THE Hardware store opened a few weeks ago by Mr. A. S. Hunter is publicly announced in his advertisement in this issue. We hope that business may be so good that our hardware men will be all busy at profitable merchandising.

We had a letter last week from Mr. H. D. Davidson who used to carry on the gardening business here. He reports excellent weather there with trains running pretty well on time. Conditions not nearly so bad as reported in Ontario. He made the trip out in four days including a delay of twelve hours at Moose Jaw. He is at Wilcox, Sask., now.

MISS MAUDE, second daughter of Mr. and Mrs. T. J. Barclay, of this town, was married to W. J. Gadoway, of Toronto, on Feb. 16th. Rev. Dr. Lovell, Pastor of Queen St. Methodist church, performed the ceremony. The bride was given away by her brother-in-law, Mr. G. W. Wilson, and attended by her sister Grace. After the ceremony a very sumptuous repast was partaken of at the home of the bride's sister, Mrs. G. W. Wilson.

THE young people of Allan's neighborhood are providing for the purchase of an organ which they intend to present to the new church to be erected there this year. For the purpose of raising funds they had a concert in the school-house Tuesday night when a fair audience was in attendance. Reverend Bice was in the chair and disposed of a program of songs, instrumentals, recitals and addresses. All denominations are lending a hand towards the organ scheme.

A FULL page ad. in this issue sets for the opening announcement of Messrs. Lenahan & McIntosh who are placing a large amount of hardware on exhibition in their commodious new store, a few doors south of the Middaugh House. We hope the enterprise they have shown in the erection of a fine new building which improves the appearance of the street and enhances the value of other property, may return them a good profit. They say they will be ready for business by the end of the present week and respectfully solicit a share of the public patronage.

We regret to chronicle the death of Mr. William Crawford, hotel keeper at Varney. For some time Mr. Crawford, who was about seventy-five years of age, had been suffering from a sore which seemed to make very little improvement. A short time ago he took a severe cold which developed into pneumonia with fatal results on Monday morning last. The deceased was a gentleman, highly respected in the community, and was regarded by every one who knew him as strictly honest and honorable in his dealings. He leaves a widow to mourn his death but no family. Interment took place Wednesday afternoon to Durham cemetery, the Rev. Bice officiating at the house and grave.

THE Gorrie Vidette is moving into larger premises and calls a holiday for the event so as not to be "rushed to death" by the moving and getting a paper out the same week. True, Brother Sharpin, there is no great fun in moving a printing office. We undertook to do so three years ago, and not only accomplished our task but got out the paper the same week. We thought our advertising customers would let us down easy during the week of our mix-up, but no less than eighteen changes of ads confronted us on the occasion. We were late of course in getting out the paper, but we got there just the same. The Vidette is putting in a type setting machine which he may find sufficient reason to disturb his relation with the Church, when the pesky thing goes wrong with him.

THE Criminal Code Section 144 says: "Every one is guilty of an indictable offence and liable to ten years imprisonment who resists or wilfully obstructs any public officer in the execution of his duty or any person acting in aid of such officer."

PIE AND BOX SOCIAL.—Don't miss the pie and box social which is to be held in Latona school near Dornoch on Thursday, February 28th, 1907. A grand program consisting of songs, recitations, dialogues and addresses is being prepared. Admission 15 cents, ladies bringing pies or boxes free, ladies without pies or boxes 25 cents.

THE important auction sale of thirty imported Clydesdale fillies and stallions will be held at the Revere House, Markdale, on Thursday, March 7th. Sale to commence at one o'clock sharp. Parties wanting catalogues will apply to the proprietor, Thomas Mercer, Markdale. See bills for particulars. Auctioneers: T. E. Robson, Rudd Matthews and James Myles.

WEDDING BELLS.

On Wednesday of last week a pretty wedding was solemnized at the home of Mr. and Mrs. Geo. Campbell, of Aberdeen, when their daughter, Margaret A., was united in holy wedlock to Mr. Donald Morrison, of Dornoch. The drawingroom was nicely decorated for the occasion and at the appointed hour the groom and his attendant, Mr. George Campbell, the bride's brother, took their places under a beautifully tastefully and richly garlanded with flowers and evergreens. To the strains of the wedding march, played by Miss Islay Campbell, daughter of Inspector Campbell of this town, the bride entered the room on the arm of her father and took her place beside her chosen life partner. She was attended by Miss Carrie McKechnie, a warm and true friend of the bride, and an ardent admirer of her many virtues.

