Women's Institute Meetings.

A successful series of meetings of the S. G. W. I. were held from Holstein to Elmwood, at which Miss Jeanie Roddick, of Cobourg, and Miss Lily M. Beam, of Black Creek, were the principal speakers.

There was a very good attendance at the Holstein meeting, which was held in Robert's Hall. After a few remarks from the branch president, Mrs. J. Murdoch, the Sec'y, Mrs. T. J. Reid, gave a full report of the annual meeting at Durham pointing out the lessons to be learned from Miss Laura Rose's talk on "House-keeping."

Miss L. Beam then spoke on "Scientific butter making," laying special emphasis on cleanliness which is so essential in the manufacturing of a good article of butter.

Everyone throughout enjoyed the demonstration by Miss Jeanie Roddick on "Made over dishes." Miss R. prepared some cold meat, also made potato salad and tomato soup. After singing the National Anthem the ladies of Holstein served an excellent lunch of cake and coffee.

At the Dromore meeting the attendance was upwards of fifty. Miss Beam spoke on the "Nutritive value of common foods." The chief use of foods is to build up the body and repair it as the tissues wear out, and to produce heat. Hence the necessity to use the food most adapted to our bodies and food that does not agree with us should be utterly discarded.

Miss Roddick gave a very interesting talk and demonstration on Vegetables, Soups and Salads. Miss R.'s recipe for Salad Dressing is as follows: 1 cup vinegar, 1 tablespoon sugar, 1 teaspoon salt, 1/2 teaspoon mustard, heat together. Then beat 2 eggs (use Dover beater), add the above mixture to the beaten eggs, placing bowl over hot water and beating rapidly until cooked. When done it will cling to the beater. Remove immediately from fire and add 2 tablespoons of butter. This dressing will keep two or three weeks if put in a gem jar.

At the evening meeting Miss Roddick again gave a demonstration, this time making lemon pudding, which makes a good desert in hot weather.

Miss Beam spoke on "Cheerfulness in the Home," giving some excellent advice to both husband and wife.

Mr. R. Renwick acted as chairman in his same pleasing manner.

The Secretary, Miss K. Dixon, made a few remarks regarding the work and benefits of these meetings of the Women's Institute.

Messrs. Geo. Binnie and W. Young, of Bunessan and Durham resp., were present, and each gave nice little speeches.

The musical part of the program was furnished by the Dromore choir. The leader, Mr. Ramago, rendered two solos, "Heroes and Gentlemen," "Miss Fogarty's Christmas Cake," in his usual excellent manner. Miss Jean Renwick sang sweetly the "Crook and Plaid" and was warmly encouraged. God Save the King closed a very pleasant and profitable meeting.

The Durham meeting was well attended and good interest was shown by the discussions which followed the addresses.

Miss J. Roddick gave a nice demonstration on making Summer Desserts. She prepared several deserts, and after tasting them the ladies pronounced them to be delicious.

Miss Beam gave a nice talk on "Cheerfulness in the Home."

At Allan Park the meeting was held in the Orange Hall. Quite a number were present and all seemed to be greatly interested in the Institute work. After Miss Roddick's demonstration on Vegetables and Miss Beam's address on Butter making, a branch Institute was formed.

In Elmwood the meeting was held in Bohlander's Hall. The attendance was between twenty and thirty. The Elmwood ladies were highly pleased with the work of the delegates. The program was same as at Allan Park. We had the pleasure of entertaining a gentleman at this meeting, and after tasting the delicious soup he assured us that it was very good.

A nice lunch was served by Elmwood members, after which everyone departed for their homes feeling that they had spent a sociable and profitable time together.

Durham As She Was.

We have in our possession an old directory, published in 1871, and in order that some of the old residents may connect the past with the present and reflect over the changes of the past thirty years, we copy the portion which refers to Durham as follows:—

Durham—A village on the Saugeen river, at the intersection of the Durham and Garafraxa roads, on the town line between the townships of Glenelg and Bentinck, county of Grey. There are two grist mills, two carding mills, two foundries, two tanneries and a saw mill in operation. Montreal Telegraph Co. has an office here. The Toronto, Grey and Bruce railway is expected to have a station here in a few years. Daily stages pass through here from Owen Sound to Ferguson, and from Collingwood to Walkerton. Distant from Owen Sound, the county town, 28 miles, fare \$1.50; from Ferguson, a station of the Wellington, Grey and Bruce railway, 42 miles, fare \$2; from Collingwood, the terminus of the Northern railway 46 miles, fare \$2; from Toronto, 139 miles. Mail daily. Population about 1250.

WEDDING BELLS.

FISHER—MEREDITH.

On Wednesday morning, July 8th, at seven o'clock, a quiet but pretty wedding was solemnized in St. John's church, Yale, B. C., when Miss Leona Warberton, daughter of the late Thos Meredith, of Durham, was united in marriage to Mr. John M. Fisher, of Vancouver, B. C.

The bride, who wore a pretty travelling suit of fawn cloth and carried a bouquet of white roses, was given away by her brother-in-law, Mr. H. V. Cottrell.

After the short impressive ceremony, which was performed by the Rev. Charles Croucher, incumbent of Yale Parish, the party repaired to the home of the bride's sister, Mrs. H. Cottrell, where a dainty breakfast was partaken of.

Mr. and Mrs. Fisher left on the 8:40 train for Harrison Hot Springs, B. C., where they will spend a few days before proceeding to their home in Vancouver.

The bride received many beautiful presents, among them a handsome silver pudding dish from the congregation of Trinity Church, Durham, also a very pretty silver cake plate from her Sunday school class. The groom's present to the bride was a handsome gold watch and chain.

Miss Annie C McKenzie, Annie L McCracken and Maggie McKenzie have succeeded in passing the Normal Examination at Ottawa.
