

**WHEN FATHER HAS THE GRIP.**

Poor mother wears a worried look,  
And sister wears a frown;  
And if I venture up the stairs  
They send me straightway down.  
I'm going to the drug store now,  
Upon a hurried trip,  
To get some other kind of dope,  
For father has the grip.

I heard him groaning in the night,  
He said his head would split;  
And then he thought his back would  
break;  
In just a little bit,  
He told us that his legs were sore,  
And soon it was his hip;  
It seems that everything is sick  
When father has the grip.

The doctor came to-day and left  
Some capsules and he said,  
To take one each three hours until  
The pain had really fled.  
Says pa, "That means twelve hours  
before  
I give this pain the slip;  
I'll bet he'd find a faster dope  
If he had got the grip."

And then he told ma that he thought  
That he was going to die;  
An' ma says no, that isn't so,  
An' gave the reason why,  
Then pa got mad and told her that  
He didn't want her lip;  
Oh, there's no comfort in our fiat  
When father has the grip.

**Grey County Council.**

(Owen Sound Advertiser.)

The first meeting of the County Council elect of the County of Grey was held on Tuesday afternoon, with all the members in attendance, 37 in number. After they had filed their certificates and taken their seats, Clerk, John Rutherford took the chair and read the regulations governing the election of a warden after which he announced his readiness to receive nominations for the office.

The nominations were as follows: Mr. R. J. Ball, nominated by Mr. Preston; Mr. Andrew Schenk nominated by Mr. Hastie; Mr. Robert Agnew nominated by Mr. Eaton, and Mr. H. Pedwell nominated by Mr. McKnight.

On the first vote Mr. Pedwell got 14 votes, Mr. Ball 9, Mr. Schenk 9, and Mr. Agnew 3.

Mr. Agnew having withdrawn, the second vote stood, Pedwell 17, Ball 9 and Schenk 9.

Mr. Schenk then withdrew, and the third vote was taken, which was final, Mr. Pedwell receiving 19 votes and Mr. Ball 16. The clerk therefore declared Mr. Pedwell duly elected warden for 1907 and that gentleman was escorted to the chair by Messrs. McKnight and Stephenson. The warden elect expressed his thanks for the honor conferred on him and took the declaration of office as warden.

After reading the minutes of last meeting of November session, which was signed by the warden, the clerk read a budget of communications and accounts among which were the following: Letter from Jenks & Dresser of Sarnia in reference to Priceville bridge. Presentation of Grand Jury at the December Court of General Sessions. Application from Headquarters staff of Salvation Army in Toronto for grant to aid in rescue work. Application from Prisoners Aid Association for grant. Annual report of the East Grey Agricultural Society. Letter from Maitland, Young & Son in reference to County auditorship. Letter from Registrar McKnight asking for a clock for registry office. Claim from Clinton High School for maintenance. Annual report of Dr. Ego, physician of the House of Refuge. Applications from Messrs. A. F. Armstrong and George Binnie to be reappointed county auditors; also for the same appointment from Thomas Wallace of Varney. Letters from Neil McCannel in reference to Priceville bridge and from J. E. Farwell, secretary of the Western Good Roads Association were also presented and a large number of accounts.

On motion of Messrs. Leslie and Legate, the following members were appointed a committee to strike the standing committees for the year: Messrs. Preston, Stephenson, D. Sinclair, Schenk, Patterson, Ball, McKnight and Leslie, after which the council adjourned until Wednesday at 10 a. m. after sitting about two hours.

At the Wednesday morning session all the members were again in their places and after routine business, Warden Pedwell made a brief inaugural address, in which he thanked the council for electing him to the wardenship, and expressed the hope that they would give him all assistance in fulfilling the duties of the office. He felt that he would require their help and he thought also that he could bespeak it for himself judging from the pleasant expression on their faces. He could not refer at any length to the business which might come before the council during the year, as much of it was not yet in sight, but hoped it would be transacted in a harmonious manner. He fully appreciated the honor that had been conferred on himself and also on the municipality he represented by his election as Warden.

The clerk's budget was an unusually small one for this stage of the session and consisted of a few accounts and applications from Messrs. G. M. Franklin of Owen Sound and Jas. S. Rowe of Markdale, to be appointed county auditors.