About fifty guests were present, immediate friends and relatives of the contracting parties. From a distance there were some from Tara, Keady and North Dakota. The others were from Durham and the vicinity of the bride's home. In the presence of these, the Rev. John Little, of Holstein, tied securely and solemnly the nuptial knot and pronounced them man and wife. Congratulations followed and the whole company soon joined in a very sumptuous wedding dinner. All went merry as a marriage bell, and the evening was spent in games, music and other social pastime.

The bride was handsomely attired in a gown of cream French lustre, trimmed with silk guipure, lace and duchess satin ribbon and she wore a beautiful wreath of lilies of the valley. The bridesmaid was gowned in a dainty white dimity with lace trimmings.

The bride was the recipient of many valuable and beautiful presents and the cash contributions amounted to over one hundred dollars.

After spending a couple of weeks with friends and relatives here the newly-wed couple will go west to their home at Oakville, Manitoba, carrying with them, we are sure, the very best wishes of the whole community.

Rev. Mr. Little was the pastor some years ago of the young couple whose nuptials we have tried to chronicle above, and in conversation with him on one occasion the bride remarked that she would get him to marry her if he was within reasonable distance when the time came, if it ever did come. The remark remained in her memory, and was acted on accordingly. Those who know the bride's father know what an honorable matter-of-fact man he is and we have no doubt the esteemed bride has inherited some of her father's honor. Allow us to tender our congratulations.

THAT TIE VOTE.

The Telescope of last week quotes an article which appeared in The Chronicle on the 14th inst. referring to the action of the Council in appointing Mr. Bean to the Treasurership of Durham instead of Mr. Jackson. The Review is credited with the article but that makes no difference as it was a mere oversight on the part of the man with the shears and the paste pot. It will be remembered the vote stood 3 to 3 in favor of Mr. Bean's appointment including Mayor Calder's vote. The Mayor then voted again to break the tie, an act about the legality of which we entertained grave doubts and quoted a section of the law which we thought covered the case in question and demonstrated the correctness of our view on the matter. We understand Mr. Robb, the Editor and Proprietor of the Telescope, is well versed in municipal law and the opinion given in his comments on our article is quite in keeping with our opinion as expressed, in the issue referred to. He writes as follows:

"We are afraid the Mayor of Durham is not as well posted in the law as he might be. The head of a council has no more right to two votes than any other member of the Council. How this idea of a double vote ever got abroad is hard to say, but it exists nevertheless, and the Mayor of Durham has evidently heard of it and treasured it up as a thing not to be forgotten. A presiding officer can vote if he wants, but only once. The law on the subject is as follows:

"The head of the Council or other presiding officer, or chairman of any council, except in cases where he is disqualified to vote by reason of interest or otherwise, may vote with the other members. All questions on which there is an equality of votes shall be deemed to be negative."

"This motion to appoint Mr. Bean Treasurer was lost, and Mr. Jackson is still Treasurer."

SOUTH GREY LIBERAL ASSOCIATION

The annual meeting of the South Grey Liberal Association will be held in the Town Hall, Durham, on Thursday, February 28, 1907, at 1.30 p. m., for the election of officers and general business. Following the business meeting addresses are expected from Hon. Geo. P. Graham, M. P. P., leader of His Majesty's loyal Opposition in the Ontario Legislature; A. G. MacKay, M. P. P.; H. H. Miller, M. P. All adherents of Liberal principles are cordially invited. C. Ramage, Secretary; J. P. Telford, President.

The above notice of the Liberal Association is the usual style of notice given for political meetings and we do not think much of it. A general invitation should be given the public to attend the after meetings when the big guns are discharging themselves. "All adherents of Liberal principles" will feel free to go anyway, but the other fellows will feel delicate to tread on forbidden ground. If the Hon. Geo. P. Graham, the "Leader of His Majesty's loyal Opposition" has anything good to say the Conservatives would like to hear it, and if the principles he advocates are better than their own, there may be some chance of making converts to Liberalism. The close communion conventions should be done away with, and everybody should be cordially welcome to attend the general spouting of a political association. We give them, Grit and Tory, the right to transact their private business alone, but we think a general invitation to the speaking, which should be a discussion of the public questions of the day, should be given to all. There are many Conservatives who would like to hear Mr. Graham's address, but they'll not feel like going out on such an invitation as we have quoted above.
