough to compose even that poorly-composed drive at us, but has to depend on others for help, who have perhaps a little more education, but exhibit even more ignorance than he does.

How One Million is Spent. Not less than one million dollars is annually spent by people seeking an absolute cure for Catarrh, Bronchitis and Consumption. Numerous are the remedies, but the one standing pre-eminently above all others is Catarrh-zone. It cures these diseases because it is sure to reach them. Catarrh-zone is inhaled into the lungs, throat and nasal passages, and bathes every part of the diseased membrane with its germ-killing, healing vapour. You simply breathe Catarrh-zone and it cures. Price 25c and \$1 at druggists, or Polson & Co., Kingston, Ont.

Weak?

"I suffered terribly and was extremely weak for 12 years. The doctors said my blood was all turning to water. At last I tried Ayer's Sarsaparilla, and was soon feeling all right again."
Mrs. J. W. Fiala, Hadlyme, Ct.

Don't doubt it, put your whole trust in it, throw away everything else.
