DEPARTMENT OF PHYSICS.

Ontario Agricultural College,
Guelph, April 10, 1907

EDITOR THE DURHAM CHRONICLE,
DURHAM, ONT.

DEAR SIR.—During the past two seasons the Department of Physics has been endeavoring to emphasize the importance of underdrainage, and arrangements have been made whereby our services are available to any one wishing advice in matters relating to drainage. We have full equipment for drainage survey work and when requested, visit a man's place, survey his land, give him a map showing elevations of all parts surveyed, together with location of drains, their grade, depth, etc. There is no charge made for this work except the travelling expenses of one man, consisting of railway fare, meals and cartage of instruments. These expenses are very light, as arrangements have been made with the railway companies whereby we can travel at one cent a mile each way, i. e., a man living fifty miles from Guelph would have an outlay of \$1.00 for railway fare and 25 to 50 cents for cartage; one living one hundred miles away, an outlay of \$2.00 for railway fare, and 25 or 50 cents for cartage, and so on.

Last year, together with others, you were kind enough to make announcement of this plan, and many applications for assistance either by way of information or surveys resulted therefrom. I beg to thank you for your past kindness and to ask if you will again make mention of the work.

Yours very truly,
WM. H. DAX,
Lecturer in Physics.

"BLUE DEVILS"

Get Rid of Indigestion and Things Will Look Bright and Joyous.

Even in the present era of prosperity and good times everything appears black to those people who are suffering wretchedly from some form of indigestion. Where digestion is quick, complete and easy there is a joyous and hopeful outlook, but indigestion causes depression.

The want of a safe, effective cure for sick headache, indigestion and stomach troubles, was always felt until the prescription known as Mi-o-na stomach tablets was put up in popular form and proved its invariable success in the many forms of indigestion.

After a few days' use of Mi-o-na stomach tablets the headache, dizzy feeling, drowsiness, bad taste in the mouth, coated tongue, nervousness, sleeplessness, distress after eating—all these symptoms of a weak stomach—will disappear and perfect indigestion and a good skin will show that the vital machinery is once more running smoothly.

Mi-o-na is to be taken before each meal and it will stimulate the secretory and digestive juices and strengthen the whole of the digestive system so that the unpleasant full feeling will be absent and indigestion prevented.

We absolutely agree that your money will be refunded should you buy a 50c box of Mi-o-na stomach tablets and not be satisfied with the results. Mi-o-na is sold by druggists everywhere, or will be sent by mail on receipt of price, 50 cents. Booth's Miona Company, Buffalo, N. Y.

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. Correct any constipation by giving small laxative doses of Ayer's Pills. All vegetable sugars coated.
