Allan Park.

We regret to report this week the death of Rebecca Kennedy, beloved wife of Mr. Henry Brigham, who passed away at her home Thursday afternoon last at the age of 63 years, the cause of her death being kidney trouble. On Sunday her remains were followed by a large crowd of relatives and friends to the Crespan cemetery, Hanover, for interment, the burial services being conducted at the church and grave by the Rev. Jenning and Rev. Brey, of Hanover. In religion she was a strong member of the English church, and her helping hand will be often missed among those who she very often helped. In the time of need she was a kind, obliging old lady and highly respected by all who knew her. She leaves an aged husband, five sons and four daughters to mourn her departure. The daughters and sons are, Mrs. H. Cross, of Louise; Mrs. W. Livingston, of Walkerton; John, of Walkerton; Wm., Robert and Thomas, of this place; and Herbert and Sus. at home. We extend our sincere sympathy to the bereaved family in their hour of sorrow.

Mr. T. Flemming, of Southampton, was visiting friends in this place lately.

Mr. and Mrs. Wm. Louis, Toronto, were up attending the funeral of their aunt, Mrs. Brigham.

A young daughter arrived at the home of Mr. Robt. Trafford lately. Mother and child are doing well.

Mrs. John Livingston, of Alpena, Mich., and Mrs. Wm. Porter, of Hepworth, were over attending the funeral of their sister, Mrs. Brigham.

Mr. and Mrs. Wm. Pierson were visiting at Mr. R. B. Hopkins' lately.

The Brethren of the L. O. L. here postponed their church parade, and have decided to hold it on Sunday, June 14th. The brethren from other lodges will please accept this invitation.

If some of the agents travelling through this country selling old second-hand pikes to poor innocent girls who do not understand anything about the articles would back up what they profess and make their old traps do what they claim it would be much to their credit.

Mr. Henry Pratt and family, of Louise, were visiting at Mr. Thomas Bailey's lately.

Saugeen Valley.

Mr. George Binnie lately sold to Mr. John Gray, of Bunnessan, an elegant six-year-old horse for the handsome sum of \$100.

Mr. P. P. Pennock purchased from A. B. McArthur, Ag't of the Peter Hamilton firm, a new sulky rake, which is certainly a dandy.

Mr. John McKechnie and sister Mary from the 2nd visited at Mr. James McGillivray, Saugeen Valley, lately. J. thinks our fair sex unequalled for looks.

Mr and Mrs. Steve Simmons, of Holstein, visited for a couple of days here with Mr. and Mrs. P. P. Pennock.

Mr. Geo. Binnie has got the finest looking fall wheat we've seen this year. Also Mr. John McDonald, of our Corner has the best looking field of oats seen this year. So far, not quite ready for cutting.

The average hat worn by the ladies this season looks as though a four hundred pound man had used it for a cushion.

Mr. John McDonald visited at Mr. Donald Graham's, Priceville, Monday June 1st.

Miss Margaret Beaton is taking music lessons. Success, M.

Mr Archibald M. Beaton, one of our stalwart young men, was busy hauling grain to your town lately. He'd be worth robbing, wouldn't he?

Mr. John Livingston, Priceville, visited with Mr. Wm. Fallaise lately.

Mr. and Mrs. A. C. McDonald, of town, visited the latter's brother, C. McClocklin, of the 4th con. Sunday last.

Mrs. Jas. Waldron, Markdale, in company with her father, Mr. Malcolm Beaton, of Mount Pleasant, visited the latter's uncle, Mr. John McDonald's Sunday last.

Mr. and Mrs. Wm. Pennock, from Holstein, visited their son, Mr. P. P. Pennock here on Monday, 1st inst.

Although there is a fine Baptist church here on our corner, and preaching in it every Sunday, yet no rain descends.

The volunteers of Co. No. 4 will camp this week at Niagara.

Private Archibald M. Beaton, formerly of Company No. 4, 31st Bat., our Summit's brave defender, with rifle bayonet fixed, hold the fort till we come.

Farmer's Institute.

The annual meeting of the South Grey Farmers' Institute was held here on Tuesday afternoon. Mr. Alexander McNeill, of the Fruit division at Ottawa was the principal speaker, and the work varied from that of former years inasmuch as it was exemplified by practical illustrations. Mr. McNeill spoke on Fruit Growing with special reference to apples. The principal points were: Mistakes in pruning and how to correct them. Grafting and top grafting illustrated on the tree. Keeping trees in repair, recommending that all exposed wood, whether made by sawing off large

limbs or by injury should be protected with linseed oil paint. The putting of iron bolts through weak crotches was strongly recommended as a means of keeping sound trunks. A free and full discussion followed.

Recommended as few varieties as possible. No novelties. The following six were to be preferred: Baldwin, Greening, Ben Davis, Blenheim Orange, Northern Spys and King, the latter two top-grafted on Talman Sweet trunks.

The pruning of gooseberries and currants illustrated.

Recommended clean culture of orchard, preparing corn, potatoes, turnips and other root crops, but no grass or grain crop.

Mr. McNeill promised us an article on the points touched for next issue, and consequently we shall not enter more fully into the matter at present.

South Grey Women's Institute.

The second annual meeting of this institute was held in the Town Hall, Durham, on Tuesday, June 9th.

There was a splendid meeting, with an attendance of about seventy-five ladies. After the business meeting Miss Laura Rose, of Guelph, was called upon and gave an excellent address on "Housekeeping," commencing at the beginning of the week and following all the week's work, showing the best and most systematic ways of doing the work. The ladies entered freely into the discussion, and many expressed the pleasure and benefit which they had received from Miss Rose's talk on this all important subject of housekeeping.

The society is doing good work, and the ladies who have not become members are missing that which they can ill afford to do without.
