Top Cliff.

Quite a number of people are complaining with colds or grip for the last few weeks, but are getting better.

The weather was below zero during the most of the last ten days, but is again milder. Sleighing very good if a sudden thaw don't come and take it away in a hurry. The terrific high wind of two weeks ago scared some out of their beds through the night, but nothing serious occurred only getting a little cold before going back to bed again.

Messrs. McLean Bros., South Line, Artemesia, (John and Alex) sold their fine farm of one hundred and sixty acres to John Burnet lately for the sum of \$5,500.

Mr. John McMillan, South Line, lost a fine mare lately from distemper.

Willie Mather is busy drawing telegraph poles to Priceville for the new railway.

Our new teacher, Miss McCosh, is getting along fine. She is taking a run up home Friday of this week to Owen Sound.

We are sorry to notice the death of Mrs. McLeod in last week's paper. She was well known as Jessie Black in her younger days in this locality. We extend our sympathetic feelings to the bereaved husband and family.

Mrs. Chas. McDonald, who had a severe attack of bleeding of the nose lately, we are pleased is getting better, but is in a weak state yet.

Arch. McDonald and Thos. McDougall are cutting wood for John McLean at present.

This kind of weather is hard on bachelors as they have to keep the bed and stove warm.

Edward Harrison & Sons who bought the Orchard Mills lately and 140 acres have a number of men engaged cutting logs and wood and carrying on a pushing business all winter.

Railroaders are busy down between here and Durham all winter.

Patrick Sullivan, of near Fergus, visited old neighbors lately.

Sorry to hear of the death of Arch. Black, son of Mr. Neil Black, North Line, who died down the country where he had his home for a number of years. Mr. Black was a Glensiel boy and a fine fellow. We extend sympathy to the bereaved family and wife.

We congratulate Councillor John A. McMillan for being called to serve a situation during the session of Parliament held in Toronto at present.

A special meeting of the ratepayers of our section was called on Monday night the 28th Jan'y, to discuss the new school law. In the absence of our Inspector Mr. A. McCuaig in a very able manner gave some fine pointers which will probably appear in some of our leading journals as well as our local papers. Mr. McCuaig is well informed and takes an

NERVOUS?

Do You Brood? Have Morbid Fears? Toss In Your Sleep?

Your Physical Condition is Below Par and Must be Built up. Try Ferrozone.

All vital activities of the body are quickened into new vigor by Ferrozone, which contains all the constituents necessary to make nerve strength.

Its first action is upon digestion. It stimulates the secretion of gastric juice, ensures perfect digestion and prepares the food so as to be easily assimilated.

Thus everything you eat is converted into nourishment that enriches the blood and lends new strength to the nerves.

By Ferrozone the mind is relieved of those brooding tendencies, of morbid unnatural fears, of unwillingness to concentrate attention on things that should be done.

Won't you try Ferrozone?

Won't you give it a chance to win you back to health; it will do it; just as it did for Mrs. Creighton Zinck of Palm St., Lunenburg, N. S., who says: "I want to give my experience with Ferrozone because I believe it will be of assistance to thousands of women who need it badly. I was very thin, run down in flesh and lacked color. My nerves were in a dreadful state. If anything fell I would jump and start. At night I would suddenly wake up, heart palpitating and all keyed up. Ferrozone went right to work. It restored me poise and balance, gave me self control, cured my nervousness. Ferrozone increased my appetite and my weight came up so fast that I simply didn't need to use it any longer. Eight boxes cured me."

Why won't you use Ferrozone also, it certainly will do you good in many ways-sold by all druggists in 50c. boxes.

interest in the advancement of education.

Miss Ada McLean is with her aunt Mrs. Neil McCannel, of Durham, for the last couple of weeks.

We had word from friends at Oak River, Manitoba, lately, stating that the thermometer only registered at 56 degrees below zero during the last couple of weeks with lots of snow, but the Chronicle finds its way up that far nevertheless the severity of the frost.

Dr. Dixon, of Priceville, is kept busy at present attending to the sick.

It created quite an excitement when Arch. Conkey's horses ran with a load of hay under the verandah of the Post Office, Priceville, one day lately. Archie says they managed to get between the posts and door better than if he was driving them. No damage done only scattered hay along the streets and door of Post Office where load turned over.

We saw another fellow not long ago coming home from Priceville sitting comfortably in the sleigh when suddenly his team took a start down hill, bolt coming out of doubletree, they quicker than the looker on could imagine, took to their heels and landed home leaving driver and sleigh behind.

Married at Mrs. McNea's, Toronto, on the 16th January, 1907, Miss Ida Williams, of Toronto, but formerly of South Line, Glensiel, to Robert Vause Esq., of the South Line, Artemesia. Miss Meadie Hincks acted as bridesmaid, while Mr. Vause's brother supported the groom. The young couple are now enjoying their wedded life at home on the South Line. We join the many friends in wishing them long life and prosperity on the voyage of life together.

We see that W. J. Blakston's contributions are always readable and we are pleased to hear from him-oftener if it would suit him.

The Grip.

"Before we can sympathize with others we must have suffered ourselves." No one can realize the suffering attendant upon an attack of grip, unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy, not one case has ever been reported that has resulted in pneumonia or that has not recovered. For sale at Parker's Drug Store.

Glenmont.

The road from here to Dromore is one of the busiest thoroughfares in the township of Egremont. A rushing business is being done by the Dromore merchants and mill men. Chop, sawlogs, lumber, &c., form the bulk of many of the largest loads carried by the farmers. The road through the swamp is not too straight and its sides have become more or less closed in by second growth timber, but our new councillor, George Lothian, who by the way headed the poll in Egremont, has let the job with commendable promptness of clearing this timber away, and now we can see right through from end to end, and can thus choose the most suitable passing places.

