THE masons started work last week on the new block being built on the Stewart corner by the Hunter Bros. Good progress is being made by the Ritchie boys who have the contract.

AFTER the heavy rain storm which struck here last week, the temporary bridge across the river was swept away and a breach made in the east side of McKechnie's mill dam. The latter has been repaired, but pedestrians from the west side have to walk round by George Street to get over town. This makes us enquire all the more eagerly about the new bridge that should have been finished the first of October, but isn't here yet. Reports say it will be on hand in a day or so, but there's no telling.

THE brethren of the Glenelg Baptist church having had the painters at work on the inside of their church building for two weeks, re-opened their church again on Sunday, Oct. 11th. The day was all that could be desired. Rev. W. L. Newton, of Durham, preached in the afternoon. His sermon was logical and methodical, and best of all it was a spiritual uplift. In the evening Rev. Mr. W. Achinson, pastor of the Dornoch Presbyterian church, preached a very able and interesting sermon which was enjoyed very much. The offering for the day, which went toward the expense fund, was \$26.56. The church and congregation are congratulated for the great change in the church building. Particular mention may be made of the untiring efforts of two members of the committee, Dea. Baker and John Ellison, Jr. Many thanks to all who helped in any way.

THE Anniversary and Harvest Home services of the Varney Methodist church were held on Sunday and Monday, October 11 and 12. Sermons were preached on Sunday in the morning by Rev. Wray Smith, of Durham, and in the evening by Rev. Mr. Campbell, of Dromore. Large congregations were present on each occasion. The choir of the church rendered suitable selections at each service. On Monday evening a concert entertainment was given, and as usual the church was packed to its full seating capacity. Musical selections were rendered by the Durham Methodist choir, which, though lacking some of its members, won well deserved applause. Miss Cornish in her elocutionary effort did well in every number, but was especially happy in her rendering of the "Amen Corner" and "How the Deacon drove the calf." The gramophone selections by Mr. J. W. Glass won for him repeated encores. The pastor, Rev. J. P. Bell, occupied the chair and was especially happy with his people. Addresses were given by Revs. Farquharson and Smith, of Durham. The success of the services were very gratifying to the pastor, officials and members of the church.

WORK has now ceased on the construction of granolithic sidewalks for the present. A long stretch has been put down and the work appears good. It was done by the Maple Leaf Paving Co., of Simcoe.

THE Governor General has appointed Thursday, 15th instant, as a day of public Thanksgiving to Almighty God for the blessings of the year, and requests all Christian people to devoutly observe the same by assembling in their places of public worship. Accordingly there will be (D. V.) Divine Service in Trinity church at 11 a. m. and Allan's school house at 3 p. m.

BALDNESS—This is a vital question with hundreds of men who are bald or partially so. How to overcome the disfigurement lent by baldness is a simple matter when you consider the perfection of modern art in the making of Wigs and Toupees. The visit of Prof. Dorenwend, of Toronto, to Durham, on Thursday, Oct. 29th, at the Middaugh Hotel, renders it possible for any who wish to consult him to do so at his private apartments retained at Middaugh House for this purpose. Demonstration given to show the perfect naturalness of his Wigs and Toupees. Do not miss this opportunity. Remember the days and dates.

THE visit of Prof. Dorenwend to Durham on Thursday, Oct. 29, will afford the ladies of Durham and surrounding country an opportunity of consulting him regarding their Hair, its needs, and their requirements in all styles of Hair Goods. Prof. Dorenwend carries with him a large and most varied assortment of his famous conceptions in Switches, Bangs, Pompadours, Wavy Fronts and Wigs. The equal of these high grade natural hair productions can not be procured from any hair goods dealer in America. Prof. Dorenwend has the distinction of being the largest manufacturer and the most noted specialist in these goods. Private apartments are at the convenience of all who avail themselves of calling at the Middaugh House on the days of his visit.

THROUGH the foolishness of a couple of smarties who were racing horses on the night of the Varney Church Anniversary, an accident happened to Miss May Saunders which may cripple her for life. On the way home, four from town were coming along leisurely when suddenly two conveyances flashed by, one on each side. This frightened the horse and he became somewhat unmanageable, and the lady occupants, Miss Saunders and Miss Lauder jumped for safety, and in doing so Miss Saunders had her ankle bone broken in two places, in such manner that the attending physicians entertain the opinion that the foot may be stiff. Idiots who indulge in such pranks as to race along the public highway at night or any other time, seem fit subjects for the lunatic asylum. We do not know who the guilty parties are, but hope they may be taught a good lesson.

WE hold over till next week an interesting article on the Imagination in Education by Rev. Mr. Farquharson. We have it in type but have no room for it all, hence we hold it over.

THERE will be a Thanks-giving service in the Presbyterian church on Thursday (to-day) at 2.30 p. m. Services preparatory to the Communion will be held on Saturday also at 2.30 p. m. when the Rev. Mr. Aitcheson of Dornoch will preach.

It's gratifying to grow. Our circulation is now considerably over 1400 and we want to make it 1500 by the end of the year. We are not canvassing and we assure our readers we appreciate the support of those who come in voluntarily and order the paper.

THE divorced wife of a millionaire advises girls not to marry a man of millions, and it seems like that all the girls of this section are taking her advice. None of them marry a man worth more than a quarter of a million, and from that down to thirty cents.

THE Baptist Convention of Ontario and Quebec meet in Owen Sound next Monday and will continue in session all week. Three hundred delegates from all parts of the two provinces are expected to invade the county capital with a number of "big guns." The sessions will be held in the handsome and massive new Baptist church just recently erected there. Rev. W. L. Newton goes as a delegate from the Baptist church here.

"The women in the city," said a man who had just got back, "all look alike. They've all got the same walk, a gliding gait with long steps and out-stretched necks. They all wear those scoopy hats that stick way up off their hair and their hair is all done alike. Notice how their skirts are all alike, too. Then all their sleeves are big at the bottom, and all their shoulders are long, and every waist has a full blouse. Actually their faces look alike to me. The hats and coiffures and gowns seem to give them the same expression. It isn't a bit like that in the country. One girl you meet has on a sun bonnet, the next a man's straw hat, the next is bareheaded. One wears a trailing blue muslin gown of the cut of the sixties, and another has on a red sack and a short black skirt. My, but it is interesting, wondering what you'll see next. A fellow has some pleasure being introduced to a girl if he does not know what she is going to look like beforehand. They're a lot prettier that way, dressing as if each had a mind of her own."

Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at Darling's Drug Store. tf.
