

Henry's Corners.

Mr. Thos. Daily had a bee drawing wood one day last week and gave the boys a very pleasant hop in the evening.

Mr. Andrew Henry had the misfortune to lose a horse from indigestion.

Quite a large gathering assembled at Amos Church on Tuesday Feb. 26th, for the induction of the Rev. Mr. Kendall, who has been chosen by the two congregations for their Pastor and may God speed him in his large field of labor.

Mr. and Mrs. Samuel Patterson visited the latter's sister, Mrs. Robt. Hastie, of Traverston part of last week.

Mr. Robert J. Matthews purchased a fine colt the other day from Mr. Mat. Hooper for a handsome sum.

Mr. Charlie Reid gave a party to the youth and beauty of this part and a very pleasant time was spent tripping the light fantastic till the wee sma' hours when all went home satisfied that Charlie can do the Grand.

Misses Kate Allan and Bella McLaughlan spent last week with Mrs. Jas. M. Allan.

Mr. Wm. Hunter and Andrew Henry drove over to Howick last Monday to visit friends and returned on Thursday.

Mr. Wm. Brown sold a fine horse to Mr. Petty, of Saskatoon, for a handsome sum.

Some of the boys from our burg attended the box Social at Mr. Wm. Tucker's and report a good time.

Mr. and Mrs. Philip Lawrence visited at Mr. Thomas Brown's one day last week.

Mr. Charlie Reid is wearing a bright smile these days as Miss Nellie Kennell, of Proton, is visiting there for a few days.

Mr. Robert Matthews sold a horse to Mr. Carlet, of Markdale, last week for the handsome sum of \$200.

Mrs. Thomas Brown, of Holstein, accompanied by her two daughters, Misses Sarah and Maria, are visiting her son, Mr. Thomas Brown.

Quite a few from our burg took in the shadow social at Mr. Jas. Eden's last Thursday night and report a very enjoyable time.

Mr. Tom Hargrave visited his sister, Mrs. Jas. M. Allan last week. He intends leaving on Saturday to visit his sister, Mrs. Ragen, of Caledon East, and then go to his home in Weyburn, Sask.

Mr. Will Allan left on Tuesday for Dundurn, near Saskatoon. Will will be missed as he was a friend of everyone who knew him. We wish him luck in the golden West as nothing is too good for him.

We regret very much to learn that Miss Ada Brown, who has been attending the College of Music in Toronto, is not in good health at present and is expected home to recuperate.

ANOTHER GREAT DISCOVERY.

A well known gentleman in Black Bay, Ont., Mr. John Cowan, has discovered an absolute specific for Rheumatism and writes: "I was affected with Sciatica and chronic Rheumatism, which I contracted years ago. The disease had a great hold in my blood, and it was hard to make any impression on it. Reading of Ferrozone I was convinced of its merit and it's certainly the best I ever tried. Why it just drove away the Rheumatism. Even stiffened old sufferers will experience quick results. The reason is that Ferrozone acts through the blood and thereby destroys the cause of the disease. Price 50c per box at all dealers.

Waudby.

Changeable weather still prevails. On the first of March the soft wind blew and the rain that fell that night made it look like spring, but the hurricane that came the next day would lead you to imagine you were in another climate.

Our mail carrier, Mr. S. Jacques, is brave. He makes his trips regularly and on time through sunshine and storm.

Mr. James Hall is very ill at a time of writing; pneumonia is the cause of trouble.

Mr. Jas. Ellison is limping around these days after getting a kick from a horse.

Mr. Nicholas Melosh had the misfortune to lose one horse lately.

Mr. Wm. Watterson has purchased a team from D. Noble, of Markdale. Mrs. William McNally and John Kingston, of Meaford, were callers around our burg for a few days.

Mr. O. Heffernan, of Guelph, was around Waudby last week and picked up a number of choice cattle.

A number of the friends and neighbors of Mr. and Mrs. W. T. Kerney met at their home on Friday evening, March 1st to spend the evening with them before they leave for the far West. They took them by surprise and presented them with two upholstered easy chairs, after which Mr. and Mrs. Kerney made a very suitable reply. The evening was spent by the older ones in by-gone days chat while the younger ones enjoyed themselves in dancing until the wee sma' hours in the morning when all went home wishing them a safe journey to the far West.

THE ADDRESS.

March 1st, 1907. To Mr. and Mrs. W. T. Kerney: DEAR FRIENDS,—It is with feelings

of regret that we learn of your intention to remove from amongst us and as friends and neighbors for many years, we assemble on this occasion to bid you a kind farewell. In private and public life you have always been alive to the best interests of the community. As a member of the school board your services were well rendered and in your connection with the township council we are confident you ever did your best to give us an honest and economical administration. You and your beloved partner and family have been kind and obliging neighbors and your jovial and genial conduct always lent a charm to the society in which you mingled. We truly regret to have you leave us, but since you have decided to do so we sincerely trust it may be for your own personal welfare.

As a slight token of esteem we present you with these chairs and hope you may be long spared to enjoy them.

When in the far West we desire you to give us an occasional thought and we assure you that as our thoughts turn westward they shall pause with pleasure to remember the kind family whom we now desire to honor.

Signed in behalf of friends.

WESTERN CANADA.

There are many people in the east who are interested in learning how their friends who have moved to Western Canada are getting on, who are anxious to show what Winnipeg and Western Canada are like. There are also large numbers of persons in this Province who are anxious to obtain reliable information about the west and are at a loss to know how to procure it. In like manner there are many in the east who have friends in the west who would welcome news from their old home. Present these friends with a copy of the Chronicle.

The Durham Chronicle has arranged to satisfy these wants by entering a clubbing arrangement with the "Manitoba Free Press" of Winnipeg, the oldest and leading newspaper of Western Canada. The "Manitoba Free Press" daily edition, will tell you all about the wonderful growth of the city of Winnipeg, the conditions existing in that city, the opportunities for employment, the cost of living, house rent, etc., the opportunities of business openings, and will also furnish you with full information on the same subjects in regard to other cities and rising towns of the west.

Always Keeps Chamberlain's Cough Remedy in His House.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale at Parker's Drug Store.
