Flesherton.

The Centre Grey Women's Institute meetings held here on Tuesday of last week proved both enjoyable and instructive for those who were interested enough to attend. The attendance in the afternoon was not as large as had been hoped for but in the evening a fair sized audience was present. The delegation, Miss Murray, of the Technical School, Toronto, and Mrs. McTavish, of Bruce, were each interesting in the task allotted her. The former gave instructive demonstrations in cooking, and the latter dealt in like-manner with home life and work. The evening meeting was made further enjoyable by a solo from Mr. J. J. Sheppard, several taking selections from the Vandeleur string band and an aggregation of our town musicians. Reeve McTavish occupied the chair.

Mr. W. P. Crossley has disposed of his bus outfit to Mr. Thos. Kerr, of Markdale, who takes possession on Monday next. Mr. Crossley has conducted the old bus line to the station for over sixteen years, and has been an obliging caterer to the travelling public during that time.

On Monday evening of last week the Flesherton and Ceylon football clubs played at the latter place, but neither club succeeded in making a goal.

On Wednesday of last week the Baptist Sabbath School picnicked at Kerr's grove, about four miles east of the village, and on Friday the Methodist Junior League went on their outing to Sullivan's grove, near the Irish Lake. The days were fine, and both events were full of pleasure for all.

On Wednesday evening of last week about a dozen of the members of Prince Arthur Lodge here paid a fraternal visit to the Masonic Lodge at Dundalk, and were highly pleased with the cordial reception and entertainment given them, as well as with the excellent manner in which several degrees were conferred by the Worshipful Master, Mr. J. F. VanDusen.

Mr. Kating's gang moved the agricultural hall last week to its new location, an improvement on the former site.

Mr. W. Parker has purchased Mr. W. Hales' brick veneered residence on Campbell street, and is having it raised and placed on a more substantial foundation.

Mr. Lou Fisher, of the suburbs, had a successful barn raising on Friday afternoon last. There is a fine stone basement underneath the superstructure, which was framed by Mr. J. McDonald. Messrs. J. Boyd and K. Parslow were captains and the latter won in the usual exciting race at the finish.

On Wednesday of last week Mrs. Ed. Whitten and sister were driving out of the village and had a narrow escape from injury by their horse taking fright at a dog. In the mixup the horse fell and broke the shaft of the buggy, but the women and one child fortunately escaped injury.

Communion service was held in the Presbyterian church on Sabbath afternoon last, at which there was a large attendance. Rev. G. S. Hurlbert assisted the pastor at the preparatory service on Friday.

Rev. Iverson Wilson preached to the Orangemen at Ceylon on Sunday afternoon.

Though Flesherton had no celebration on Monday the streets were alive from an early hour till nearly noon with the constant stream of vehicles which poured in from east, north and south en route for Markdale. The evening hours were as fully taken up with the return of the dust covered and weary looking celebrationists. Several lodges passed through and favored us with the lively airs common to the celebration of the Glorious Twelfth.

Miss Cole, of this place, has a floral rarity in a cactus, a night blooming cereus, of which, because of its rarity and beauty, she may justly be proud. On Monday night it bloomed for the second time, and in a few hours lived its brief but beautiful life.

Mr. and Mrs. Burns, of Belleville, are the guests of Rev. and Mrs. Wilson at the parsonage. Mr. Burns, Mrs. Wilson's uncle, is editor of the Canadian Mute and a teacher in the Deaf and Dumb Institute, Belleville. He possesses a fine voice and favored the Methodist congregation with two well rendered solos on Sunday.

Mrs. Wm. Hooper and daughter, Mrs. Robt. Davis, of Achison, Kas., are visiting the former's brother and sister, Mr. A. Munshaw and Mrs. Mosier.

Mrs. Pye is visiting her son, Mr. Charles Pye, at Clarksburg.

Mrs. W. H. Bunt is visiting her mother at Woodbridge.

Miss Rita Crane, of Owen Sound, is visiting her grandparents, Mr. and Mrs. R. Trimble.

Mrs. Jos. Legard, of Toronto, is visiting her sons and sister here.

Mr. Geo. Legard, of Chicago, and brother, Fred, of Toronto, paid a short visit here last week.

Mr. A. McGirr, the veteran postmaster, Feversham, took a holiday on Thursday and Friday last and visited his daughter, Mrs. George Mitchell, here.

Mr. S. Damude, of Toronto, was in town on Friday and Saturday last. Messrs. F. W. Hickling and W. A. Armstrong are delegates to the Masonic Grand Lodge meeting in Toronto this week.

