NATURE'S CATARRH CURE.

Sensible and Scientific Way to Cure this Disagreeable Disease.

Nearly everyone suffers at one time or another with catarrh.

The natural way to cure this disagreeable disease is by applying healing medications direct to the diseased spot.

In no other way can this be done as naturally as by the use of Hyomei, breathed through the neat pocket inhaler that comes with every outfit.

Put several drops of Hyomei in the inhaler and then for a few minutes, four or five times a day, let the air you breathe come through it. In that way all the air that enters the nasal passages, the throat or the lungs, is filled with Hyomei's healing medication, reaching the most remote air cells of the respiratory organs, destroying all catarrhal germs and soothing and healing the irritated mucous membrane.

A few days' use of Hyomei will show how quickly it relieves all catarrhal conditions, and you will not have to use it long before you find it has effected a complete and lasting cure.

The complete Hyomei cure costs but \$1.00, extra bottles, if needed, 50 cents.

All druggists should be able to supply you with Hyomei, or we will send it by mail on receipt of price, and every package is sold with the distinct understanding that it costs nothing unless it cures. Write us today for a symptom blank, which we will send you free, together with treatise on Catarrh and how to cure it. When you fill in and return to us the symptom blank, our consulting physician will give your case the best care and attention, and write you a letter of advice without charge. A few snow drifts along the way makes travelling somewhat heavy, but a few fine days will soon make going all right again. The days are getting longer and the sun stronger, consequently the frost and snow will have to yield to the powerful effects of both.

Sick people are getting somewhat on the mend, and we hope when the time of the singing of the birds come that all will be able to be up with the lark at early morn forgetting the things of the past and in the full enjoyment of the things of the present, hoping for better things in future.

The fresh breezes from the country take good effect on Top Cliff's hills and our good lady teacher enjoys the privilege of being able to brave the storms on some frosty mornings by coming a mile or more to attend to her duties.

Professor Konold is always busy teaching the rudiments of music to the young and rising generation of the surrounding country. It's a pity the good Professor is getting older than he was some years ago, but he is still able to thump the piano at a good rate.

Last Sunday was a beautiful day and reminded us that Spring is not far distant.

Quite a number of valentines were sent and received on St. Valentine's Day, the 14th of February.

A number of sales are to take place during the coming weeks in this locality.

It would be a good act for the authorities of No. 10 School to invest in having the Corner Concerns writer have his article in last week's Chronicle photographed and forward to him a copy gratis, for the able manner he displayed his eloquence in giving a historical sketch of what he termed the Ghost School, and further would advise the authorities to inform the able writer of the article referred to, to be present so as to have his fine physiognomy included in the photograph when taken.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet, pleasant and safe Syrup called Dr. Shoop's Croup Cure is for Croup alone, remember. It does not claim to cure a dozen ailments. It's for Croup, that's all. Sold by MacFarlane & Co.

A number of Justices of the Peace are charged with complicity in a plot to extort money from Indians of the Six Nations reserve by threats of prosecution.

THEY ALL FAILED.

Many have tried to devise a corn cure equal to Putnam's but after fifty years nothing has come upon the market that so painlessly cures corns and warts. Don't experiment, use the best and that's "Putnam's."

The Only Perfect Emulsion

Any well made emulsion of good Cod Liver Oil is good as far as it goes, but if it lacks Iron it is not a perfect emulsion, because Iron is even more necessary and more valuable than the oil.

Ferrol is not only made of the best Cod Liver Oil, but it combines with the oil Iron and Phosphorus and is the only emulsion that contains Iron at all.

Moreover

FERROL

is finer, more palatable and easier to digest than any other preparation of Cod Liver Oil. Anyone can take Ferrol; few can take Cod Liver Oil in any other way.

Every intelligent person knows that three of the greatest remedial agents known to science are Cod Liver Oil, Iron and Phosphorus. To get them in combination and in proper proportion you must have Ferrol. There is no other way.

Sufferers from Anæmia, Bronchitis, Chronic Coughs and Colds, Lung Troubles of any kind, Nervous Prostration, Chronic Rheumatism, Neuralgia, General Debility, Loss of Weight, Whooping Cough, Croup, La Grippe or any of the ailments known as wasting diseases, can take Ferrol with the confident assurance that it will cure them if a cure is possible.

REMEMBER

Each dose of Ferrol contains a full medicinal dose of Iron and in no other way can Iron be properly administered.

Ferrol holds the record for increasing the weight. Ferrol contains neither alcohol, "dope" nor dangerous drugs of any kind.

Ferrol is the Ideal Infant Food. If your baby is not thriving, give it Ferrol and watch it grow.

FERROL is not a patent mystery. The formula is freely published. It is prescribed by the best Physicians. It is endorsed by the most eminent Medical Journals. It is used in prominent Hospitals, Sanitariums, etc.
