Any person requiring such help should notify me by letter stating fully the kind of help required, when wanted, and what wages offered. ## THE BIG STORE

### HARDWARE

A stirring event occurred in this department yesterday when a customer was purchasing a shovel. He saw a certain kind of fork that was marked down to 60c. He says: "You charged me 80c. for the same fork last fall and now you are selling them at 60 cts. What does that mean?" Of course we had to explain to him that we had just gone through the tools, cutlery, guns and especially the necessary articles for farm use at this season of the year and cut the prices on many lines less than wholesale and intended selling hardware at prices that would pay every man who needed anything in this line to come and see what we are doing in this department.

### PAINTS

It will soon be time to paint the floors, the chairs and woodwork in your house and perhaps the outside needs a touch up. Don't forget that we sell the famous Hollywood paints and have a full supply of all colors.

Just arrived long kid gloves, long silk gloves in black and white, perhaps you need them for that short sleeved waist. The newest styles of Easter neckwear just passed into stock.

## ALEX. RUSSELL

### Traverston.

A joyous Easter we wish to all readers of the Chronicle.

Mr. Wm. Bailey, teacher in No. 5, leaves on Thursday to spend the holidays at his home in Dandak.

Mr. John McNally is preparing for a big driving shed. Mr. Will Jack did a big day's hewing on Monday.

Mr. Sam Jacques has resigned his position as librarian and caretaker in Zion. He performed the duties well.

Mr. George Tucker's sale on Monday was all that could be desired. An ideal day, stock in good trim and chattles in neat shape, a brisk bidding crowd and auctioneer Matthews keenly alert, all combined to make it a financial success. The neighborhood regrets the removal of Mr. and Mrs. Tucker and family, but wish them every success among the fruits and flowers of Niagara.

Mr. James Russell has rented his farm for a term of years to his brother Will and is holding a sale of his effects on Thursday. He has received an offer of \$780 a year for a term of years from his old lumbering Co. to go to Oregon and do their harness making at which trade he is an expert.

Our last budget was delayed and hence, had to be burned. In it we desired to speak of the success of Mr. Mike Kenny at his first wielding of the hammer at Mr. Jas. Hall's sale. We wished, also to pay a slight tribute to the sterling worth and kindly virtues of the late Mr. Mack, whom we had learned to venerate for his "gentle scanning of his brother man's frailties." If he couldn't speak well he never spoke ill of his neighbor.

"Preventics" will promptly check a cold or the Grippe when taken early or at the "sneeze stage." Preventics cure seated colds as well. Preventics are little candy cold cure tablets, and Dr. Shoop, Racine, Wis., will gladly send you samples and a book on Colds free, if you will write him. The samples prove their merit. Check early Colds with Preventics and stop Pneumonia. Sold in 5 and 25c boxes by MacFarlane & Co.

Mrs. Eliza F. Lett died very suddenly at her residence on Monday, March 25, in Collingwood. Mrs. Lett was the widow of Rev. Stephen Lett, rector of All Saints' Church. She had been a resident of Collingwood over 30 years, and was 75 years of age.

The News—No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is—and has been for 20 years. The National Law now requires that if any poisons enter into a cough mixture, it must be printed on the label or package. For this reason mothers, and others, should insist on having Dr. Shoop's Cough Cure. No poison-marks on Dr. Shoop's labels—and none in the medicine else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Take no chances, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Compare carefully the Dr. Shoop package with others and see. No poison marks there! You can always be on the safe side by demanding Dr. Shoop's Cough Cure. Simply refuse to accept any other. Sold by MacFarlane & Co.

### Liquid Granite

Is a VARNISH of such remarkable toughness and elasticity that although wood treated with it may dent under a blow the finish will give it without cracking and by virtue of its toughness it is adapted for use on natural wood floors and is guaranteed to be the best floor finish ever introduced. It takes the place of wax by right of its greater utility, producing a more handsome finish but by its durability doing away with the frequent renewals necessary with a wax finish. This Varnish is not only confined to floors, it is especially useful for counters, bathrooms, oilcloth and linoleums and inside work of any kind where a good tough Varnish is necessary.
