THE BIG STORE

Stock Taking Sale

10% Discount

In order to clean up our stock of winter goods before stock taking we have decided to start early to give the public the inducement to buy what they usually leave off until spring. People know that they can buy winter goods in the spring at a discount. This year you can do as well all through January as you can later on. 10% discount means that if you buy ten dollars' worth of goods you pay us nine dollars, and if it's only one dollar's worth of goods you pay it with ninety cents. Everything goes at this rate for one month except coal oil, nails and groceries.

A trial will convince you that our Sale means money in your pocket.

Corner Concerns.

Mr. Ben. Woods, had a wood bee in the woods on Friday and a dancing party in his home at night. Both were a success.

Mrs. Wm. McFadden has had some of the ill luck that sometimes befall people. She had well recovered from the shaking up she got in a runaway accident last June, when she was laid up by getting a fall down stairs, last week. No bones are broken and we are pleased to hear she is well on the way to recovery.

Miss Ethel McCalum of Nolan, Man., who is visiting her many old friends in Ontario spent a few days of last week as guest of Mr. and Mrs. Jas. Tucker.

Mr. Angus Cameron of North Dakota who is home to spend the winter with his family in Durham, visited his old friend Joe Mack on Saturday.

Mr. Thos. Tucker took in the Odd Fellows' supper in Mt. Forest on New Year's day, or at least a share of it. He reported a very pleasant time.

Mr. Jas. Eden joined the little and of workers for the Durham Supply Co., this week. There seems to be a lot of farmers at outside points who think a Co is essential to success, while the Durham Company has shares in abundance to dispose of and our lads like the job of passing them around so it seems as if all parties are made happy by the transaction. Jim will accompany Jas. Allan to Thornbury for a starter, while Arch. Baird and Alex Allan go to Ottawa.

Municipal matters are very quiet in our Township this year. The Reeve being appointed by acclamation left only the deputy-ship to be of much interest and it's an Owen Sound job for the man who gets it. Ferguson and Gordon the contestants for it are both good men and the Township will suffer no loss no matter which of them go up.

Mr. Jas. Tucker was elected to the Trusteeship in our school this year in place of the retiring one, J. Mack. The meeting was a short quiet one with a small attendance.

We were in error when we announced that the poverty and hand social was to be held in the school house. It was held in the home of Mr. and Mrs. J. H. Sharpe. We did not think for a moment that Mrs. Sharpe would throw open the doors of her well kept house to a public entertainment, but she will receive a blessing from the blind whose interest was gotten up. For their kindness in fact there will be rejoicing with them when they see the amount of the proceeds, as the affair was quite a success.

Mr. and Mrs. Thomas G. Crittenden accompanied by Miss Caton called on us for a few moments on Friday. Mr. C. was born in this neighborhood and spent just enough of his youth to have a slight remembrance of the place. He drove out to have a look at the old home but it unfortunately is one of the farms that has been neglected of late and does not now present the inviting appearance that it did when Tommy played around the doors. Nevertheless it was recently purchased for its cement marl deposits and may yet be of importance when the marl plays out.

ROSY CHEEKS FOR PALE GIRLS.

Don't be debarred from strength and spirit, don't give in to illness and despair. Ferrozone supplies tone and vigor through which all functions of womanly life are maintained and fortified. From New Richmond, Que., comes the following statement from Mrs. Isidore Boissoneault: "I take deep pleasure in testifying to the powerful influence of Ferrozone. For years my daughter has been pale and sickly—showed signs of advanced anaemia. Her lips got so white and her cheeks so devoid of color I feared consumption. I can certify Ferrozone made an excellent cure, and to day my daughter's health is the best." 50c. per box at all dealers.

Traverston.

'Tis more like the last days of March than the first of January.

Miss Lucy McNally returned to the city on Monday.

Mr. and Mrs. Sam. Edwards, of Hosmer, B. C., are over on a visit to the old homes at Caledon and here. 'Tis two years since they began "life together" and both are looking hearty and enjoy life in the West.

Mr. and Mrs. Sam Jack of Brantford were up for the New Year's feast at the Jack homestead. Sam returned ere the close of the week, but his winsome partner is remaining for some time.

Mrs. Tom Glencross is making good progress on the road to recovery and will soon be her old self again.

The family of Mr. A. Wright are all sick with the measles and Mrs. Wright, seriously, so. Dr. Ego of Markdale is in attendance and we trust all will soon be well.

Mr. Samuel S. Jacques has engaged with our postmaster Mr. T. Smith for a year. Sam has the qualifications to make a popular mail-carrier, being tough, plucky, punctual and most obliging.

Mrs. Wm. Spence of Grand View Man. is over on a visit to her old home on the 4th. "Jennie Anderson" we used to term her in those days. 'Tis fifteen years since they went West and they have done well.

Weak Lungs Bronchitis

For over sixty years doctors have endorsed Ayer's Cherry Pectoral for coughs, colds, weak lungs, bronchitis, consumption. You can trust a medicine the best doctors approve. Then trust this the next time you have a hard cough.

The best kind of a testimonial— "Sold for over sixty years."

Ayer's Pills keep the bowels regular. All vegetable and gently laxative.

The years have dealt lightly with her.

The Misses Hunt held a most enjoyable party on New Year's night, quite a number of guests being present from Vandeleur and from Rocklyn. Miss Mabel returned to her school duties on Wednesday.

Mr. W. Bailey of Dundalk, our new teacher, has made a most favorable impression on both pupils and parents and promises to be a most successful pedagogue.

Mr. Jos. Lauder of Ohio, paid a short visit to the old home of his boyhood while on a trip lately. He has developed into a fine specimen of physical manhood.

SHAKE HANDS WITH ASTHMA

Awfully distressing is asthma. But worse if possible when combined with Bronchitis. Relieved quicker by Catarrhzone than anything else—cured so thoroughly by "Catarrhzone" that it doesn't return. Catarrhzone's healing vapor is breathed right into the lungs destroying the cause of Asthma and succeeds in the most chronic cases. Try it. Two sizes, 25c. and \$1.00 at all dealers.
