

Varney.

Geo. Petty left Varney on Saturday morning on his way back to the West. He intends to visit in Toronto for a few days and also spend a week in Muskoka.

We were glad to hear that those who left for the West a week or so ago arrived safely home.

Mrs. John Beard has been visiting for some time at Mrs. John Bogie's.

Robt. Petty is engaged with Robt. Smith in the saw mill and also Wm. Morrison son of Richard Morrison. R. S. knows where to get good men.

Mrs. Crawford was visiting at Wm. Caldwell's one day last week.

We are sorry to say Mrs. Aaron Vollett is not improving in health very fast.

Thos. Wallace has been treating himself to another new horse.

We forgot to mention in our last budget that Mr. Andrew Carson from Toronto, has been visiting his sister, Mrs. David Allan, for a few days.

The young people were lonesome on Sunday night as there was no Epworth League.

County Master James Eden, who is a member of Varney Lodge, attended the L. O. L. Provincial Grand Lodge which was held in Orangeville last week.

Miss Ada Brown, who was coming home from Toronto, stopped over night with her aunt, Mrs. Wm. Clark.

It looks very much like as if spring were near. The crows are around in goodly numbers and the ground-hogs and chipmunks are out. It would be a good thing for stock if we had an early spring as feed is not any too plentiful.

Eczema, Tetter, Salt Rheum, Itch, Ring Worm, Herpes, Barbers' Itch.

All of these diseases are attended by intense itching, which is almost instantly relieved by applying Chamberlain's Salve, and by its continued use a permanent cure may be effected. It has, in fact, cured many cases that had resisted other treatment. Price 25 cents per box. For sale at Parker's Drug Store.

Bunessan.

Mr. Thos. McComb has sold his 150 acre farm to Mr. I. Pool, of Tara. We learn the price was \$3300. Mr. and Mrs. McComb will be much missed from this neighborhood. Their many friends and neighbors on learning that they were about to depart from this place gathered at their home Wednesday evening to have a social time with them before they left for their new home in your town, and also presented them with an address and a Morris chair each, showing the esteem in which they were held by their many friends. The address was read by Miss Amy I. Edge. Mr. McComb making a suitable reply. Mr. W. J. Young acted as chairman and made a good speech followed by other gentlemen, after which refreshments were served by the ladies. All present enjoyed themselves with the evening's amusements.

THE ADDRESS.

Bunessan, March 13th, '07.

DEAR MR. AND MRS. MCOOMB:

It was with deep regret that we learned of your intended departure from this neighborhood, and we take this occasion to meet once again with you, to enjoy a social evening before you leave us for your new home.

For many years you have lived amongst us, as a kind and obliging neighbor, ever ready to sympathize and help us in our sorrows and share with us in our joys. Nor can your interest and assistance in every good work be forgotten by us, who always found you willing to give your hearty support to everything tending to the welfare of this community. In view of these facts, we cannot let this occasion pass without showing to you our appreciation, and ask you to accept these chairs as a mark of the esteem and respect with which you are held by your many friends here.

We trust that among new friends you will often think of the happy days spent at Bunessan.

In closing we hope your efforts may be crowned with success in your new sphere of labor and that God's blessing may rest on you and your family.

Signed on behalf of your friends and neighbors,

Chas. Kennedy, Allan Bell, Katie McFarlane, Archie McArthur, Maggie McFadden, Dan McCormick, Amy I. Edge.

Spring Bank.

Mr. Joe Lawrence disposed of a horse to Mr. Vollet, of Varney, for \$140 and has since purchased a fine one from Mr. George Hargrave for a good figure.

Messrs. M. and P. Couardt, George Hargrave, Isaac Hooper and Alfred Watson take their departure for the West on Wednesday of this week. They are a fine bunch of industrious, thrifty young chaps and we hope that fortune and good health may always favor them in their prairie homes where they expect to locate.

Mr. Will Lawrence had a very successful wood cutting bee on Friday last when men to the number of 20 gathered in the woods to use their muscles and strength by showing their ability as practical woodcutters. While in the evening the youth and beauty greatly enjoyed themselves in the old time merriment, tripping the light fantastic to the excellent music furnished by the supple fingered violinists of the surrounding neighborhood. Everything went merrily on until the wee little hours when the old horizon began to give light to another day when all crept silently homewards feeling highly delighted with the night's enjoyment partaken of from their host and hostess.

We were present at Wm Couardt's sale on Thursday last which was largely attended and was an out and out success. With Auctioneer McPhail wielding the hammer things went like hot cakes and the last cent's worth is hammered out of every article. Mr. Couardt, we understand, intends leaving for the West in a couple of weeks.

Mr. Henry Eckhardt visited friends at Hanover recently.

Mr. McLean has his mill in operation once more, George Noble, of Bentnck, is handling the lever.

Mr. George Myers is busy drawing the farm stock and implements belonging to the McKechnie estate to Durham where they will be put up at auction. Mr. Limin, of your town, has, we understand, rented the ranch for the summer.

Mr. Will Lawrence has purchased a dashing fine horse from Mr. George Myers for the sum of \$210.

Mr. George Myers and family move this week to their new home near Top Cliff. George will be missed here as he has always proved himself a useful, helpful and obliging neighbor.

We join with the community in extending our tribute of loving sympathy to Mrs. Samuel Lawrence and family in this their time of sore distress. They are mourning the loss of a sympathetic and devoted husband and father who was always regarded by the people of the neighborhood as being upright and honest, kindhearted and true, the best and chief principles of a man's character. His demise brought sadness and sorrow to a home and the links that bound love and affection together so long has at last been severed and an aged one has answered his last call and entered the list of the departed, and the neighborhood has been depleted of another pioneer settler. Deceased was a conscientious and enthusiastic member of the Orange Order, his funeral being largely attended by members of that institution.

