## ROBERT BURNETT

### Varney.

Charlie Petty loaded his car on Monday for the West and it left Durham on Tuesday with Billie Allan in charge of the stock. Mr. and Mrs. Petty and family also left on Tuesday for their home after spending several months in this neighborhood.

Mr. and Mrs. R. B. Irvine and their daughter Ella, also Mr. and Mrs. Herbert Irvine and little boy, all left for their homes in the west, after spending a good part of the winter visiting friends around Varney and Holstein. Mr. R. B. sent a fine driving horse in Mr. Petty's car.

Mrs. Wm. McCalmon and her family of four little children left Varney to join her husband in the West. We wish them a safe journey and the greatest success in their new home.

Annie Pettigrew has we are sorry to say been very poorly for some time but we hope to soon see her around again. We miss her at the Sunday School.

Albert McClinton was in Mt. Forest from Wednesday until Saturday helping the H. W. Leeson family fix up their new home.

Billie Bryan got his barn moved to its resting place on Friday without the least damage to it. Mr. McLean did the work and did it well. He is a good hand. Mr. Bryan was well pleased and gave the young folks a good time at night, when we believe they tipped the light fantastic toe. There has been several of these parties here this winter. We are afraid some of our Methodists will be dancing yet but we hope not.

Harry Grashy has been sick for a few days but we hope he will soon be able to be around again.

Frank Havens moved to Durham last week. He will be much handier to his work now.

We hear Tim Grashy has bought the house that Frank Havens vacated and will fix it over and move into it. Our Pastor Rev. Mr. Sanderson, we are sorry to say has the grip and has not been able to take charge of his pulpit work for the past two Sundays.

Mr. Wm. Glass took charge of the services in Varney church on Sunday and on account of the bad roads had a very small congregation. Those that were present were well pleased. Aaron Vollett got quite a shock one day last week, while he and Mrs. Vollett were driving along near Mrs. Dennett's. There being a bad place in the road Mrs. V. got out to walk and as she went to get into the cutter again she fell over unconscious and with the aid of Mrs. Dennett, Mr. Vollett got her into Mrs. Dennett's house where after some time she came to and was able to go on her journey home.

### Top Cliff.

Last Saturday's storm blockaded the road running north and south badly as we can testify from our experience coming from Irish Lake on Saturday evening in wading in snow banks up to the neck in some parts, while in others they were fairly passable. However we managed to get home on Sunday morning thanks to kind friends who convinced us from pressing our journey all the way by persuading us to stop over night at their comfortable residence.

We are sorry to hear of Mrs. Henry Patterson's illness. She had to go to Toronto hospital for an operation for appendicitis last week. We sincerely hope to hear of this estimable lady's restoration to health.

We always read with much interest Mr. Blakeston's writings and we might add that he was one of those good hearted men who supported all good causes while a resident of Priceville, irrespective of denominational feelings.

A large number of people old and young are complaining from the effects of colds or grippe throughout Glenelg. A large portion of the aged passed away during the last few weeks. In St. John's R. C. cemetery, Pomona, there was a funeral once a week since New Years, and we find that very few are left of the dear old people who bore the burden of pioneer life in the township of Glenelg.

Mr. Fothergill, who had Pat Sul-

livan's farm rented, moved to David McIntyre's, Egremont, on the last day of February, as he rented Dave's farm.

Mr. and Miss McArthur, of Latona, visited friends at Hopeville and on the Durham Road, Glenelg, last week. Mr. John Green, of Kleinberg, paid his friend Arch, J. McDonald a visit for a few days a week ago.

Miss Maggie Hooper, of this place, visited with her friend, Miss McArthur of the 4th of Glenelg for a few days last week.

The Rev. Mr. Matheson, of Priceville, was unable to take the services on Sunday last owing to a bad cold that affected his throat.

All the churches were slimly attended last Sunday on account of bad roads.

Mr. Edward Harrison, south of this place, had a cow that gave birth to triplets lately. Two of them are living.

Ferguson Bros.' sale last week was quite a success. One horse went as high as \$225 and another for \$175 and everything accordingly.

Arch, McDonald is to have a sale on the 6th and Malcolm McInnes on the 12th of March.

The severity of the frost lately caused the water to get very low at our mills in Priceville and last Friday night's thaw didn't amount to much. Joe Campbell was busy teaming out hay for a few days last week. Joe has an extensive farm of over two hundred acres.

Miss McCosh, our good lady teacher, is always on duty at early morn, snow storm or sunshine.

Bob Fisher still holds the fort keeping "bach hall" and everything is found in its proper place all the same.

