The Scottish Concert Company, of Aberdeen, gave two high class and very pleasing entertainments in the town hall here on Friday and Saturday evenings last, and the liberal patronage accorded was very gratifying to the Presbyterian Ladies' Aid, under whose auspices they came. From first to last there was not an objectionable number on either program and the audience gave unmistakable evidence of their appreciation of the treat presented in the popular Scotch songs sung by Miss Mary Burnett, soprano, and Miss Nellie Malcolm, contralto, and the beautifully rendered violin solos by Miss Jennie Thomson, followed by a splendid exhibition of Scottish and other scenery and moving pictures accompanied by appropriate piano music. The moving pictures were pronounced by a number of the best they had yet seen. One of Mr. C. Patterson's new Bell pianos was used on this occasion and was pronounced very fine by Miss Malcolm, who is an excellent pianist. Miss Burnett sang "Lead Kindly Light" with much feeling at the Presbyterian service on Sunday afternoon.

On Monday of last week Rev. L. W. Thom united in marriage at the manse here Mr. W. Neithercut, of Melancthon, and Miss Edna Locke, of Dundalk.

Mr. John Corrigan, of the 4th line, Artemesia, who has for many moons lived all alone, has decided no longer to do so and will henceforth have a companion at his fireside, the young woman of his choice being Miss Jane Gibson, also of the 4th line. The marriage was performed by Rev. J. Hill at the rectory, Dundalk, on Wednesday of last week.

The parsonage, 171 Arthur street, Toronto, was the scene of a quiet but pretty wedding on Tuesday afternoon of last week when Rev. J. P. Kennedy, M. A., joined in wedlock Ethel M., daughter of Mr. and Mrs. Edward Whitten, of this place, and Mr. J. P. Saunders, of Toronto, formerly of Watford. The bride was prettily attired in a gown of white silk, trimmed with cream lace. Revs. A. White and J. T. Barnacks, of Toronto, were among those who witnessed the ceremony. Mr. and Mrs. Saunders will take up their new home in Toronto this fall. Mrs. Saunders is at present visiting her parents and is accompanied by her cousin, Miss Sadie Quinn, of Dundalk.

Dr. Christoe occupied the Methodist pulpit on Sabbath morning last and excelled himself in a thoughtful discourse on the second coming of Christ based on Acts 1: 10, 11. The Dr. made no prophesy as to the date of the event, but affirmed that certainly it would take place, and therefore earnestly urged his hearers to be ready, for, says the words, "in such an hour as ye think not the Son of Man cometh."

Rev. J. M. Simpson, of Toronto, is to deliver his interesting lecture, "God's Nation," in the Methodist church this (Monday) evening.

Some days ago Mr. Walter Taylor, who lives west of the village, swallowed a piece of meat which lodged below the windpipe in the passage to the stomach. The local doctors endeavored to remove it, but finding their efforts futile advised him to go to the city, which he did, and was there successful in having the ob-

structure removed. Powders administered caused it to pass into the stomach. Mr. Taylor has an inflamed throat and has been unwell for a few days, but hopes to be soon over the effects of his mishap.

Gray Hair

"I have used Ayer's Hair Vigor for over thirty years. It has kept my scalp free from dandruff and has prevented my hair from turning gray."—Mrs. F. A. Soule, Billings, Mont.

There is this peculiar thing about Ayer's Hair Vigor—it is a hair food, not a dye. Your hair does not suddenly turn black, look dead and lifeless. But gradually the old color comes back,—all the rich, dark color it used to have. The hair stops falling, too. \$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.