Mr. D. K. Preston presented report of the Special Committee, appointed to strike the Standing Committees for the year. The report recommended as follows:

Finance and Assessment.—Messrs. Muir, McNicol, McKnight, Duncan, Hastie, Erskine, McFadden, Hampton, Elliott, Schenk, Preston, McArdle, McClelland, Patterson, Sinclair (D. H.) McDonald, Harrison, Saunders, Agnew, Ball, Stephenson, Sinclair (J.) Airth.

Roads and Bridges.—Messrs. Erskine, Leslie, Hastie, Goldsmith, McClelland, Norman, Morice, Eaton, Meads, Dodsworth, Johnston, Hampton, Fulford.

County Property.—Messrs. Legate Agnew, Saunders, Duncan, Elliott, Ellis, Sinclair J. Ball, McDonald, Morman, Leslie, Patterson, McArdle.

Education.—Messrs. Ball, Preston, Airth, Legate, Goldsmith, Eaton, Stephenson, Morice, Harrison, McKnight, Muir.

Printing.—Messrs. Schenk, Eerguson, McMillan, Ball, Sinclair, D. H. Ellis, Dodsworth, Legate, Eaton, Fulford, McFadden.

Communications and Memorials.—Messrs. Agnew, Johnston, Ferguson, McMillan, McKnight, McFadden, Patterson, Meads, McDonrid.

House of Refuge.—Messrs. Stephenson, Preston and the warden.

Warden's Committee.—Messrs. Agnew, Ball and Preston.

This report was adopted and then the warden called out the names of each committee whereupon the members as named retired into the Judge's room and elected their chairman. While this was going on a little incident occurred. From the Judge's room came the word that they could not agree, as they were divided six against six. It was found that the committee should consist of eleven members, but the twelfth man had mistaken another name for his own, they being somewhat similar. When he left the room, a decision was soon made as to the chairman of the committee.

Mr. Preston was elected chairman of Finance and Assessment; Mr. Goldsmith chairman of Roads and Bridges; Mr. Leslie chairman of County Property; Mr. Ball, chairman of Education; Mr. Schenk, chairman of Printing; Mr. Agnew, chairman of Communications and Memorials, and Mr. Stephenson chairman of the House of Refuge Committee.

A report of the House of Refuge Committee left over from last year was also presented by Mr. Preston, who with Mr. Ball, are the only two members who survive from the Council of last year. Mr. Preston had therefore a great deal of explanation to give in connection with different items in the report, which was considered in committee with Mr. Ball in the chair. Accounts for supplies to the house of refuge included one for bread \$104, meat \$108, groceries \$96 and an undertaker's account from J. Chapman for five coffins and five funerals amounting to \$75. Another item was for a waggon box \$6.50. This Mr. Preston explained was a large box which Manager Harkness had made for hauling manure, as he bought the material by the load and wanted a large box in order to get good value. Some discussion took place over an item of \$7 for use of a grader to work on the driveway from the street to the house of refuge, and the item was declared to be an extravagant one. However the report passed without amendment and was finally adopted.

The reports of H. H. Burgess, inspector of schools for West Grey, and S. Huff, inspector for East Grey, were presented.

Mr. Jas. M. Thomson, ex-warden of the county, addressed the council giving information respecting the Heathcote bridge contract.

Reports of Finance, Roads and Bridges and County Property were presented by Messrs. Preston, Goldsmith and Leslie and the report of judicial audit by the county clerk. All these reports were adopted.

A by-law was passed appointing County Auditors, the former auditors, Messrs. A. F. Armstrong and George Binnie being re-appointed.

A by-law was passed appointing members of the judicial audit, Messrs. Jas. Cochrane and Jas. Leslie being appointed.

A by-law was passed to remind by-law No. 643 of 1903, giving a reward to the informers on peddlars without license.

Mr. Jas. McLaughlin was appointed trustee for the Owen Sound Collegiate Institute and Mr. Wm. Batchart, high school trustee for the Meaford high school.

On motion of Messrs. McArdle and Ball, the question of a revaluation of the county was referred to the Finance and Assessment Committee to report upon at June's session. An

amendment to this motion, stipulating that they report at the present session was lost.

Adjournment was then made until Friday morning.

