ALEX. RUSSELL

Hutton Hill.

Miss Maud J. Cuff has returned from Toronto, where she spent her Christmas holidays.

Miss E. Laura Hutton is teaching school this year in Worthington.

We are disappointed that we could not wish Mr. and Mrs. Alex Morton, Hutton Hill, happiness.

Miss Hamilton, Peterborough, is visiting with her cousins the Misses B. and A. Donnelly.

On Friday evening the 11th inst., a large company of young people assembled at the home of Mr. and Mrs. Thos. E. Hutton, with the purpose of acknowledging the esteem in which they hold the superintendent of the Sunday School, Mrs. Thos. E. Hutton. The following address was very ably read by Miss E. Petty, and one of the best gentlemen of the Sunday School Mr. Charlie Ritchie presented a Morris rocker, purchased in Toronto, to Mrs. Hutton.

DEAR FRIEND:—In assembling here this evening, we are endeavoring in our humble manner to express our appreciation of your most noble christian character, which has been so beautifully and forcibly exemplified. You have given your energies and abilities unstintingly, and have always been more than willing to lend your time and talents which have been intrinsic value in every cause that tended to the uplifting of humanity and the betterment of those with whom you have been associated. Your regular attendance and faithful labors in our Sunday School have been an inspiration to all your co workers. You have wrought untiringly in our midst, and Sunday after Sunday has found you at your post of duty. Your efforts procured a greater blessing, since they were so cheerfully rendered demonstrating so plainly that your's was a labor of love and freely given to the cause that it was considered a privilege, not an irksome task to "Throw out the Life Line" to the souls who looked to you for instruction and guidance. While you were thus teaching us the way to Jesus, making clear and simple those truths, you were binding our hearts to you by those strongest chords—love and sympathy. We will cherish fond and grateful remembrances of you and your patient work and love, and hope your life will be spared for many years. Also that you will continue to be superintendent of the Sunday School until some man is endowed with the spirit of God, to rise up and do something for his neighborhood and his maker.

Signed on behalf of the Sunday School,

- MRS. WM. PETTY.
- MR. CAMERON MACKENZIE.
- MR. ROBT. J. STINSON.
- MISS DELLA VOLLETT.
- MR. ALFRED ASHLEY.
- MISS JEAN MILLIGAN.
- MISS BELLA PETTY.
- MR. ALEX. MORTON.

My DEAR YOUNG FRIENDS:—I was not prepared for such an elegant present so could not reply in a proper manner. I will cherish your memory while life shall last. I was very tired and discouraged before you met here last evening since then I feel with the help of our great and merciful Father and with the confidence and sympathy of our Sunday School friends, we might undertake to erect a church. May God bless and keep you all my dear young people until we all meet above.

Yours very sincerely,
MRS. THOS. E. HUTTON.

Mr. J. Johnston, teacher, dined with Mr. Robt. Hopkins last week.

During Christmas holidays we were so busy visiting etc we overlooked an item in Corner Concurs, concerning a remark he made about our box social and the ladies of our burg. Pardon me sir, but not one box went to \$1.50, much less \$2.00. The superintendent told the auctioneer not to hold the boxes, for we did not desire more than they were worth. I have been in all the houses where there were single ladies and their cooking was excellent, and all of the ladies who belong to our burg are genuine good ladies. Would you please inform us what nothing means? People who live in glass houses should not throw stones. When it comes to vulgar and slang phrases we draw the line.

Mr. Donnelly is visiting his uncle Mr. D. Donnelly.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet, pleasant and safe Syrup called Dr. Shoep's Croup Cure is for Croup alone, remember. It does not claim to cure a dozen ailments. It's for Croup, that's all. Sold by MacFarlane & Co.

Rocky Saugeen.

J. A. McKinnon, teacher of Lambton Mills spent a few days with his brother Angus and other relatives.

Mr. G. N. Dunsmoor, has been under the Dr's. care for the past week, but we are pleased to say that he is improving nicely and will soon be able to attend to business again.

Mr. Alex McCormick, Sault Ste Marie came home a few days ago in response to a message informing him of his father's very low condition, not being expected to live but a short time.

Mr. and Mrs. A. McNab and Mr. A. McLean Owen Sound came down

It Quiets the Cough

This is one reason why Ayer's Cherry Pectoral is so valuable in consumption. It stops the wear and tear of useless coughing. But it does more—it controls the inflammation, quiets the fever, soothes, heals. Ask your doctor about this.

last week to see Mr. Alex McCormick who is gradually getting weaker.

Arch. McLean is home on a visit after two years absence in the West.

Mr. and Mrs. Ferguson returned to their home in Chicago after spending a month with the latter's mother Mrs. D. McQuarrie and other relatives.

We extend congratulations to Mr. and Mrs. A. Morton on their recent voyage on the sea of matrimony. Trust their happy union may be crowned with bliss.

Quite a number were disappointed on going to church here on Sunday, there being no service owing to the dispensing of sacrament at the Latona congregation. C. C. neglected to give the usual notice for the benefit of those who do not wake up in time to hear the announcements.

Holstein.

Mr. Stafford of Elora is spending a few days with his friend Rev G. S. Cassmore of this village.

The revival services here are being conducted by the resident ministers this week. There was a very large attendance at the Sabbath services and quite an interest is being manifested.

Mr. Jas. Mutch of Lumsden is in our midst for a short time, visiting his mother and other friends.

The annual meeting of the Holstein Public Library was held as per statute on Monday evening in Robert's hall. The attendance was small no doubt on account of the services in the church. Dr. Seim occupied the chair and W. J. Sharp was chosen Secretary. The Treas. statement showed the finances in a very healthy condition. The librarian's report showed that there were at the beginning of the year 1035 volumes in the Library and that during the year 153 volumes had been added so that at present there are 1188 volumes on the shelves. During 1906, 3042 volumes had been issued an increase of 135 for the year. The issuing of a better class of reading was a noticeable feature in the report. The election of officers resulted as follows:—Dr. Brown, Revs. Little and Cassmore, Dr. Seim. W. J. Sharp, J. H. Brown and A. Durrant. D. Allan and W. Seaman were re-elected auditors. It is hoped that old members will at once renew their subscriptions and that many new names will be added to the already large list.

Mrs. Jno. Stephens returned last week from a trip to Woodville. On arriving home she learned of the serious illness of her brother Mr. D. McLaughlan of the base line. He has since passed away to join the great majority.

Negotiations are in progress regarding the livery business of the village.

The elections are now all over, the statutory annual meetings have been held and officers of each appointed so now we trust that everything will assume its normal condition and that the year just entered upon will be fraught with the note "Peace on Earth and Good Will to Men"

Miss Grace Hunt after an absence of over four months in Adamsville, R. I. returned last week.
