

Corner Concerns.

This week's budget. Mrs. Alex Allan presented her husband with a bouncing baby boy which breaks the monotony of a family of girls. There is rejoicing in the home. Miss Lottie Eden returned home from Toronto on Thursday looking as if city life agreed with her. Mr. Jim Johnston yielded to the tempting offers of high wages in Pennsylvania and started last Friday morning. Mr. Joe Lennox sr is engaged for a time to look after things around Varney Hotel. He has always been noted for his trustworthiness. Mrs. Dennet had a very successful wood bee on Thursday and got her summer's wood prepared. Mr. Garrison, of Winnipeg, is visiting the Sirrs' family as a sequence, we presume of Miss Aggie Sirrs having visited that city for a while last summer. It is whispered that Miss Sirrs will be going west soon. A social gathering is to be held in the home of Mr. James Tacker this, Tuesday, night. It promises to be a very happy event. Our next budget may be very interesting with marriage notices. We may need space. Mr. John Barbour returned home from Manitoulin a week ago. A deep sadness was felt in the neighborhood when it was learned that Mrs. Thompson, nee Miss Lizzie Dennet, of Wiarion, had been fatally burned by her clothing taking fire, resulting in death a few days later. We all leaned with sorrow that Mr. John Calvert near Orchardville had passed away last Wednesday. He was always held in high esteem by the people of this part as he did an honest business for many years in cattle and lamb buying. Mr. Frank Grasyby has always been a sturdy chap who never tried to shirk a difficult task, but last Friday he began keepin "bach". Saturday at noon he began to soliloquize and this is how his thoughts and words ran: "Work sixty hard hours in the week, three poor meals in a day and do the work of an ordinary woman between times, a man might better be dead. I'll let the farm go to grass and take in cattle to pasture and I'll go and work on the Railroad." He acted accordingly and before night he had the place closed up and had left the neighborhood. The Ritchie Bros. got the contract for the mason work on the new church. They are good workmen.

Henry's Corners.

Well Mr. Editor we notice that most of your scribes are prophesying about the kind of weather we are going to have this spring, but as we are not a prophet nor yet the son of a prophet I will not venture to make any predictions. Miss Bella Patterson has returned from Traverston after spending a week visiting her aunt, Mrs. Hastie and other relatives. Jim Boaker is back again from Wilberforce, Haliburton. We hear he intends going to Cobalt to seek his fortune. Mr. R. J. Matthews has engaged Mr. George Schenk for the summer. Mr. and Mrs. James M. Allan and Mrs. Hooper visited friends in North Egremont over Sunday. We extend our heartfelt sympathy to Mr. James Mack and also to Mrs. Samuel Lawrence of Springbank in their time of sorrow. Miss Grace Reid visited her friend Miss Kate Allan, for a few days last week. Mr. W. F. Patterson who has been attending a Toronto Business College is home for his Easter holidays. Mr. Wm. Hunter disposed of his fat cattle to King Brown for 5c. a pound. They certainly were dandies. Mr. and Mrs. Andrew Picken gave a reception to the latter's sister, Mrs. A. Lawrence who was lately married. Mr. Wm. Hunter, while on his way to Durham met with what might have been a serious accident. As he was opposite the farm of Mr. J. Lennox he was met by Mr. Lennox' team which was running away. His horse took fright and while trying to get off the road was struck broad side by the wagon. Both shafts and a wheel were broken and Mr. Hunter was thrown out but luckily escaped uninjured. Miss Ada Brown is home from Toronto. Mr. Max Allan of Varney spent Sunday at Mr. Wm. Brown's. Mr. Wm. Lawrence, Jr., had a successful wood bee and gave to the Youth and Beauty a dance at night. Mr. Tom Lawrence is home from Rochester to see his father who has been very ill. We hope to her of his speedy recovery. "Turkey in the Straw" wafted to us on the midnight air, by one of our promising young men who is going into the poultry business, a Green house being in consideration. As he was out to the Second Concession to exchange a turkey to get into larger fowl we would advise him to get some of Mr. Allan's poultry food and an incubator from the Farmers' Supply Company.

Varney.

John Morice spent a week visiting his sister at Arthur and Cummock. We hear that Billy McCalmon was twenty days getting to his destination. A long, tedious trip. We also heard that Mrs. McCalmon, who left two weeks later, got there the same day. Tom and Max Allen had a wood bee one day last week and got a fine lot out. They also gave the young people a party at night. Mrs. S. Neal was visiting at her sister-in-law's, Mrs. Aaron Vollett's, a few days last week. Fanny Grasyby has been staying with her aunt, Mrs. Vollett, during her sickness. We miss Fanny's smiling face around Varney. Stanley Telford was around the village for a few days last week. He attended the party at Allen's. Mabel and Gladys Dunn gave the young people a party on Friday night. Gladys left the next morning for the Queen city where she intends to remain for some time. Billy Prew is Mr. Clark's right hand man around the mill these days. Florence Clark returned home on Monday after spending a week visiting her brother, Arthur, in Hanover. Arthur and Miss Mamie Redford accompanied her home, but returned the same day. We were sorry to hear of Art's misfortune in getting two of his fingers cut off while working in the cement mill at Hanover. He will be laid off work for a good while. Mrs. Thomas Barclay, of town, was visiting Mrs. Wm. Crawford last week. Ethel Pettigrew went to Mount Forest on Tuesday morning where she will remain for some time. A Mr. Cole is visiting at Mr. Wm. Bryan's at present. District Master J. W. Blyth paid an official visit to L. O. L. 1192 on Monday night also to Allan Park L. O. L. 668 on Tuesday night. He had the pleasure of Wm. Ritchie's company. They had a good time at both places. Mrs. K. Pettigrew goes this Thursday with her little son Irvine to the hospital in Toronto for the purpose of getting splints applied to the little fellow's legs, which we hope will have the desired effect. We are pleased to report that Harry Grasyby is about all right again.