Rev. Iverson Wilson leaves on Wednesday a delegate to the International Epworth League Convention at Detroit.

Miss Celia VanDusen is holidaying this week with Mrs. J. F. VanDusen, Dundalk.

Mr. James, of Woodstock, was the guest of Dr. Carter on Sunday.

Mrs. J. W. Armstrong received the sad news last week of the death of her daughter-in-law, Mrs. (Dr.) Geo. S. Armstrong, of Spokane, Wash. Mrs. Armstrong was ill only a few days, and her sudden and early demise was a shock to her relatives here.

The Misses Warner, of Osnabrock, Stormont County, are visiting their cousins, Miss Stella and Eva Loucks. Mr. and Mrs. W. Sheppard, of Toronto Junction, visited the former's parents and brother, T. J., here last week.

Miss Fulton and Miss Dunlop, of Woodstock, are the guests of the former's aunt, Mrs. (Dr.) Carter.

Mrs. Egan, sen., and Miss Egan arrived from Hamilton last week to make their home for a time with the former's daughter, Mrs. J. Runstadler.

Mrs. Jas. Sullivan has gone to visit her daughters at Montreal.

Miss Osborn, milliner at Boyd, Hickling & Co.'s, left on Monday to holiday at her home in Guelph.

Dr. Park and Miss Amy Meredith, of Durham, were in town on Monday callers of Mr. and Mrs. W. A. Armstrong.

Orchard.

Mr. Jacob Hoeflin raised his barn Thursday last.

Sunday was children's day in the Methodist church. A goodly number of children were present. The pastor, Rev. Mr. Truax, had a very interesting discourse, clearly explaining the different means people adopt to try and get to heaven their own way and deeply impressing on the minds of young and old the one lone and living way.

Mrs. John Queen left Wednesday morning on the G. T. R. to visit her children in Chicago and Zion City.

Miss Maud Wilson, Mrs. Colross and children, of Toronto, are the guests of Mr. and Mrs. Wm. Bradley.

Mr. Geo. Schram's second daughter, Murray, had the misfortune to break her arm between the wrist and elbow. Dr. McDonald, of Durham, set the broken limb and the child is recovering favorably.

Miss Ida Mark has returned from Galt and intends staying the remainder of the summer.