At the Friday morning session the report of Mr. W. N. Campbell, inspector for South Grey public schools, was presented, also reports of Finance and Roads and Bridges. These reports of committees were adopted.

On motion of Messrs. Ball and McArdle, the warden and Messrs. Goldsmith and Erskine were appointed a committee to take over all documents in connection with Heathcote bridge completed according to the contracts, as soon as possible.

On motion of Messrs. Ball and McNicol, Messrs. Muir, McFadden and Goldsmith were appointed a similar committee for the bridge now being constructed on the town line between Artemesia and Glenelg.

The Road and Bridge Committee were authorized to take up the question of good roads re the Government's proposition for good roads and report at June's session.

On motion of Messrs. Hastie and Ferguson, the clerks of the various municipalities will be asked to forward the complete assessment roll for 1906 for the information of the council, when the matter of the equalization of the assessment of the county, is under consideration at the June session, as per resolution already passed, and council then adjourned till Friday evening.

Council met at 7 p. m. The warden presented papers which had been handed him by ex Warden Thompson. Reports of Finance and Education were presented and adopted. Manager Harkness of the House of Refuge presented his annual report for the year.

An account from J. J. Douglas of \$7 for a clock for the registry office was passed.

Messrs. Hastie, Harrison, McFadden and Morice were appointed a committee to report on the treasurer's sureties.

On motion of Messrs. Harrison and McMillan, it was decided that the building of a barn addition to left to the House of Refuge Committee, with leave to build if found necessary, at a cost not to exceed \$800.

An amendment was moved to this motion by Messrs. Hastie and Ferguson, who wanted the question of additional building approved by the council forthwith, but the amendment was lost.

The concluding session met on Saturday at 9:45, when the following reports were presented.

Report of Roads and Bridges presented by Mr. Goldsmith stated that the committee had inspected the Potawatamie Bridge between Owen Sound and Brooke and although it could not be very well seen for snow and ice, yet they considered it was in need of repairs and it was recommended that the commissioners from those divisions have such repairs made as were necessary. The chief recommendation of the report was that the Road and Bridge Committee be authorized to ask for tenders for a fifty foot steel bridge with concrete abutments to replace the old bridge and report at June session. The report was adopted.

Report of County Property presented by Mr. Leslie recommended

that the chairman be authorized to advertise for tenders for fuel and to have the walls between gaol and courthouse whitewashed. Report was adopted.

Report of House of Refuge Committee presented by Mr. Preston recommended among other things that the manager be authorized not to receive any person as an inmate without a certificate that such person was free from any contagious disease, the expense of medical inspection to be borne by the municipality, to which such person belongs. Report was adopted.

Mr. Hastie, as chairman of the Special Committee on the treasurer's sureties, reported that they were found to be the same as last year, but recommended as two of Mr. Parker's bondsmen were deceased, that the county solicitor be instructed to prepare a new bond, Mr. Parker himself in \$50,000, Mr. Chas. H. Moore in \$25,000 and a third person also in \$25,000. The report was adopted.

A by-law was passed fixing the fees for entrance candidates at \$1 and establishing the village of Feversham as a centre at which entrance candidates may write. In reference to the matter, Inspector Burgess and Huff both briefly addressed the council and thus the members drifted away from the order of procedure and finally wound up with an argument between Messrs. Ball, of Hanover, and Saunders, of Durham, the latter asserting that pupils from Hanover came to Durham to try the entrance, while the latter denied the statement. Mr. McNicol, of Bentinck, seemed to give the true explanation, which was that pupils from Bentinck, near Hanover, came to Durham to write. The messenger of the council was voted \$1 per day for his services during the session.

An effort was made by Messrs. Saunders, of Durham, and McFadden, of Glenelg, to have the June session held at Durham and the Owen Sound representatives adduced arguments why this should not be done, but when the vote was taken on Messrs. Legate and Leslie's amendment that the session be held at the county town, there were so many hands shown that Warden Pedwell did not submit the original motion and the hands were not counted.

The motion of adjournment reads that the council will meet at the court house on June 17th at 7 p. m. The members sang the National Anthem before separation and sang it well, and it only remains to be said that the county council of Grey for 1907 is composed of a batch of men who would have a fine show of taking the prize for appearance and intelligence, were such a prize offered for competition to the county councils of Ontario.
