

MY NEIGHBOR.

My neighbor was a widder, an' had a roun' farm. An' her cows an' pigs an' chickens don a mighty lot o' harm. To my fields adjoinin' and I stood it quite awhile. Till I wouldn't be imposed on in no such kind of style.

BOVRIL

is always ready and is so useful at all times.

You can make a lunch of it.

You can make a soup with it.

You can give it to the children at any time.

You can strengthen the invalid with it.

You can revive yourself when tired with it.

You can make a delicious dish of anything you have in the house with its help.

Because it not only improves the taste but adds to the nourishing qualities of any dish in which it is used.

CHRONICLES OF THE KHAN.

TAXING THE BACHELOR.

Phoebe marked a paragraph with her thumb nail, and handed the paper to Aunt Lucy. Instinctively she found the right spot. "That's right," she said, when she had read it. "Tax the old bachelors. What good be they, anyways? The tax should be like a dog tax. That is put into a fund to pay for sheep what's worried by dogs. That's only fair. The bachelor tax should be put into a fund to furnish old maids with an income when they get—"

"Oh, gwan; you make me sick!" said Aunt Lucy.

"That's you!" said old Twilight. "You old married folks frighten the young fellers. It's gotta be old-fashioned to make love. When a young feller comes to the house I know what he's after. Ef he wants to borrow the light waggon, or a harness, or a seed drill, or if he wants to sell a binder or a land roller, he acts up and up. He looks you in the eye. He takes a chew, pulls open the damper, and spits into the stove. He intimates that he didn't strike a good seedling place 'bout supper time, an' he has you'n Phoebe a-hustlin' for him right away.

"But if he has come to see Phoebe— dang! He looks as if he had a pain somewhere, or he had been caught stealin' chickens. He shys at you, Lucy, an' he wouldn't look at Phoebe—not for a cow. He feels mosey about it. I try to jolly him along, but Phoebe don't help him none. It's a dead give-away when he comes here, becuz there's only one girl in the house; but it's different up to the Spulpins. They's six girls down there. They's great excitement for to see which one he's after. It's like a game uv keno. The little ball starts a-rollin' and a-rollin'. Tell one of the girls spueals 'Keno!' an' all the rest say 'You mean thing! you joggled the table.'

"They's lots of fellers would jine the Ancient Order uv Chairwarmers, only they's afraid uv bein' blackballed. That's the hull secret. They's scairt uv bein' turned down. "Lots uv men would run for office but they're afraid that they might git beat—that's all there's to it. Hence it is that the majority uv candidates is fellers who don't give a tinker's malediction whether there are beat or not. If they win out, all's hunkey dory; ef they git it in the neck, well, they had a whirl at it, anyhow.

"The boys need some encouragement—some inducement. It doesn't do um any harm to let um know they've got the inside track. Now, when I started speakin' you, Lucy—"

"Say, you, Willyum, I wish ye'd shtet yer head. The best ketch in this settlement was after me, an—"

"He got you!" completed Old Twilight, and he chuckled softly to himself as he resumed his reading.

EDITOR WRITES TO THE FOREMAN.

Ontario editors who attended the annual meeting of the Canadian Press Association in Toronto last week will appreciate the following from the Toronto News under the caption: "The Editor Writes to the Foreman."

DEAR LAWSON—We arrived all right, And found our brethren out of sight. Hugh Clark and Pense are looking well, And staying at the same hotel. Borgoyne and others of the gang Stood in the street last night and sang.

And I was with them all the while —I fancy I can see you smile. I've bought a hundred-weight of ink It's fairly decent stuff I think, Some roller composition, too, I'm sending by express to you. Keep Ivan, the devil on the jump. You have authority to thump The lazy little tyke, you know, If he should turn the press too slow. I hope those auction bills are out, They'll want 'em all this week no doubt.

If a subscriber should come in, Just lock the door and get his tin, No matter if he makes a holler, We must be certain of his dollar, Don't hesitate to smash his face. Toronto's an expensive place. Ah yes, there's something I had missed, Put Peter on the Voters' List, And keep him there without a break So long as he can stay awake, And have an excavator hired To clean the towel.—if desired. No more just now. My heart is light, I'm going to a show to-night.

A cable from the American Bible Society in Shanghai pleads for help for the famine sufferers in Central China, where a million and a quarter people are literally starving.

IT IMPARTS STRENGTH. Just think of the enormous strengthening power Ferrozone possesses,—consider what it did for H. V. Potter, well known in Kingston. "I was subject to spells of dizziness. For eight months I had intense pain in my right side between the shoulders, I was almost incurable with weakness and lack of vigor. Often I scarcely ate any breakfast and felt miserable all day. Nervous, easily excited troubled with heart weakness, I was in bad shape. Ferrozone restored and nourished me back to health in short order." Whatever your weakness may be Ferrozone will cure. Price 50c per box at all dealers.

Mrs. Benj. Werry of Darlington, near Bowmanville, committed suicide by hanging.

An Oil Springs boy named Dean was shot and killed by a companion while practising at a target.

John J. Raymore, a bar tender, shot Mrs. Mary Charlton, a widow, and then turned the revolver on himself. Both died from their wounds.

Rosy Cheeks The Ambition of Every Woman Hollow cheeks with dark lines, sallow complexion—how a woman hates them. But rosy cheeks, clear skin, bright eyes—give them to a woman and she is happy. In the blood is found the first sign of trouble. It grows thin and watery, its color fades, and increasing pallor and sallowness give the outward evidence of the change within. Soon the nerves weaken, the heart easily tires and palpitates, strength declines. The delicate mechanism of the womanly functions is interfered with, and pleasures, activities and even duties are loaded down with the burden of declining health. Why is it that women neglect the first warnings? Usually she waits till she is ready to drop—often then it's too late. These conditions are easily checked easily cured at the beginning,—but even when long established Ferrozone will remove the cause and cure the trouble. Ferrozone's action aids the three principal functions of the body—digestion, assimilation, elimination. By strengthening digestion it forms an abundance of rich, red blood—this gives good color. By perfecting assimilation, Ferrozone supplies nutrition—this gives strength, vim, stability. Elimination is assured because Ferrozone quickens the actions of the liver, kidneys and bowels—this guarantees the maintenance of vigorous health. Ferrozone puts you on the right road—the one that leads to health. Not a man, woman or child needing blood, vigor, endurance—not a person who is weak, nervous or sickly, not a person in ill-health who won't receive immediate help from Ferrozone. As a tonic and restorative, as a health-bringer and body-builder, Ferrozone is unrivalled. It cures because it feeds and nourishes, because it contains the elements that build up and strengthen. Try it yourself—sold everywhere in 50c. boxes.
