## Corner Concerns.

A Shadow Social is to be held at the home of Mr. Wm. McFadden on Thursday evening, April 4th, under the auspices of the Young People's Organisation. The object is to have a good night's enjoyment and further increase the organ fund. Admittance will be, ladies to bring refreshments and their shadow, and gents to pay ten cents at the door and buy a shadow prior to eating the refreshments. Some of the leading features of the program are a string band and choice singers and reciters from both Holstein and Durham, while the members of the organization are quite capable of giving good entertainments if required.

A very pretty, but quiet wedding took place in Trinity Church last Wednesday p. m. Miss Nellie Grasby and Mr. Arthur Lawrence being the contracting parties. The Rev. Bice tied well the knot. Both parties have youth and beauty, health and vigor, and we predict for them a happy married life and express the sentiment of all in this part in wishes them such at present. They are undecided about the selection of a job.

The Egremont Agricultural Society are putting forth their best efforts to make a great success of the Horse Show to be held in Holstein.

From the reports brought us during the winter of how the young people were swelling the organ fund by their social efforts, we were giving them no end of praise for sacrificing so much for a good cause, but when we got out and found that a wedding was to take place in many of the homes this spring, we are inclined to think that they haven't been neglecting themselves much after all.

Miss Esther Brydges, of Belgrave, is over here to spend a month with her sister, Mrs. Tacker, and to have a share in the fun there is to be had in this part.

Mr. Wm. Hunter had a close call on Saturday while passing through here on his way to Durham, he came in contact with a runaway team of Joe Lennox and had the road cart in which he was driving smashed to smithereens, while he was thrown out, but was fortunate to escape injury. Mr. Hunter is an esteemed citizen and getting to be an old gentleman now and we are all pleased to know that he escaped so well.

Messrs. Dave Ritchie and Jim Matthews hauled 400 cords of wood from McLean's mill to Durham this winter. They feel proud of their winter's work and certainly they might as it was big work.

Mr. Joe Lennox purchased a fine horse last week from Mr. Dave Leith of Normanby, to mate one of his own and thereby have a team to feel proud of.

Mr. E. Hoy is looking forward to the Holstein Show Fair of thoroughbreds with considerable anticipation as he has purchased one recently that is hard to beat.

Mr. Herb. McLean has rented Alex. Allan's farm for this year and has already got possession while, Mr. Lorne Allan will put in the crop for his father who is busy in the interests of the Farmers' Supply Co.

Miss Bella McLaughlan went to Chesley last Thursday to conclude the visit that was so much interfered with last fall by sickness.

Mr. John Pollock is over on a visit from Pennsylvania and is holding out tempting offers to our young men to accompany him back and work for the summer. He declares by everything that is sacred and profane that men are only losing their time here.

Mr. Robt. Barbour has purchased one of Archie Hunter's Herefords to try his skill in improving the stock of this part and win a name for himself amongst stockmen.

Some weeks ago we remarked in our items that there was still some doubting Thomas about the building of the new church, who should thrust their hand into the work and be believers that it was going ahead. The lady who writes to the Leader made further reference to our item, and one of our citizens who bears the name of Thomas fitted the remarks to himself and went into the Leader columns for revenge. We were too much engaged at the time to more than notice that those items had fitted in one place at least, but the Leader writer took him in hand and gave him such a trimming that it is feared he will not respond again to the call of Thomas, not even if it is asking him to dinner or to come and have something.

Some of the seedmen from Guelph vicinity have been putting seed corn out in this part in the cob. It is well cured and seems to be an excellent quality and warranted that every grain will grow. Many of our farmers are buying it even if they have to shell it themselves.

## BE A STRONG MAN.

Increase your vitality and nerve energy, restore vim and force to your overworked body. Ferrozone will do this as it did for Walter Wood of Beauport, N. B., who writes: "I can say Ferrozone has given me a new lease of life. A year ago I suffered so from nervous exhaustion I was scarcely able to drag myself around. My appetite was gone, I had no color or ambition and felt used up. One box of Ferrozone started me back to health. I took a number of boxes and my health was completely restored." For men who are tired, pale, nervous and thin-blooded nothing compares with Ferrozone, 50c per box at all dealers.

## We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, no tonic products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetables.