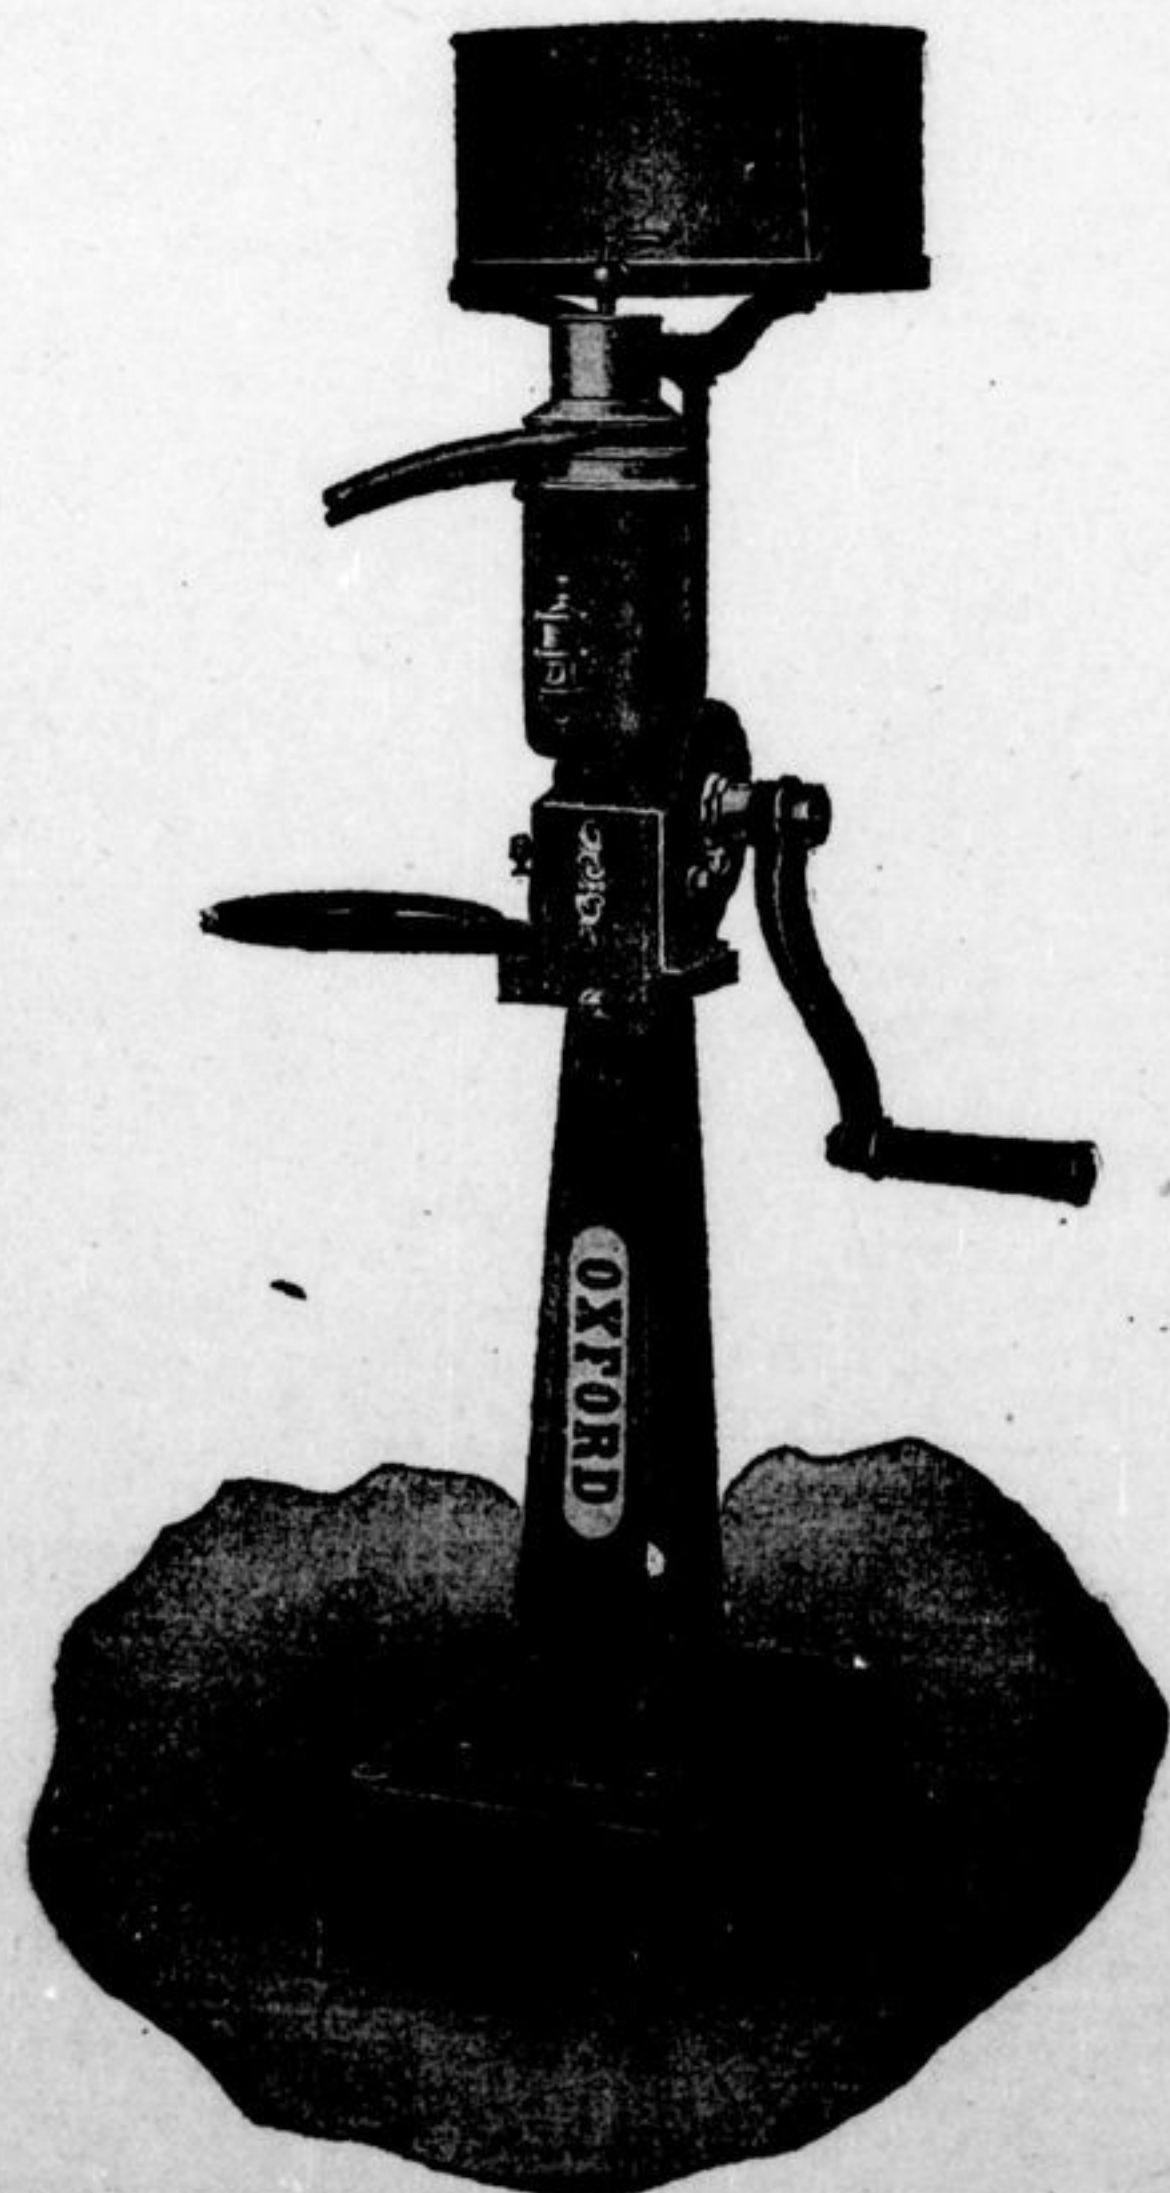

Mr. Wm. Brown was in Toronto over the 1st.

Nerviline Cures All.

Nerviline is a combination of the most pain curing substances known to medical science. It represents the latest discoveries in the healing art—so concentrated that one drop of Nerviline is equal in pain-subduing power to five drops of any other. For Neuralgia, Rheumatism, Cramps, Pain in the Back, its action is rapid and certain. Sure to cure. Your money back if you do not find it so. Druggists sell it.

Killing Mustard With Blue-Stone.

Read carefully and preserve for reference.

The Minister of Agriculture has again authorized the Ontario Agricultural College to give demonstrations in mustard spraying.

The demonstrations given in many parts of the Province in 1901 and 1902 were uniformly successful in the destruction of growing wild mustard plants in growing cereal crops; and it is believed that the Blue-stone treatment of mustard will be welcomed by hundreds of farmers throughout Ontario.

1. How the Blue-stone is applied:—Place an ordinary spray pump, such as is used for the spraying of fruit trees, on a cart or light wagon; drive along slowly through the field applying the solution to the mustard plants in the form of a fine spray. When the field is badly infested, it is advisable to spray the crop in strips in order that no mustards plants escape the spray.

2. How the Blue-stone Solution is made:—Put nine (9) pounds of Blue-stone (Copper Sulphate) in a coarse sack or bag, and suspend it in a vessel containing three (3) gallons of very hot or boiling water. The Blue-stone will usually dissolve in 15 or 20 minutes. Strain the solution into the barrel of the spray pump, and fill up with cold water to make 40 or 45 gallons. This is known as the 2 per cent. solution. (1 pound of Blue-stone in 5 gallons of water.)

3. When to spray the Mustard Plants:—Spray the mustard on a calm, bright day, just as the plants are coming into bloom. At this time most of the young plants have made their appearance, and all will be killed. Should a heavy rain come immediately after spraying, it will be necessary to spray again.

4. The Cost of the Solution:—Commercial Blue-stone or blue vitriol costs at the drug store about nine or ten cents per pound. A barrel of the solution will therefore cost about eighty or ninety cents.

5. How much is required to spray an acre thoroughly? A barrel of the solution is sufficient for an acre. Successful results are obtained when the spraying is done thoroughly.

6. Are the Crops in which Mustard is growing hurt by the Spray? Experience shows that the young wheat, barley, oats or young clover plants are not injured beyond a slight browning for a few days by the Blue-stone spray.

7. Where further information may be obtained:—Should you desire further information regarding the treatment of Mustard with Blue-stone solution write to the Biological Department of the Ontario Agricultural College.

BIOLOGICAL DEPARTMENT,
Ontario Agricultural College,
Guelph, June, 1903.

Dollars Saved

We can save you money on this week's shipments alone, principally Dry Goods and all kinds of Shoes. Read carefully the following list of Money-savers and then come and you will find everything exactly as advertised.
