Sometimes the hair is not properly nourished. It suffers for food, starves. Then it falls out, turns prematurely gray. Ayer's Hair Vigor is a

hair food. It feeds, nourishes. The hair stops falling, grows long and heavy, and all dandruff disappears.

"My hair was coming out terribly. I was almost afraid to comb it. But Ayer's Hair Vigor promptly stopped the falling, and also restored the natural color."

This week's budget.

The directors of East Grey Exhibition have things in good shape for the fair on the 24th and 25th inst. The agricultural hall, which was recently moved to its new site, has undergone extensive improvements inside by way of new platforms, new shelves etc., all of which will be appreciated by exhibitors. A new poultry house has also been built which has been fitted up with every convenience for exhibitors of the feathered tribe. Entries are now coming in freely to the secretary, who though ever obliging, has on account of the work involved, to request that all entries be made not later than the day before they are to be judged. The directors are putting forth every legitimate effort to make the fair of 1903 surpass any of former years. Fakery and gamblers need not apply. Their presence is not wanted much less their objectionable traffic which will not be permitted on the grounds.

A bit of news we omitted from our budget last week was a midnight visit to Boyd, Hickling & Co.'s store by a couple of marauders who effected an entrance through a window in the basement and evidently helped themselves to a new outfit of wearing apparel as the disheveled wardrobe was left behind.

Rev. Ivison Wilson is, we regret to state, laid up by a painful accident which befel him on Saturday afternoon last. He was in the act of ascending the attic of the woodshed to put away his tent when a strip near the roof, by which he was raising himself, gave way and he fell heavily on his right side on the end of the boards covering the joist. Two of his ribs were fractured so as to disable him for a while, but still more serious might have been the result had he not been able to save himself from falling through to the floor below. Dr. Christie and Mr. Feistead supplied his pulpit here on Sunday.

Two funerals took place to the Public cemetery here on Sunday last. In the forenoon the two-year-old daughter of Mr. and Mrs. Walter, of Kimberley, was tenderly laid away and in the afternoon the remains of Mr. Robert Clark, who died on Friday at the home of his son, William, at Maxwell, were laid alongside his wife, who predeceased him here some years ago. Mr. Clark, who had reached the ripe age of 83 years and was a highly respected old gentleman, was among the earliest settlers in Artemesia township and for many years residing in this place conducting a blacksmith business. He was for many years a faithful member of the Methodist church. A number from here attended his funeral, which was very large. A respected family of two sons and four daughters survive him.

Mrs. J. E. Fawcett held her first reception since her marriage on Tuesday and Wednesday of last week. She was assisted by her sister, Mrs. T. J. Sheppard, Miss Christine Richardson and Miss Florrie Richardson, who were most attentive to the numerous callers who presented themselves during the reception hours.

Communion service was held in the Presbyterian church on Sabbath last. Mr. Malcolm McDonald is preparing to brick veneer his dwelling. Mr. T. J. Sheppard is repainting and much improving the appearance of his residence. Mr. Tryon has completed his contract of repainting the exterior of the Methodist church.

Anniversary services are to be held in the Methodist church here on the 27th inst. Rev. Wm. Johnston, of Havelock, under whom the church was built 26 years ago, has been secured to preach morning and evening.

The Artemesia Sabbath School Association is to hold its fourth annual convention in the Methodist church here on the afternoon and evening of the 30th inst.

Miss Osborn, of Guelph, has returned to take charge of Boyd, Hickling & Co.'s millinery department, and Miss Beattie, of the Toronto line, is superintending in the same line for Mr. T. J. Sheppard.

On Tuesday of last week the home of Mrs. Rutledge here was the scene of a christening gathering, when the children, Edward E., Irene E. and Alfred L., of her son, Edward, of Bloomfield, N. J., who with their mother are visiting their grandparents, Mr. and Mrs. McGruther, were baptized by Rev. J. S. I. Wilson.

Charlie Thompson, clerk in Boyd, Hickling & Co.'s store, visited at the home of his parents, Mr. and Mrs. Jacob Thompson, on Sunday last, and while there received a severe kick in the face from one of their horses.

Mr. J. P. Bunt returned from Toronto on Saturday attending the Undertakers Association meeting and also the Myers' Embalming School, from which he has his diploma.

On Saturday last, Mr. Fawcett, principal of our public school, received a tempting offer from a school board in East Toronto, and he accepted the same, his duties to commence there in October. Mr. and Mrs. Fawcett, who have just settled in their new home, have made for themselves a place here and will be much missed in both musical and social circles.

Mr. Wm. Smith, who has been caretaker of the Methodist church for about twenty years, felt disposed to retire and tendered his resignation a short time ago, but at a meeting of the trustees on Friday last he was induced to continue and renewed his contract for another year.

The Methodist Ladies' Aid Society are going to give an "Old Folks'" concert in the town hall on the evening of the 25th inst., Fair day here.

Mr. and Mrs. T. A. Blakely and Mr. and Mrs. Jacob Lever were at Walkerton some days ago attending the funeral of a relative.

Mr. Bert Crossley has returned from an extended visit with friends at Meaford and Collingwood.

Edge Hill.

Mr. George Ritchie sold a horse recently for \$150.

Miss Martha Firth left last week for Rochester.

Mr. Wm. Edge has purchased a new Deering drill.

Mrs. Albert Williams and two children are visiting Mrs. C. Williams at present.

Mr. Archie Ector is engaged with Mr. James Bartley for the season's threshing.

Mr. Thos. Greenwood spent from Wednesday until Monday at the Toronto Exhibition.

Mr. Will Firth wheeled down to Jessopville last Saturday to visit his cousins there.

Mr. Harry Williams has the masons at work building the foundation for a barn which he intends to erect next summer.

Miss Nellie Greenwood returned home Monday after a couple of weeks with friends in Toronto.

Born on Saturday, 12th inst. to Mr. and Mrs. Jos. E. Firth a son. Just in time to run the place while Joe is away threshing with Smith Bros.

Mr. and Mrs. Ed. Limin, of town, and Mrs. Rice Meredith, from Regina, visited the latter's sister, Mrs. James Staples, the beginning of the week.

Slowly Dying from Catarrh. Thousands are in this terrible condition but don't realize their danger. If you have the slightest taint of Catarrh, would it not be wise to commence Catarrhazone treatment now and be perfectly cured in a short time? This pleasant remedy cures without the use of drugs, atomizers or snuffs. You inhale the medicated vapor which spreads to all parts of the breathing organs, kills the germs and heals the inflamed surfaces. Catarrhazone clears the throat and nose instantly, and never fails to cure the most obstinate catarrhal, lung and throat troubles. A trial will demonstrate the value of Catarrhazone, which sells for \$1.00, small size 25c., at Druggists or Poison & Co., Kingston, Ont.