Tom Hargrave and his mother, of Swinton Park, visited friends here lately.

Miss Jean M. Dixon left on 29th inst. to take charge of a school near Stratton, near New Ontario, at a salary of \$400 for the remainder of the year. The school being over a thousand miles from here, she does not expect to board at home till they invent something quicker than bodily connecting trains, which took her about five days to make the journey.

It is anticipated that hired help will be so scarce next summer that boys over 8 years old will be required at home during seeding to harrow, so they had better make good use of their time at school this winter.

We hear the dynamite explosions every day on the railway construction. Why don't they blow up the whole concern at once and save time.

Say did you hear of that wedding that is coming off soon? Don't mention it for another week or two.

That rhyme in THE CHRONICLE of Jan. 31st, about Graham the successor of G. W. Ross was certainly true to life. If a man is not of a certain creed and birthplace his good qualities count for nothing with the bigotted and the narrow-minded.

The warden-elect for Haldimand county is Mr. James E. Hoover.

An Italian named Tony Cardello was run down by a G. T. R. engine at Brantford and killed on the spot.

Pneumonia is on the increase in Winnipeg, 30 deaths out of 120 last month being caused by that complaint.

Hon. H. T. Taschereau is gazetted Chief Justice of Quebec, and A. T. Brunneau and P. G. Yartineau, Superior Court Judges.

Croup can positively be stopped in 20 minutes. No vomiting-nothing to sicken or distress your child. A sweet, pleasant and safe Syrup called Dr. Shoop's Croup Cure is for Croup alone, remember. It does not claim to cure a dozen ailments. It's for Croup, that's all. Sold by MacFarlane & Co.

Henry's Corners.

As Henry's Corners cor. has not been heard of for some time, we, though a poor substitute to the former cor., will try and collect our scattered thoughts.

The fierce storm which passed through our burg on the 20th inst. did considerable damage.

Messrs. Charlie Reid and Wm. Hunter, Jr., are home from Guelph where they took a two weeks' training on the care and judging of horses and cattle. It will be wise for any purchaser to call on either of them and be enlightened.

Miss Belle Patterson was visiting her friend Miss Grace Reid last week. The hills seem to hold some charm for Belle.

Mr. Tom Hargrave, of Weyburne, Sask., has been visiting his sister Mrs. Jas. M. Allan.

Mrs. Robert Hastie, of Traverston, has been visiting her sisters Mrs. T. Patterson and Mrs. John Allan for a couple of weeks.

Messrs. Wm. and W. J. Allan have been cutting wood for Mr. Robert Matthews.

Some of the young people from our burg attended the party at Mr. Bice's.

Miss Hattie Watt intends leaving for the West in the near future. "Distance lends enchantment to the view."

Mr. Mathew Hooper visited his numerous friends up in Proton last week.

We hear that Mr. W. Allan intends going West in the spring. Someone will say, "O Willie we miss you."

Mrs. Geo. Hargrave, of Swinton Park, spent a couple of weeks with her daughter Mrs. Jas. M. Allan.

Mr. Tom Nichol, of Hampden, spent a few days last week visiting his friend Mr. Wm. Hunter.

We hear that Mr. John Henry is keeping the sideroad pretty well broken this winter gathering flowers for May.

LEAVING FOR WYOMING STATE.

Mr. Robt. T. Dass, Train Despatcher, Honored Before Leaving To-Day.

An interesting event in which a general feeling of good fellowship prevailed, took place this afternoon in the despatchers' office at the Grand Trunk depot. For a short period the staff quit work and gathered around their popular fellow despatcher, Mr. Robt. T. Dass, who severed his connection with the Stratford office to-day to take up a more lucrative position as despatcher with the Southern Pacific Railway on what is known as the Oregon Short line. Mr. Dass will be stationed in the State of Wyoming.

For the past fifteen years Mr. Dass has been connected with the Grand Trunk in Stratford, for five years as operator, and the past ten years as despatcher. During this period he has gained for himself numerous warm friends, alike among the office staff, railway men and citizens. As a slight recognition of their appreciation, the office and station staff and a few friends surrounded him this afternoon and presented him with a well-filled purse of gold, accompanied by an address reciting as follows:

"We, a few of your fellow-employees, are desirous of placing on record our high esteem of yourself and our very cordial appreciation of the manner in which you have for many years discharged the various duties devolving upon you.

"Your high sense of duty, your untiring zeal and devotion to the interests of the company, and, at the same time your candid, courteous and manly bearing towards all with whom you came in contact, have attracted our attention.

"We, therefore, deem it not only a pleasure, but a privilege, to place on record at this time our sincere appreciation of your past career, and ask you to kindly accept this small token as a memento of the good-will and good-wishes of your associates, which will follow you in the far west.

"While regretting your departure from amongst us, we are pleased to know that it is for your advancement in railway life, the aspiration of us all."

Mr. Dass was taken completely by surprise, as was made evident by his brief, but feeling reply. He thanked the staff for their demonstration of kindness and good will.

Mr. Dass is a son of Mr. Robert Dass, of Fergus. Mrs. Dass and family will remain in Stratford until spring, when they will also move to Wyoming. The many city friends of Mr. Dass will join The Herald in wishing him an extended prosperous career in railroad life.-Stratford Herald.

Syndicate Park FORT WILLIAM

WHICH is the only property subdivided into residential lots that actually adjoins the J. I. CASE COMPANY'S SITE, offers an unrivalled opportunity for the small investor to get in on the ground floor in a proposition of almost unbounded possibilities as a money maker.