PASTOR AND PEOPLE

PRaise PSYCHINE (PRONOUNCED SEE-KINE)

A Marvellous and Triumphant Record of Victory Over Disease. No medicine has ever effected as large a number of wonderful and almost marvellous cures as Psychine. It has had one continuous record of victories over diseases of the throat, chest, lungs and stomach. Where doctors have pronounced cases incurable from consumption and other wasting diseases Psychine steps in and rescues numberless people even from the very verge of the grave. Coughs, Colds, Catarrh, Bronchitis, Chills, Night Sweats, La Grippe, Pneumonia, and other like troubles, all of which are forerunners of Consumption, yield quickly to the curative powers of Psychine. Mrs. Campbell, one of the many cured, makes the following statement: "I cannot refrain from telling all who suffer of my remarkable recovery with Psychine. In April, 1902, I caught a heavy cold which settled on my lungs and gradually led to consumption. I could not sleep, was subject to night sweats, my lungs were so diseased, my doctor considered me incurable. My Mr. Mahaffy, Fort Egin Presbyterian Church, recommended Dr. Slocum's Psychine to me, when I was living in Ontario. After using Psychine for a short time I ate and slept well, the night sweats and cough ceased. Months ago I stopped taking Psychine, as I was perfectly restored to health and to-day I never felt better in my life. Psychine has been a god-send to me." MRS. ANDREW CAMPBELL, Cottonwood, N.W.T. PSYCHINE never disappoints. PSYCHINE has no substitute. There is no other medicine "Just as good." At all dealers, 50c. and \$1.00 per bottle. If not write to DR. T. A. SLOCUM, Limited, 179 King St. W., TORONTO

Suffered for Five Years With Kidney and Liver Trouble.

"I suffered for five years with kidney and liver trouble, which caused severe pains across the back and a blinding headache. I was cured by Chamberlain's Stomach and Liver Tablets and have been well now for six months," says Mr. Arthur S. Stickland, of Chattanooga, Tenn. For sale at Parker's Drug Store.

CONDOLENCE

TO MRS. SAMUEL LAWRENCE: DEAR MADAM,—We, the members of L. O. L. No 1192, Glenelg, wish to convey to you and your family our sincere sympathy in the loss you have sustained by the death of your beloved husband. We would willingly bear a part of your burden and share the grief which now fills your home with sorrow. During the many years several of us have been acquainted with our departed brother. For fifty years he was a worthy and consistent member of our association, but while we share your sorrow let us remember that what is our loss is his gain. We pray that the wise God who doeth all things well will lessen your sorrow by filling your heart with a strong desire for a glorious re-union where parting shall be known no more. We realize how vain are words to bring comfort, but we trust you will seek consolation from Him who doeth all things well. While we know that death is the lot of all and sooner or later those who are near and dear to us will be taken from us, yet we feel the blow heavily when it comes. In conclusion we commend you to the word of His grace who has called our brother from scenes of labor to those of abiding rest, praying that His ever loving Providence may watch over you and vouchsafe to your family the blessing of many years till in the Sweet By and By we shall meet to part no more. Signed on behalf of the members of Glenelg Lodge No 1192. Wm. RISCHIE, Fin. Sec. THOS. McFADDEN, Treas. JOSEPH BROWN, Rec. Sec.

Darkies' Corners.

Mr. George Smith sold a fine team of horses recently to Messrs. Ryan and Heffernan for the handsome figure of \$415 00. The Saugeen River is very high at present and all the low lying land in the vicinity of its banks is under water. Once more we hear the whistle of the train which is again running to and from the Cement Lake, with the necessary material for repairs of machinery there. The C. P. R. construction work began operations Monday, April 1st, in the Glen east of Bunesan. Mr. George Ryan, Jr., has been preparing for future cold weather, having a stock of over 65 cords of wood piled up in his yard. Mr. M. J. Staples visited friends in Glenelg last Sunday. Lambton Street is in a bad state with mud and slush, but a few days of the kind of weather we have will improve them wonderfully. Mr. John Staples invested recently in a new Peter Hamilton Seed Drill. John knows a good thing when he sees it. Ploughing has commenced.
