

**Distinctive Features
OF OUR
Wall Paper Stock**

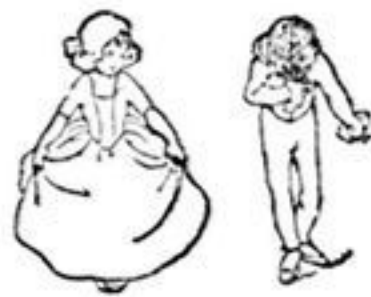

Three distinctive features mark our wall paper line for 1906, and we believe that each of them affords a sufficient reason for selecting from our stock.

1. It is the most complete in this section—is about twice as large as the ordinary stock.
2. It affords the widest possible choice—it includes the best patterns.
3. Every pattern is of the highest artistic excellence to be had at the price we ask.

We have papers that will appeal to the people of every taste and our prices will certainly appeal very strongly to those who want to buy good papers economically.

**THE
DURHAM CHRONICLE**

W. IRWIN, Editor and Proprietor.
DURHAM, APRIL 4, 1907

Flesherton

On Wednesday of last week another resident of this part passed away in the person of Mrs. David McMullen, who has been an invalid since July 1905 when she was seized with a paralytic stroke which rendered her helpless. On Monday of last week another stroke occurred which rendered her unconscious remaining so until the end came. On Friday afternoon the funeral took place to the public cemetery service being first conducted at the house by Rev. Dr. Caldwell. The pall bearers were Jacob Holley, Wm Chard, Johnston Cullen, J. J. Thompson, Jos Blakely, and Henry Wilson. The deceased who-e maiden name was Jane Madill was born in Clarke township 68 years ago. About 45 years ago she was married in this township to Mr. McMullen, who survives her along with the following sons and daughters born to them:—Wm. J. in the Northwest; Samuel, east back line, Artemesia; David at Feversham; Robert in Osprey; Alexander, 4th line Artemesia; Richard at Portlaw, and Mrs. Martin Teeter, at Kimberley. Mrs. Jacob Holley, Markdale is a sister of the deceased.

Messrs. J. W. Boyd's and Mr. F. G. Karstedt's spring millinery openings here last week were great attractions for the ladies who were out in large numbers purchasing and viewing the beautiful creations prepared for their inspection. The show rooms were tastefully decorated and the tables were laden with very artistically trimmed headwear in the newest designs of the season. For elderly ladies bonnets remain fashionable and chaste designs were shown. For the young ladies the popular mushroom shape is a leader. Leghorns will also be much worn and the new sailor will be in great demand. For girls the flop hat will be a favorite. Ribbons take a leading part in trimmings, and fruits, flowers, quills and wings are much used. The Band was in attendance at Boyd Bros. on Thursday evening and gave a pleasing programme of music.

Mr. and Mrs. Thos. Lewis of Kimberley met with sore bereavement on Wednesday of last week by the death of their only son three and a half years old. The little one was a great-grandson of Mrs. John Clinton of this place. The funeral took place to the public cemetery here on Friday the burial service being conducted by Rev. L. F. Kipp.

Mr. Emerson Adams entertained about twenty-five of his young friends in the village at an enjoyable party given one evening last week.

Mr. Becker moved his family to Berlin on Monday and Mr. George Wardrobe is moving to Toronto this week. Mr. Wardrobe had a successful sale on Saturday.

Rev. L. F. Kipp was at Priceville on Thursday night last attending a farewell and presentation given to one of the deacons of his church, who is moving away.

Mrs. Alex McMullen 4th line, who has been very ill for a month is now on the mend. Mr. Samuel Irwin's eight year old daughter Mabel, who has been ill with pneumonia is now recovering. Mr. F. G. Karstedt's eight months old son who has been for some days dangerously ill with pneumonia has a change for the better. A trained nurse is in attendance. Mr. John Thistlethwaite was seized with appendicitis a week ago, but being a light attack and checked in good time he is about again. Mrs. John Harrison, Toronto line, is recovering slowly from a severe illness. Mrs. Jas. Cargo whose life was despaired of a short time ago has been on the mend recently and there is much encouragement for her restoration to health. Mr. A. Munshaw has been confined to his room for about three weeks with an inflamed limb in which there is now some improvement.

The sermons in the churches here on Sunday were on appropriate Resurrection themes and the musical part of the services was in keeping with Easter day. In the Presbyterian church, Mr. J. McLeod, Knox College student, preached in the place of Rev. Mr. Rose, who was unable to be present. In the Methodist church the choir was assisted by Mr. Gallgher, a visitor, who gave two excellently rendered solos. The churches were appropriately decorated with Easter Lilies flowering plants and foliage. In the Presbyterian Sunday School it was Children's Day and a pleasing part of the exercise was a pretty duet by little Misses. Murial McTavish and Ruby Radley.

Messrs. J. M. Duncan and J. T. Best have, we learn, received from the C. P. R. Co. their claim in full for the land in dispute being taken by the Co. for their new branch tapping the main line at Boyd's mill.

Among the Easter holiday visitors here were:—Miss Mabel Boyd home from Alma College; Misses Lily Boyd Lula Mitchell and Willa Wright home from Owen Sound High School. Good Digestion Can be Readily Gained with Mi-o-na Stomach Tablets

It is a torment to look upon a tempting dinner and realize that to eat freely means distress and suffering.

Let us tell you how you can enjoy eating, so that the heartiest meals will set well and cause no pain, distress or uncomfortable feeling of fullness.

If you cannot eat and enjoy three good, hearty, satisfying meals a day without any feeling of discomfort, your stomach is weak and needs the strength which Mi-o-na stomach tablets will give it. You cannot afford to delay treatment, for the longer you allow the digestive organs to be weak, the harder it will be to get help.

The remarkable curative and strengthening power of Mi-o-na is attested by the guarantee, given with every 50 cent box.

If you find that eating well-cooked and properly chewed food is followed by heaviness and load on the stomach, by bloating, by gulping of acids and wind, by distress, nervousness, headache, trouble to sleep, or by any other symptoms of disordered or weak stomach, you should begin the use of Mi-o-na at once.

We absolutely guarantee that your money will be refunded should you buy a 50c box of Mi-o-na stomach tablets and not be satisfied with the results. Mi-o-na is sold by druggists everywhere, or will be sent by mail on receipt of price, 50c.

DON'T USE GREASY LINIMENTS.

A century ago they were very popular. To-day people want something easy to apply, certain in results, and above all a clean liniment. When Nerviline is applied aches and pains disappear as the pores absorb its soothing healing properties. Nerviline penetrates to the core of the pain, eases instantly, and leaves no oily bad smelling memory behind. Good to take in, capital to rub on, and five times more powerful in destroying pain than any oily liniment. Don't fail to get a large 25c bottle.