We always admire the Flesherton writer's news and wonder how he can find so much week after week.

Quite a busy time at Sparling's mill 3 or 4 miles north of this place, drawing logs, wood, etc. We must not go too far north for fear our good friend R. T. will be giving us a dig for trespassing on his territory, but we will take the privilege of informing the public that he is too busy at present preparing to build an arc—or a barn we mean—next summer, as he has about an acre of ground nearly covered with timber and nearly half that much under a stone basement, which is completed and ready to raise upon it when summer comes.

It will not cost you a cent to try Chamberlain's Stomach and Liver Tablets, and they are excellent for stomach troubles and constipation. Get a free sample at Parker's Drug Store.

### Flesherton.

Early on Monday morning of last week the Anderson family on the old Henderson homestead near Mt. Zion Methodist church suffered a heavy loss by the destruction of their home by fire. Mr. Anderson, Jr., had risen and started a fire in the cook stove. He went out to the barn and soon after the house was found to be in flames which made such rapid headway that the inmates yet in bed barely escaped with their lives. The contents including an organ, sewing machine, and other valuables were nearly all destroyed, also about \$8 in cash. Attempting to save some of the contents Mr. Anderson Sr., was severely burned on the hands and arms. No insurance but, neighbors and friends are kindly contributing towards the loss sustained.

On Tuesday evening of last week about twenty members of the Epworth League here paid the sister League at Markdale a fraternal visit. During the evening an interesting debate took place, the subject being, "Resolved that the love of fame is a more powerful motive in human affairs than the love of money." The affirmative was taken by Messrs. Edgar Bellamy and Stanley Thurston, of Flesherton, and the negative by Messrs. W. Irwin and J. Montgomery of Markdale. Dr. Caldwell and C. E. Tryon of Flesherton, and Messrs. Rowe, Ennis, and Thompson of Markdale were the Judges and decided in favor of the affirmative. Solas were rendered by Miss Zetta Trimble and Mr. Ed Bentham, of this place. The Markdale League furnished refreshments and an enjoyable evening was spent.

A Teachers' Training Class which will doubtless be of service in Sunday School work here has been organized with officers as follows:—Pres. Mr. M. K. Richardson; Vice Pres. Charles Stewart, Richard Allan; Sec-trea. W. J. Bellamy. Monthly meetings will be held, that for April will be on the first Friday in the month in the Baptist church.

On Saturday last death again visited this place and removed another old resident in the person of Mrs. Jane White, relict of the late Mr. David White of Artemesia. The esteemed lady had long been a sufferer with asthma and seized with la grippe some days ago her weakened constitution was unable to overcome the malady. The funeral took place to the public cemetery here on Monday, Rev. L. F. Kipp conducting the burial service. The deceased who was 72 years of age, was born in the county of Tyrone, Ireland. At ten years of age she came to Canada and lived in Vaughan township, county of York, until she was married 54 years ago. The day of her death was the anniversary of her wedding day. Soon after her marriage she came with her husband, who met with sudden death 25 years ago, and settled on the east back line where she lived till six years ago when she made her home with her son in law, Mr. Jos. Cornfield, of this place. One son Wm. J. and daughter Sarah A. died some years ago. The surviving members of her family are, Mrs. John Kerr and Mrs. Cornfield, of this place. Robt. T. on the east back line, and Mrs. Black, in Peel county. One sister Mrs. T. Chapman of Egremont also survives and was present at the funeral. The deceased was very highly respected and her family have the sympathy of many friends in their bereavement.

Mr. John Fisher, a member of the Fisher family of this township for the past eight years caretaker of the Presbyterian cemetery at Collingwood, has resigned the position, and will in future devote his time to fruit and poultry raising. The Enterprise says "Mr. Fisher has been a good officer and many will regret his retirement."

The congregations at Waldemar and The Maples, near Orangeville, have moderated in a call in favor of Rev. L. W. Thom, of this place, whose congregation have been cited to appear at the meetings of Presbytery at Orangeville on the 12th inst, when the call will be formally presented \$800, stipend, a free manse and three weeks holidays is, we understand the offer being made in the call. Work on the Boyd, Blakely mill dam has been suspended till after the frost leaves the ground when the job can be more successfully and speedily completed.

Then your blood must be in a very bad condition. You certainly know what to take, then take it—Ayer's Sarsaparilla. If you doubt, then consult your doctor. We know what he will say about this grand old family medicine.

This is the first question your doctor would ask: "Are your bowels regular?" He knows that daily action of the bowels is absolutely essential to recovery. Keep your bowels active and your bowels regular by taking laxative doses of Ayer's Pills.