HIS RECOLLECTION.

A gilded mirror, a polished bar, Myriads of glasses, straws in a jar, A kind faced young man, all dressed in white—

That's my recollection of last night. The streets were narrow and far too long,

Gutters sloppy, policemen strong. The slamming of the doors in a "sea going hark!"

That's my recollection of getting back. The steps were slippery and hard to climb,

So I rested often—I had plenty of time.

An awkward keyhole, a misp'aced chair,

Informed the folks that I was there.

A heated interior, a revolving bed, A sea sick man with an awful head. Whiskey gin, beer and booze galore. Were introduced to the cuspidore.

And in the morning came the bags of ice,

So very necessary to the life of vice. And when it had soothed my aching brain

Did I swear off? No! I got soused again!

ADDRESS AND PRESENTATION.

In the absence of the Correspondent we take the liberty of sending you the following:

One of those little surprises that leave pleasant memories with all concerned took place at the home of Mr. and Mrs. John McMeekin, who were completely taken by surprise, when about forty-five of their neighbors and friends called on them one evening and after a splendid program of music, singing, etc., the following address was read by Miss Sadie McCuaig.

Topcliff, March 15th, 1907.

TO MR AND MRS. JOHN McMEEKIN:

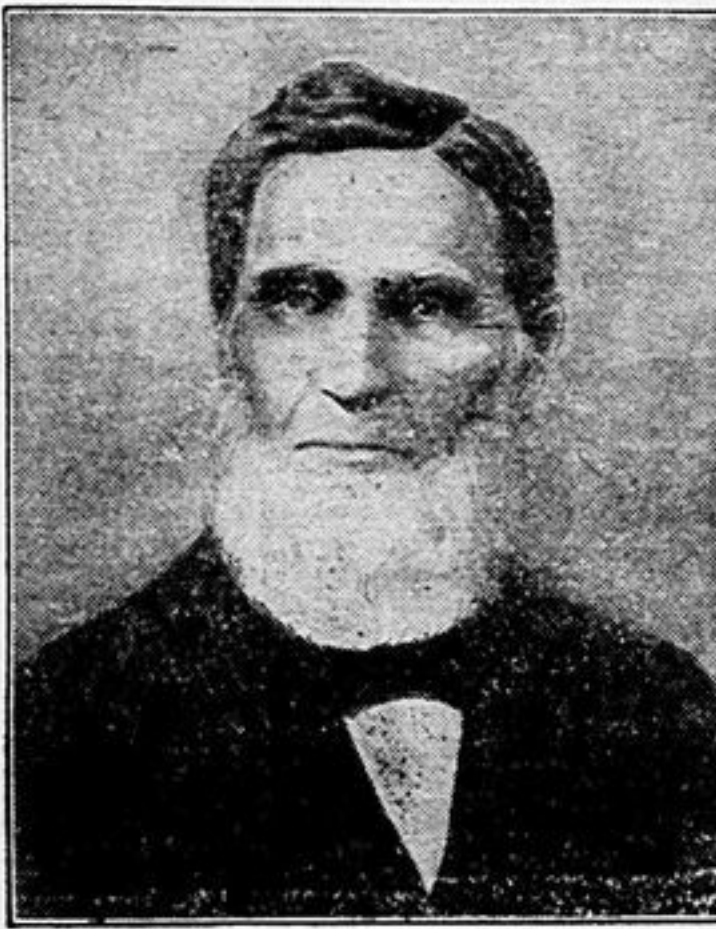

DEAR FRIENDS AND NEIGHBORS,—During your short stay of about four years amongst us we can cheerfully say that the bonds of friendship and confidence between us have always been growing and increasing in strength.

We cheerfully attribute it all to your straight forward and honorable characters it being plainly noticeable that you were ever ready to do better to others than you wished for yourselves in return. And as it has been by your actions you have won our esteem and confidence we think it appropriate on the occasion to let our words be few and present you with this sugar bowl and spoon holder and carving set as a small token of our esteem for you and as a remembrance of us. While it is needless to say, that we regret you leaving our midst, we all join in wishing you and yours best of all blessings through time and eternity.

Presented in behalf of your neighbors by

NEIL McKINNON,
THOMAS McDUGALL

Which they very appropriately replied to, saying they had done nothing to merit such good-will. But strange to say there was not one in the company believed this part of the reply but themselves, and after a general good time and luncheon provided by the thoughtful ladies of the company, all dispersed to their several homes in the sma' wee hours of the morning singing softly. "Behold how good a thing it is and how becoming well, for such as brethren are in unity to dwell."

THE LATE MR. C. B. RECORD,

FOUNDER OF THE RECORD FOUNDRY.

Reproduced above, is a portrait of the late Mr. C. B. Record, the founder and original head of the Record Foundry & Machine Co., of Moncton, N.B., and Montreal, P.Q.

Previous to Mr. Record going into the manufacture of stoves, those used in Canada were almost wholly of American manufacture. The character of the work turned out by the Record Foundry & Machine Co., at once gave their stoves a standing, and as a result a very large business soon grew up, largely owing to Mr. Record's untiring industry and perseverance against many obstacles. Although Mr. Record retired from active business as far back as 1879, the solid basis on which he had established the industry, has resulted in its growth from a sturdy pioneer into one of the largest stove manufacturing plants on the northern half of the American continent. With two large plants, one in Moncton and one in Montreal, the Record Foundry & Machine Co. are known from Halifax to Vancouver, and their "Caloric" and "Admiral" furnaces and "Penn Esther" ranges recognized as the standard of Canadian excellence.
