## LACROSSE.

### Durham in the Finals.

The Champion Durham Lacrosse Team notched another peg for the Junior Championship of Canada on Friday and are now pitted against the Elora's for the coveted prize, which if they win, and we can see no reason why they shouldn't, the Banner will be floating in Durham.

Our boys left here Friday morning per G. T. R. for St. Marys where they were to meet the Champion Wallaceburg team. The contingent was very small, only two followers accompanying the team. Shortly after their arrival there they were made aware by the shrieks of the train whistle that Wallaceburg had brought down a special train load of supporters, and on every hand was the cries of the sporting element from the glass-blowers' burg, 10 to 5 on Wallaceburg.

At 2.30 sharp, Referee Gillespie of Orangeville, blew the whistle and the game started. Durham was seen to be uneasy and before they had come to, Wallaceburg had drew first blood, landing the ball past Theobald, Matheson and Lavelle. Play being resumed, it was seen that the boys in blue and white had woke up, and by the fastest combination had found the net. Just before the call of time in this quarter the home made another dash which completely dazzled the Wallaceburg defence and notched another goal. Quarter ended Durham 2, Wallaceburg 1.

The second quarter started with the Durham home playing all around the Wallaceburg defence while the home of the Wallaceburg team was unable to get in on the strong Durham defence, and after a few minutes play Durham notched another goal. In resuming play, things were getting mixed up and Hunter was sent to the fence for five minutes for fouling, as also did one of the Wallaceburg players. Quarter ended Durham 3, Wallaceburg 1.

The third quarter was the most interesting of the whole game, both teams playing superb lacrosse. Wallaceburg fighting like demons to even the score but fought in vain. Dug Munro was sent to the bench for five minutes for checking a player into a building and had hardly got seated when Pete Matheson also got penalized very unjustly as his check was fair. No scoring done in this quarter.

The fourth and last quarter found blood in every eye on the Wallaceburg team, their supporters rushing out and offering them all kinds of money to score but in vain did the red and white from near Yankee town try, but it was of no avail. Durham simply played rag and held the score down. Near the finish of this quarter Wes Theobald got his medicine from the Referee who gave him five minutes rest. The game ended Durham 5, Wallaceburg 1.

Durham lined up with the following players:—Goal, Chas. Lavelle; Point, Pete Matheson; Cover Point, Wes. Theobald; 1st Defence, Mike McCracken; 2nd Defence, Buff Dixon; 3rd Defence, W. Hunter; Centre, Geo. A. Pearson; 3rd Home, Dug Munro; 2nd Home, Allie McIntyre; 1st Home, Percy Glass; Outside, Jim Lavelle; Inside, Mac McCorvey; Field Captain, Pete Gagnon; Referee, H. Gillespie.

### NOTES

One more victory and the Banner is ours for a year.

Ten to five on Wallaceburg and their money was taken by the sports of St. Marys.

Nothing too good for the people of St. Marys. Never has our team been accorded such good treatment as that received at the hands of the St. Marys people, and had they not kept the Wallaceburg mob back, our players would have received some hard knocks. We hope to return the compliment to the people of St. Marys especially the lacrosse players in that town.

### Corner Concerns.

The Rev. H. R. Diehl in preaching the anniversary sermon in the school-house on Sunday created a very favorable opinion of his ability and pleasant manner, but the congregation in neglecting to decorate the building with the fruits and flowers of the season to give zest to the affair and inspiration to the speaker did not create so favorable an opinion.

The old saying that the pride of man in what he knows decreases as his knowledge grows, is never so noticeable as in a young man who imagined he could beat a fakir at a country fair; even at his own game but had learned at considerable cost that he couldn't.

Varney and Holstein have each had lacrosse teams quietly practising the national game all summer, and on Monday, the 14th, they played their first game on the Holstein grounds. At the end of the fifteen minutes Holstein concluded they hadn't yet learned how to play lacrosse, and that ended the game. The score stood 8 to 0 in favor of Varney. Holstein will, no doubt, think Varney uses slight of hand work in their playing because they got the goals so quickly, 2 inside of half a minute at one time. Varney would now like to try Durham only it would be mean to try to take the championship from them at one game after them having fought so hard for it all summer.

The Rev. Mr. Truax held cottage prayer meeting last Friday night in the home of Mr. John Sharp. It is now so long since that kind of meeting has been held in this part that it is an entirely new thing.

Mr. Dave Eccles has moved out to this line with his threshing outfit. About a decade ago he was very popular in this part with the old horse power machine, and now that he has an up-to-date steam rig he will likely be a favorite again.

It was with feelings of deepest regret that the people of this community learned of the death of Miss Maud Irwin who so often cheerfully gave them her valuable assistance in their undertakings in good causes, and they wish to express their deepest sympathy for the father, sister, and brother, of the departed one.

Our teacher, Miss A. Lawrence, has been re-engaged we understand for 1904 and given an advance of \$5.

Mr. and Mrs. Wm. Hannah, of Ferguson, spent last week with friends in this part.

Mr. Simon Wilder and Miss Maria Wilson were united in the holy bonds of matrimony on Sept. 17th by the Rev. Mr. Newton. We all sincerely hope that good may result from the marriage and that the couple may prove a blessing to each other.

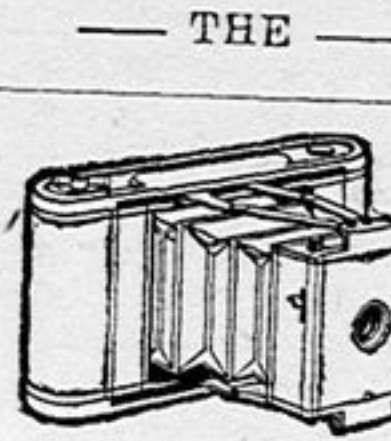

Mrs. Frank Grasby left on Saturday to spend a month in Toronto with her daughter, Mrs. Smallman.

Mr. John Allan is having a good roomy kitchen built at the back part of his fine brick house. Mr. James Ritchie has the contract for the mason work.

Mrs. Wm. Marshall is feeling somewhat indisposed at present. We hope the ailment may be but temporary.

An exchange has it that a superstitious subscriber who found a spider in a copy of his paper wants to know if it can be considered a bad omen. Of course not. The spider was merely looking over the columns of the paper to see what merchant was not advertising so that it could spin its web across the store door and not be disturbed.
